Preface

The **Little Family History** contained in this book unfortunately reaches only back to **John Little** from the information that we know at this time. It reaches back through the pages of time to over **nine** generations that we know. If our research is correct our direct lineage goes back to John Little who was born in about 1755. His wife at this time is unknown to us. No further information is available on John Little at this time. This information was gained through the Church of Jesus Christ of Latter Day Saint's database in Salt Lake City, Utah.

Even though John Little is not a direct line descendant of mine, **Don L. Norwood**, I feel compelled to help publish this book on the Little Family History because many of my kin are descendants of the Little line. In particular, **Jerry Eugene Risley**, my 2nd cousin has been most helpful in helping me collect information on my ancestors. **Jerry Eugene Risley is the 12th Great Grandson of John Little**. Also **Laura Jean (Golliday) Patterson** has been most helpful in helping me collect information on my ancestors. **Laura Jean Patterson is the 5th Great Granddaughter of John Little**. Here is my book on the Little Family History in which I will present the descendants of this John Little.

Countless hours of research into every source at our disposal leads us to believe that we can trace our lineage back to John Little. It is only fair that we point out that there might be some that doubt this lineage. Perhaps in time further research will definitely prove or disprove the Little Family place of origin. Until then we present what we honestly believe to be our correct lineage. Our ancestral quest starts from this family to the Little families who migrated to Washington County, Arkansas.

Whatever the outcome of future research, our ancestors were an amalgamation of hardy people who migrated across the Atlantic to the American shores.

Here the pattern changed and descendants scattered to the four winds. Today, descendants of John Little are in virtually every state of the Union and some foreign countries.

Research and Notes

History is fact and speculation. The two should be kept apart, but some time facts cannot be discovered without speculation. Sometimes we have speculated, but we have tried to distinguish between speculation and fact. Many sources of information used in our research are the result of hours of research at home, on the Internet and in libraries across the United States. Many relatives, friends and total strangers have contributed.

This is your history. Where it ends depends upon you. Please begin your own family history. You should record births, deaths, marriages and other pertinent information and help correct any information that might not be correct in this book. Whether you use this book or some other method does not matter. What is important is that you should start such a

history. Do it now! Too much history has been lost already.

Dedication and Thanks

This book is dedicated to my sweet mother **Mae Elizabeth (Rauch) Norwood**, who planted the seeds of genealogy in me and provided me with the drive to enhance the fruits of her earlier genealogy work. I also dedicate this book to my very loving and special wife, **Joan Evelyn (Brown) Norwood**. Joan encouraged me and never discouraged me on my genealogy efforts. She was my constant companion and chief researcher and helpmate during all of our years together so that we could become closer to our ancestors.

This book is also dedicated to **Clara Bee (Snodgrass) Risley and Alfred Raymond Risley** who wrote the original Little Book from which much of the information contained in this book was taken. Without Clara's hard work in putting together the first book, I most likely would not have written this book. Clara died 18 Dec 1993. Clara's son **Jerry Eugene Risley** most generously agreed to help me and provide materials from his mother's original book so that this book would become a reality. Thanks Jerry. Your mother will be glad we carried on her work.

This book is also dedicated to **Laura Jean Patterson**. She most generously agreed to help me and provided the GEDCOM files for this book.

I would also like to dedicate this book to the many **Little Family Ancestors** who made their contributions through the centuries. Without them there would be no history.

My book is laid out and written using the Church of Jesus Christ of Latter Day Saints Personal Ancestral File Software. Pedigree Charts of the Little Family line are shown along with a Descendant Outline of the descendants of the John Little family. In another section of this book I have written in Register Form about the ancestors of John Little. I have provided a brief example of how the Registry system works for those who are not familiar with it.

Register Numbering Example

The following example shows the most common (excluding Henry numbers) numbering conventions that can appear in the register report. The register may print some or all of these numbers and symbols depending upon which report options that are selected.

Chapter 22 - The Little Family - Introduction

22.1 INTRODUCTION

As you can observe this book is entitled and laid out as if it is only a chapter in a larger book. That is of course by design as this book is not only a complete book in itself but also a chapter in a larger book that is in the process of being written and published in the future. It is my desire to publish my dream book entitled "The Norwood Family History". The book you are now reading is only Chapter 22 of "The Norwood Family History Book". Chapter 22 entitled "The Little Family History" is completed and is being released at this time. I am doing this because I feel the urgency to publish this information to those persons who desire and need it for their own family history research. I decided to release these chapters as they are completed and not wait for perfection. Remember family history is constantly changing and this work is never finished.

Page 406 Dated January 22nd 1853

Comes now on this day Presley R. Smith as guardian of Samuel R. Little, Ambrose H. Little and Ewing M. Little and the adult heirs to the estate of the said James Little deceased in their proper persons and Permelia Little as the guardian of the person and property of Keziah B. Little, and submitted the following report, which is in words and figures following to wit.

State of Arkansas County of Washington

To the Honorable Probate court of Washington County now sitting at the present term of said court (January 1853) it was represented to the court by the heirs to the estate of James Little deceased that certain slaves belonging to said estate could be divided in kind amongst the heirs to the estate and that they descend such division to be made.

The court therefore made an order authorizing such division to be made among said heirs according to their several and respective interests and due report thereof be made to the court for approval.

In obedience to said order the heirs proceeded to make partition and division accordingly and now submitted to the court this their report.

But before (Page 407) they proceeded with the details connected with the division, it is deemed proper for a clear understanding of the facts of the case to premise that the said James Little left at the time of his death nine children and heirs at law, to wit, Caroline C. (the wife of T.E. Babb) Malinda C. (now the wife of Alexander Stewart) James Little Jr., Nancy A. (now the wife of Nearer Fort) Samuel R. Little, Ambrose H. Little, Ewing M. Little, John D. Little and William G. Little. Six of these heirs, to wit, the said James Nancy A., Samuel R., Ambrose H., Ewing M. and William G. was minors under the age of twenty one years for whom your honorable court appointed P. R. Smith as their guardian who accepted the appointed

and took upon himself the duties thereof, sense which time the said James Little has arrived at full age and the said Nancy A. has married and the said William G. has departed this life so that the said guardianship of the said P. R. Smith has ceased except as to the said Samuel R., Ambrose H., and Ewing M. The under-signed would also promise that after the appointment of said Smith as such guardian by order of your honorable court a division and partition was had of certain slaves belonging to the estate of the said James Little deceased amongst the heirs to said estate by which the said Babb and wife, Stewart and wife and John D. Little secured their full shares of said slaves and the said P. R. Smith in right of his said wards received two Negro women, to wit, one name Jane and the other name Eliza as their interests on said slaves. Since which time the said Jane has given birth to a child name Jim and the said Eliza has given birth to two children one name Jo and other name Ellen.

Thus it appears that the two engross which were allotted to the minor heirs and secured by the said Smith as their guardian now number five. Since the division of the slaves already referred to, the said William has died without issue father or mother and consequently his said brothers and sisters inherit his affects including his interests in the slaves of the estate of the James Little deceased. The said John D. Little has also died leaving a daughter Kiziah his sole heir at law, who is an infant and for whom your honorable court has appointed Permelia Little as guardian.

So it appears, and so the undersigned have agreed, that the said Fort and wife, James, Samuel R., Ambrose H., and Ewing M. are each entitled to the one sixth part of the value of said five Negroes, leaving the intense of the said William now deceased in and to said five Negroes (which was one sixth part also) to be equally divided amongst the seven surviving heirs, to the estate of the said James Little deceased.

Page 408

And the said Keziah who is entitled in right of her deceased father John D. Little and whose interest is just equal to the other heirs to the estate of the said William G. The several and respective rites and interests of each of said heirs being thus ascertained and agreed upon. The undersigned next proceeded to ascertain and agree upon the value of the said five slaves so that a decision thereof might be made in the manner specified in the order of your honorable court and in doing so it was agree that the said Negro woman Jane and her child Jim are worth one thousand and fifty dollars and that the woman Eliza and her two children Jo and Ellen are worth twelve hundred and fifty dollars making the total value of said five Negroes the sum of \$2,300. It is deemed proper to notice in this connection that since the said Smith had had said women in his possession he has received for their hire yet unaccounted for the sum of \$101, which added to the total value of said Negroes makes the sum \$2401 and also since said Negroes has been under the charges of Smith he has been necessarily compelled to expend on their account the sum of \$8.10 by way of tax for the years 1851 & 2 and also the sum of \$6. For medical bill. He is also entitled as conceived and as we have agreed to the sum of \$135 for percent as guardian and to the further sum of \$11.26 for other cost connected with his guardianship which make when added to \$6.43 over paid in Smiths last settlement with the court make the sum of \$166.79 which we conceive to be proper and so we have agreed to deduct from the total value of said slaves and the hits of the two women which the net sum of \$2,234.21 to be distributed among the several heirs as directed. It is further agreed and understood by and between said heirs that the said Mister Fort has bought for a good and valuable consideration the entire shares and interest in and to said five Negroes of the said Babb and wife, Stewart and wife and the said James Little for which when added to the intense of himself and wife make the sum of \$911.66 to which he is entitled and upon the division of said Negroes it is agreed that the said Fort may take the women Jane and her child Jim at their estimated value upon his paying to the said P. R. Smith in right of his said wards and said infant heir of said John D. Little deceased the sum of \$138.34 (Page 409) which added to the value of the said woman Eliza and her two children (which are estimated at the sum of \$1250.) make the sum of \$1322.55 which said Smith is to pay said Permelia Little in sight of her said ward the sum of \$41.73 it is proper to mention a claim in favor of the estate of John D. Little deceased against the estate of the said William G. deceased amounting to the sum of \$38.50 was deducted from the share of the said William F. before a decision thereof was made which reduced the same to the sum of \$333.87. It is also necessary to state that said Smith

owe of the amount of the value of said slave and said sum of money is to pay to the Estate of John D. Little deceased said claim of \$38.50 which together with the sum of \$41.73 when taken from the value of said woman Eliza and her two children and the amount of money so to be paid b7 the said Fort to said Smith being in the hand of said Smith the sum of \$1,242.30 the amount which we ascertain to constitute the share of his said wards Samuel R., Ambrose H. and Ewing M. and it agreed that said Smith shall on account of his said words take the said woman Eliza and her two children at the price of \$1250 agreed upon as above shown.

By way of recapitulation we submit the following condensed table showing the amount of said estate the amount of demand against it, and the several interests of the parties.

| | |
|-----------------------|-----------|
| Value of Negroes | \$2300.00 |
| Heirs of Negroes | 101.00 |
| Total Value of Estate | \$2401.00 |

| | |
|------------------------|-----------|
| Demands Against Estate | \$166.79 |
| Balance | \$2234.21 |

| | |
|---|-----------|
| Amount due the wards of said Smith | \$1242.30 |
| Amount due said Fort | 911.66 |
| Amount due the Ward of Permelia Little | 41.73 |
| Amount due the estate of John D. Little | |
| Decd | 38.50 |

In conclusion we will add that in every step taken in reference to the division and settlement a due regard was had to the sum and interest of said minor heirs and we trust that ample justice has been done then all for which is respectfully submitted to the court for approval.

Obituary, Fayetteville Sentinel, 25 Mar 1890

Mrs., Elizabeth Little, Relict of James Little, was born in Tennessee on 27 Dec 1824 and died in her home in Price Township, on 14 Mar 1890. She was taken with the prevailing influenza, followed by Pneumonia, and lived only eight days. She seemed to have several weeks. Beforehand she had a premonition of her early dissolution. She had attended the burial of

Jonathan Elms, more than a month ago and told some of her intimate friends she would be the next one to be buried in that place. Then afterward though Elizabeth seemed in good health, she talked quietly and calmly assuredly about her blessed hopes of future rest and joy. She selected her place to be buried and gave minute directions about all her affairs. She professed faith in Christ many years ago and was received into the Church near Cincinnati in 1852. Her father, John Franklin, settled on War Eagle in Madison County, Arkansas. Her Husband was one of the first settlers of what is now Price Township. She married at eighteen and leaves three sons, and several step children to mourn her loss.

WALTER W. RANEY SEVENTH DISTRICT, McCrory, Arkansas

Dear Confederate Friend:

I am glad to know that the first state warrant for \$150.00 has been sent to you under the terms of the Raney bill which it was my pleasure to get passed through the last session of the Legislature, and which law I tried for

two years to get adopted.

It is indeed gratifying to know that the great State of Arkansas is to pay you at least an amount that will help to make the sunset of your life one of ease and plenty. It is regrettable that more has not been done for you years ago.

The law which I passed provided that you receive \$50.00 a month the rest of your life, payable each month, but I understand you will be paid quarterly, or every three months, so you will receive a warrant for \$150.00 every three months hereafter which equals \$50.00 a month.

I will be at the Annual Reunion for the Confederate Veterans which will be held in Little Rock next May. I hope it will be convenient for you to attend and I will be delighted to have the pleasure of meeting you there. Should you ever come to McCrory or Woodruff County at any time, I will be glad to have you pay me a visit either in my newspaper office or in my home. You will always find the "latch string" on the outside for you and yours.

I am glad to know that arrangements are now being made to send you your next warrant for \$150.00 on or about December 1st and you should get it sometime the first part of December. At least before Christmas, so that you will have it for Christmas time which I hope will be the happiest you have experienced for many years. Then in March, next year, and every three months there-after you will get another warrant for \$150.00, making the total amount of your pension \$600.00 a year, or \$50.00 a month..

Assuring you that it was the greatest pleasure of my life to get this increase for you and your fellow pensioners. And if at any time I can serve you personally or through the columns of my newspaper, The Arkansas Central Leader, of which I am editor and publisher, please don't fail to call on me. With best wishes for you and yours, and hoping you will live many more years to enjoy your pension.

I am, Sincerely your friend, Walter W. Raney, State Senator

Samuel Rector Little, after the death of his first wife Judy Ann (Robertson) Little. Samuel Rector Little and his son Ambrose H. Little went on a trips to "Oregon" and leaving his son (Jim) James Rector Little and his daughter Mary Elizabeth (Hall) Little with Judy Ann's sister Elizabeth Elms. Jim was only three weeks old at the time of his mother's death.

Samuel Rector and Ambrose Little, left on a trip to Oregon in about 1868 with a wagon Train Group of the Old Settlers from Summers, Arkansas. The Wagon Train actually left from Coffeeville, Kansas. It was a long and dangerous journey and enough food and clothing and other supplies was to be carried on the wagons to last the six months trip. Leaving in early Spring when grass was beginning to grow lessened the amount of mule and horse feed which had to be carried along on the trip.

In recent years a good my people have gone to California and Oregon from Arkansas. One might think that this was a modern development made possible by the Automobile. However there were no paved roads in that day and time in 1868. There have always been a few daring adventurous souls in every Community. It was said they traveled in best movie wagon train style driving their wagon into circle at night with the tongues toward the center. Inside, the circle fires were built, meat was cooked and bed rolls spread out. Some of the men formed a Guard. The wagon master or Captain of the train that always watched both the wagons and teams instructed the men. Nothing would have suited some of the Wild Indians better than to have stolen the mules and wagons, and killed the Travelers. Besides Indians, sickness was possibly the most dreaded on the Oregon Trail. Many persons died and were buried beside the trail. Usually a wooden board with the name of the deceased carved on it with a Skinning Knife. Doctors were a rarity on a Wagon Train.

Samuel Rector Little married a second wife in 1870. She was Nancy Elizabeth Dunlap. She was born 11 Feb 1855. She died 3 Jan 1936. She was born near Houston, Texas. When she was 10 years old she came with her father, mother and brothers and moved to North West Arkansas in a Covered Wagon. She was buried at Ganderville Cemetery, at Summers, Washington County, Arkansas.

F. S. BARKER'S BARIFF POEM

He sat in his door at noonday, Lonely and gloomy and sad; brooding over the price of his Corn crop and figuring how much he had. He had worked from early spring-time, early and late and hard and was counting his asses and figuring out his reward. He figuring that it took two acres to buy his two boys new boots, and ten acres more on top of this to fit them out with new suits, and to buy his wife a protected dress took one hundred bushels more, Which five acres went in a soled lamp for carpet on the floor, His taxes and grocery bill absorbed his crop of oats while the interest on his farm mortgage took all his fattened shoats. Then Shingles on his cow-shed and the lumber for his barn had eaten up the big steers and the balance of his corn. He sat in his door at noonday, Lonely and gloomy and sore. As he figured his wealth a little less then it was the year before, By Gum, they say God protected, but I know there is something wrong. I have been deceived and beguiled and hoodwinked by the high protect song. They told of rebellious trail and held up the bloody rug, and I followed along like a pumping, and I am holding the bag, but from this time I will investigate, and get to the bottom of fats.

(III) D. W. Little was born in 1854 was the son of Elizabeth Franklin Little. D. W. Little married 14 Oct 1875 to Eddie Oleva Fortner. Their Children wer: (1) Emmett, (2) Only and (3) Melford. The Little's live for a number of years on what was called West Branch, and there was a disagreement between Dee Little and Eddie so she took the boys and went West, but before leaving, Eddie prepared a bountiful dinner in honor of Dee's family, his brothers and families. Their home was one of the best furnished of that era. Their cook stove had a warming closet and also a reservoir and was chrome trimmed, this made the kitchen very attractive. The dining table was large but not large enough to seat all the guests, that was invited so they took down two inside doors, placed them end to end with the table, so every one could eat at first table with best chairs which was white with a gold band and small pink flowers.

After the family left Dee Little, lived on here continued with his work for many years. Then Dee Little remarried 14 Jan 1911 to Ida Lewis. She was born in 1865 from here they made their home in Montana, and lived until his death.
