Moving Forward ...

BOLTONIAN 1993

THIRTEENTH

Meeting

MOVING FORWARD through time, the 1992-1993 school year brought many surprises to our lives! Emmanuelle Chopard, a sixteen year old French native, became our eleventh grade exchange student. Grades 7-12 went to N.Y.C. in December. They visited Ellis Island, The Statue of Liberty and the Museum of Natural History. Members of the French Club traveled to France and England for ten days in February.

In our world, President George Bush announced that we were finally out of a recession, but he lost the presidential race to Governor Bill Clinton. Billionaire Ross Perot became the most successful independent candidate since Teddy Roosevelt in 1912. Civil war broke out in Bosnia as it tried to leave Yugoslavia; also "civil war" in the Windsor Castle separating Prince Charles and Lady Diana as well as Prince Andrew and Fergie. Operation

Restore Hope sent troops to Somalia to feed millions of people starving there. Saddam Hussein continued to be a thorn in President Bush's side as he repeatedly tested the Resolution from the United Nations. An oil spill off the coast of England leaked twenty-six million gallons, twice as much as the Alaskan oil spill. In Los Angeles, riots sparked by the acquittal of the police officers involved in the alleged beating of Rodney King, left over one billion dollars in damages and fifty three people dead. Homestead, Florida and surrounding areas, devastated by Hurricane Andrew received aid for rebuilding. The Earth Summit in Rio de Janeiro, headed by President Bush, gave promising outlooks for the future in Conservation and pollution reduction.

T.V. lost two all time greats, *The Cosby Show* and *The Johnny Carson Show*. Legends like Marlene Dietrich, Lawrence Welk

and Benny Hill passed away, music lost jazz trumpeter Dizzy Gillespie and the world of literature mourned over Alex Haley. AIDS claimed another great life, Russian Ballet star, Rudolf Nureyev. "Magic" Johnson shocked the world by announcing he had the HIV virus and was retiring from Basketball. Tennis Pro Arthur Ashe proclaimed he had tested HIV positive. Audrey Hepburn died at the age of sixty-three of colon cancer. Thurgood Marshall died at eighty-four.

Although the world was filled with much chaos and violence this year, the **Class of 1993** continued **MOVING FORWARD** to the long awaited day of graduation. It is with a sense of confidence, pride in our potential and hope that each new generation can bring progress and change that we take our place in the adult world.

**"The only limits
To my accomplishments

Are self-imposed."**

from The Psychology of Winning by Denis Waitley

*. . . Winners take time to look — at the rosebuds opening each day.
Winners take time to listen — knowing there may be fewer robins next spring.
They take time for children — too soon they fly like arrows from the bow.
They take time to play — knowing that when children grow up they get old.
They take time for old people — knowing that old people live for the next visit from a loved one.
They take time for their families — knowing they are the precious Inner Circle.
They take time for nature — knowing they can't put it on their Master Charge cards.
They take time for animals — knowing it's their world, too.
They take time to read — knowing that good books are a transport of wisdom that can take them to places they can't always visit in person.
Winners take time to work — knowing they can't enjoy the view unless they climb the mountain.
Winners take time for their health — knowing it's the commodity that they don't recognize and appreciate until they have it no longer.*

Winners don't live their lives in the past, becoming senile. They learn from it, not repeating their mistakes but savoring each memory that brought them happiness.

Winners don't live their lives in the distant future, safely out of sight. They set goals in the specific, foreseeable future — which give their everyday activities richness and purpose.

Winners live in the present, in that only moment of time over which they have any control — now — and it's history — now — and it's gone. Winners don't try to buy everything they see, using plastic credit cards in a frantic, hedonistic attempt to do it all now and die with a young body.

I would like to run a classified ad in every newspaper in the world under Lost and

Found: "Lost — one twenty-four hour, twenty-four carat, golden day — each hour studded with sixty diamond minutes — each minute studded with sixty ruby seconds. But don't bother to look for it, it's gone forever — that wonderful, golden day, I lost today." Life is not a race to come in first, but one to make last and best. True self-dimension — in the Psychology of Winning in life — is to live every minute as if it were your last — to always look for good — and to cherish the minutes and the lives that you encounter within it.

For each of us, the clock is running. It's no scrimmage — it's not a drill — it's the Superbowl — every day.

There is still plenty of time to Win . . .
But not a minute to Lose!

SPECIAL THANKS

Ms. MacLean — for being our class advisor and dealing with our different attitudes and for being so patient at Prom time!

Ms. Hoffer — for your hard work and dedication to the yearbook, we would have never gotten anything done without you!

Mr. Weick — for being so patient with us, and for all our interruptions due to "Yearbook panic!"

Mr. McKinney — for your love and support! Also, thanks for not being too hard on us "unruly" BOCES kids who like to laugh. We love you and will never forget you.

Dr. Grimm — for giving the students a chance to express their views and the responsibility to be an adult!

Ms. Braman — Who could live without food? We hope you know that you have won all our hearts as you have fed our stomachs!

Mr. and Mrs. Edwards — You've been combing our hair and making us smile in front of a blue sky for many years — thank you!

Mrs. Maranville — For sharing your candy!

Mrs. Russell — for caring!

WE REMEMBER FOUR DISTINGUISHED FACULTY MEMBERS

JOHN NASSIVERA

Mr. Nassivera joined the Bolton Central School Faculty in 1967 as a Physical Education Instructor. He was simply known as "Coach." During his years here, he won numerous Soccer and Basketball Championships! Soft and mild-mannered, he epitomized the philosophy that true sportsmanship was the result of skill, effort and determination. The adult staff joins the student body in wishing Mr. and Mrs. Nassivera a long and happy retirement.

ANGELO ROOT

Mr. Angelo Root became part of the Bolton Faculty in 1950 at the age of 26. He served Bolton Central as a teacher and a co-administrator; He was also a Town Councilman and Justice of the Peace for Bolton. One cannot think of Mr. Root without remembering his amazing work ethic and his great zest for living! These qualities served him well and made his memory secure in the hearts of the school and the community. In the span of years that Mr. Root shared his wisdom with us, he became the very bedrock of the community; on a lighter note, he did it, "His Way."

LORRAIN B. CHUSHMAN

Mrs. Chushman retired from BCS in 1971 after forty years of teaching High School Science and Latin, and on two occasions serving as Acting Principal. She was a founder and long term President of the Bolton Scholarship Association. Mrs. Chushman was recognized in 1989 by the National Honor Society for outstanding dedication in the teaching profession, her contributions won't be forgotten!

MARK GIRARD

Mr. Girard taught Social Studies at BCS for seven years from 1985 to 1992. He was a High School Social Studies teacher and a Drivers Education teacher. He served as President and Vice-President of the Bolton Teacher's Association, worked with students as advisor of the Bolton Chapter of the National Honor Society and the School Bookstore, was also instrumental in organizing and implementing the English/Social Studies Lab Program. Mr. Girard is missed by both the Bolton staff and students!

**Dedication
Dedication!
Dedication!**

MISS YOU

Miss you, miss you, miss you;
Everything I do
Echoes with the laughter
And the voice of You.
You're on every corner,
Every turn and twist,
Every old familiar spot
Whispers how you're missed . . .

David Cory

Coach Massivera

Through our years at B.C.S. you've been an inspiration to all of us. You've given us your athletic knowledge, your great determination and your positive attitude to carry through our lives. Every morning you were always outside the gym doors with a smile "from ear to ear" and we'd ask "What are we doing for gym today?!" We could always count on you to cheer us up when we were feeling sad! Your laugh would fill a room with smiles! We will always take with us the feeling of care and love that you've shown to each of us. B.C.S. will never be the same without a man named "Coach." We love and thank you for all you've done.

Bob Morehouse

Mr. Angie Root

You have always been somewhat of a legend at Bolton Central School, and even though you weren't here to teach the present Seniors, others staff members passed along your wisdom! You were a "role model" for us all and we respect you in the highest sense. In our hearts we will never forget you and we love you and miss you dearly. I speak for all those you have taught and whose lives you've touched. It's the knowledge you left behind that "keeps on teaching!"

Lu-Ann E. Detrick

Mr. Girard

You have made an impression on all our hearts and we will never forget you. Thank you for all your support and understanding! We respect and admire you, and we appreciate the sincere way in which you taught us. You were willing to try anything and help us, even when it took away from your personal time. We will always carry a piece of your wisdom in our hearts; we thank you with much love and gratitude.

Let me do it while I can.
No delay, for it is plain
I shall not pass this way again

BEAUTY

E-Yeh-Shure'

Beauty is seen
In the sunlight,
The trees, the birds,
Corn growing and people working
Or dancing for their harvest.

Beauty is heard
In the night,
Wind sighing, rain falling
Or a singer chanting
Anything in earnest.

Beauty is in yourself.
Good deeds, happy thoughts
That repeat themselves
In your dreams,
In your work,
And even in your rest.

Richard C. Grimm, Ed.D
Superintendent of Schools

Dear Class of 1993,

Life consists of a series of passages — passages when you finish one major portion of your life and move on to the next. Commencement, and your next passage, is just around the corner.

This portion of your life began thirteen years ago when you left early childhood behind and got on that big yellow bus for the first time, bound for school. Some of you have been at BCS for all thirteen years, others for only a year or two. In kindergarten, the idea of graduating from high school was not even a seminal thought. During these years, each of you had many successes and experienced problems; spent time in the office for a variety of reasons; visited the nurse untold times; participated in sports, chorus, band and clubs. You passed tests and satisfied graduation requirements; learned Math, Social Studies, Science and a variety of other academics — sometimes reluctantly but you did learn; you picked up skills that will last you a lifetime and made friendships that will last just as long.

All during the high school years, I am sure that each of you was absolutely convinced that this day would never, finally, at last, ever get here. But it has and Tavis, Mike, Bobby, Jennifer, Sarah, Bobbi Jo, Scott, Kim, Robby, Alice, Travis, Buddy, LuAnn, Chad, and Jennifer will all be moving on to the next passage in your lives. The next phase may be college, work or the military. Whatever avenue you pursue, it is the earnest hope of all of us here at Bolton that you make the most of the opportunities given, that you succeed at whatever you try. Both the Bolton School and your families have worked hard to give you the necessary foundation. Take advantage of it.

Although I have known you for only two years, I have come to admire and enjoy many of the unique and wonderful qualities of the Class of 1993. I personally and deeply wish you the very best in future years.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard C. Grimm". The signature is fluid and cursive, with a long horizontal stroke extending to the left from the first letter.

Board of Education — Sitting: Ms. Kathleen J. Dennin, Mrs. Linda L. Bennett, Mr. William R. Morehouse, president and Mrs. Angelia M. Smack, clerk **Standing:** Mrs. Lisa E. Kershaw, Mr. John G. Pettinelli, Dr. Richard C. Grimm, Mrs. Leona M. French, Mrs. Claire C. Kingsley and Mr. Carl B. Schoder

Dr. Richard C. Grimm

Mr. Franklin J. McKinney
Principal

To The Class of 1993:

It has been my pleasure to know each of you since the 7th grade. Now, after what seems like a short 5 years, it is time for all of you to move on. However, the memories will remain: Luann, Jodi, Bobbi Jo assigned seats on the BOCES bus, Chad record holder (3-5), Kim asking for (3-5), and Tavis summertime detention. Scott, Rob and Mike must be up to something in the hall. Buddy, thanks for the planter made in art. Travis a fine addition. Jen H. - according to my wife, you will do fine on your own. When is the next SADD meeting Jen P.? Bob, an honest check of my wife's baseball cards, not like Mr. Donahue. Sarah, thanks for my first opportunity to be a school bus driver.

All of you are prepared to go out into a world which has changed more during your high school career than changed in your parents' lifetime. It is indeed a very exciting time. With the rapid changing world, comes rapid opening opportunities never before offer. Opportunities all of you can take advantage of, providing you remain open and flexible. Hopefully, we have given you a thirst for knowledge, which you will seek to quench throughout your lifetime.

Again, thanks for the privilege and memory of knowing and working with each one of you. I wish you all the success possible. Go forth with BCS blazed in your memories.

Sincere Success,

Franklin J. McKinney
Principal

FRENCH TRIP '93

Isn't France beautiful?! **Emmanuelle**

Twenty-two French students from Bolton Central School traveled to Europe in February in '93. Their first stop was London! For three days they toured many famous landmarks in the largest city of Europe: the Tower of London, Big Ben, the House of Parliament, Westminster Abbey, Piccadilly Circus, Trafalgar Square and Buckingham Palace, to name only a few. Many students also opted to see Windsor Castle and Oxford, as well as Shakespeare's home town, Stratford-upon-Avon. Some students also attended an Elizabethan banquet, presented in true medieval style.

Our travellers crossed the English Channel and toured northern France. They spent a night in the ancient port of St. Malo, continued up the rugged coast to see the island monastery, Mont Saint Michel. They traveled to the "playground of the Kings of France," the Loire River Valley. Here, they toured the most beautiful of all the Chateaux. Next, returned to a more spiritual setting and experienced the truly awesome cathedral at Chartres.

From Chartres, it was a short trip to Paris, the City of Light. The students spent the remaining three days exploring the fantastic sights, sounds, smells and of course, tastes of the great city. They tested their French skills while touring Notre Dame, the Arc de Triomphe, the Louvre, the Champs-Elysees and the Eiffel Tower. All opted to marvel at the gift, the glitter and the sheer grandeur of Versailles. Many went to Euro-Disney to compare it with America's Disney World. After ten days, all returned exhausted but much more knowledgeable about different countries, cultures and our own United States!

OUR '93 TRIP TO NEW YORK CITY!

It starts with organization!

Beautiful Skyline

The Statue of Liberty

In December, Bolton students in grades 7, 8, 9, 10, 11 and 12 had an opportunity to go to New York City to see Ellis Island and the Statue of Liberty or the Natural Science Museum and the Hayden Planetarium. A wonderful, exciting and educational time was had by all!

START of Conference Championship Streak 1989

9-1 League 14-2 overall

Coach Donahue's 1989 Bolton Eagles introduced "Bolton Ball" featuring outstanding pitching, 3 no-hitters, 1 one hitter, 6 shut-outs — anchored by ace Mike Huck and assisted capably by James Pratt and Pete Smith. Speed and defense were major factors in this season's "Bolton Machine." Offensively, the underdog Eagle team was led by Chris O'Conner, Mike Huck, Pete Smith and Tim Steele.

THREE-PEAT Clean Conference Sweep Again 1991

6-0 League 11-2 overall

The 1991 Bolton Eagles featured a combination of outstanding pitching, timely hitting and stellar defense! Offensively, the team was led by Marcy Conference All Stars Jamie Curtis, Dave Guyett, and Jesse Malone, with help from cleanup man John Huck. The pitching staff was anchored by Jesse Malone, with quality performances turned in by Duffy Blanchard and relief specialist Bobby Morehouse. Overall team defense proved impenetrable, led by first baseman Tim Steele, holding league opponents to a total of 6 runs while posting 81 runs against Conference rivals.

PERFECT League Record says it all!

10-0 League 12-1 Overall

The 1990 version of Coach Donahue's Bolton Eagles featured a devastating offensive unit combined with the league MVP pitching of James Pratt. Jamie Curtis, John Huck, Tim Steele and James Pratt all led the offensive onslaught that helped outscore opponents 141-11. All success was accomplished despite much adversity faced throughout the season. Weather conditions, causing scheduling difficulties and injuries were major problems. "Stalwart" defense was also a major factor in the success of this team!

4-Sweep Undefeated League Champs Again 1992!

8-0 league 11-2 overall End of Marcy Conference

This year's heavily pre-season favorite proved the forecasters correct! In capturing the final championship of the now defunct Marcy Conference, it finished with 4 titles in a row in 5 out of 6 seasons. This team was strong in every facet of the game. Offensively, the burden was carried by All Star Jay Miller, All Star Dave Guyett and Tavis Leombruno. League MVP Jesse Malone dominated opponents from the mound with help from Duffy Blanchard. Short Stop Bob Morehouse and Catcher Jeremie MacEwan were the cornerstone of a rock solid defense.

It's one underrated sport

Bolton 3, Wells 0

BOLTON LANDING — Alison Huck's serving carried Bolton to a three-game victory over Wells.

Huck went to the service line with Bolton trailing 10-4 in the first game and served eight straight points. She wound up with 22 points as the Eagles won by scores of 15-11, 15-4 and 15-6.

Amanda Donahue scored eight points and Sarah Pratt played a strong net game for Bolton.

By Bryan Scofield
Special to The Post-Star

Volleyball is one of the most overlooked and underrated sports in the United States. In California and a handful of other states, volleyball is a major sport. However, throughout most of the nation, particularly here in the land of the six-month winter, volleyball ranks somewhere below soccer, but above croquet. This makes me weep because volleyball is such a great sport.

Independents Bolton 3, Wells 0

WELLS — Alison Huck served 18 points including 10 in a row in the second game as Bolton swept homestanding Wells, 15-8, 15-2 and 15-9.

Nicole Somma served seven points and added three kills and Sara Pratt had three assists and two kills for Bolton, now 7-5.

Minerva 3, Bolton 0

OLMSTEDVILLE — Megan Brannon had 14 service points and Jamie Robinson added 12 as Minerva beat Bolton, 15-6, 16-14, 15-2.

Minerva goes to 4-0.

Michelle French led 2-1 Bolton with seven service points.

Non-League Bolton 3, Indian Lake 1

INDIAN LAKE — Bolton dropped the first game, 6-15, but won the next three games 15-11, 15-9 and 15-7 to take the non-league match over Indian Lake.

Sarah Pratt had 15 points and 14 kills to lead the Eagles. Alison Huck had 18 service points and Nicole Somma added seven.

Taryn Reynolds had 11 service points to lead Indian Lake. Gena DeLong chipped in nine service points.

Independents

Bolton 3, Newcomb 0

BOLTON LANDING — Alison Huck had 14 service points to lead Bolton to a 15-8, 15-1, 15-11 win over Newcomb.

Michelle French added nine kills for 3-4 Bolton.

Sarah Garrand had 11 points for 1-2 Newcomb.

BOLTON EAGLES

Coach: Deb Gaddy

Top Returnees: Sarah Pratt, Sr.; Carrie Andersone, Jr.; Amanda Donahue, Jr.; Michelle French, Jr.

Top Newcomer: Allison Huck, So.

Outlook: Gaddy has a young — but solid — club for 1992. Gone are many seniors from '91, but with the return of setter Sarah Pratt and the addition of all-around talent Allison Huck, Bolton again will be among the section's toughest teams.

Carrie Andersone and Amanda Donahue will lead the hitting, and Michelle French will provide a solid floor game for the Eagles.

Independents Bolton 3, Indian Lake 0

BOLTON LANDING — Amanda Donahue's 14 service points and 12 kills led Bolton to a 15-6, 15-9, 16-14 win over Indian Lake. Michelle French had eight service points for Bolton, which improves to 3-1 in sectional play and 4-4 overall. Alison Huck led the Eagles in assists.

When I was a boy of fourteen, my father seemed so ignorant that I could hardly stand to be around the "old man." But when I got to be twenty-one, I was astonished at how much he had learned in seven years.

Dear **Jennifer,**

NANA — your best friend, defender, secret sharer, shopping buddy and lunch date. Special times and special memories! She would wish you success, health and happiness always. She loved you very much!

Mom

Bob,

Through life's first cycle, you have been a son with whom we have had much pride and joy. As you matured from birth to high school, you have accomplished many things. From Little League to Varsity, you have exercised your athletic abilities with skill and sportsmanship; From Nursery School to Graduation you have mastered your studies; From infant to young man, you have lived a life of compassion, thoughtfulness, and love.

As you enter a new era, we know you go with full preparation to accomplish your dreams and goals. Wherever life's road leads, you have the scholastic foundation to build on; the physical awareness to maintain a strong, healthy mind and body; and the social graces to get along with all people. The assertive and leadership abilities you've displayed will help you be successful whatever you endeavor.

WE'RE PROUD OF YOU BOB,

Best wishes, Good Luck and May God Bless!

Love,

Mom, Dad, and Nana
