### Suspension of Local Guardianship Rules

As discussed in Administrative Order 18-09, the consolidation of guardianship cases to a limited number of judicial departments has resulted in increased efficiency and consistency in guardianship proceedings, and has allowed the Court to ensure that after a guardianship is established, the appointed guardians meet their fiduciary obligations to care for the protected person.

EDCR 5.103 and Nevada Revised Statute 3.025(3), which detail what is commonly referred to as the “one judge, one family” rule, generally require that if the same parties or child are involved in multiple cases within the jurisdiction of the Family Court, that all of the cases are assigned to the same judicial department.

NRS 3.025(3) authorizes the Chief Judge to make case assignments outside of the “one judge, one family” rule if the Chief Judge “determines that a different assignment is necessary because of considerations related to the management of the caseload of the district judges. . .” Adult guardianship cases are excluded from the “one judge, one family” case assignment scheme detailed in EDCR 5.103. Minor guardianship cases are not expressly excluded from the “one judge, one family” case assignment scheme detailed in EDCR 5.103.

The procedures established in Administrative Order 18-09 maintained minor guardianship cases within the “one judge, one family” rules by designating all minor guardianship cases as the determining case for the purpose of assigning related civil domestic matters involving the same child. This case assignment protocol mitigated the burden on already overloaded civil domestic Departments. With the passage of A.B. 43,

1 three new civil domestic Department will be added to the Family Division, effective  
2 January 4, 2020. The addition of these much needed resources to the civil domestic case-  
3 type, combined with increased demands in the guardianship case-type, allow for the  
4 reassignment of related civil domestic matters from guardianship Departments.  
5

6 In an effort to ensure that minor guardianship proceedings are adjudicated as  
7 efficiently as possible, it is necessary to modify certain provisions of Administrative  
8 Order 18-09 and remove minor guardianship cases from the “one judge, one family”  
9 rules.

10 Eighth Judicial District Court Rules 5.701 through 5.705 detail guardianship  
11 procedures which have become obsolete. EDCR 5.706, 5.707, 5.708, and 5.710 detail  
12 certain requirements imposed on petitioners/guardians, which have been subrogated by or  
13 are duplicative of statutes which govern the same subject matter. And EDCR 5.709  
14 details a guardianship case assignment scheme which has been subrogated by prior  
15 administrative orders.  
16

17 Thus, minor guardianship cases shall be excluded from the “one judge, one  
18 family” provision of Eighth Judicial District Court Rule 5.103.

19 The Clerk’s office shall modify the EDCR 5.103 case assignment procedure to  
20 remove minor guardianship cases from consideration when making department  
21 assignments for new civil domestic cases. The minor guardianship cases shall remain  
22 related to civil domestic matters (and appear as such in Odyssey); however, civil  
23 domestic matters shall not be assigned to a guardianship Department unless a  
24 guardianship Department requests the reassignment of a civil domestic matter.  
25

26 All future minor guardianship cases shall continue to be randomly assigned to  
27 either Department B or Department F in equal proportions, unless the new minor  
28

1 guardianship case involves the same parties as an existing guardianship case. In cases  
2 where the new case involves the same parties as an existing case, the new case shall be  
3 assigned to the same department to which the existing guardianship case is assigned.  
4

5 All open and closed civil domestic cases, except adult name changes, minor  
6 guardianship cases, and adult guardianship cases, currently assigned to Departments B  
7 and F shall be randomly reassigned to the civil domestic departments in proportion to the  
8 currently established caseloads for each department.

9 Eighth Judicial District Court Rules 5.701 through 5.710 are suspended. The  
10 Eighth Judicial District Court Rules Committee shall consider modification of the local  
11 rules to bring them into conformity with this Administrative Order.  
12

13 The Presiding Judge of the Family Division is authorized to make case assignment  
14 determinations deemed appropriate under the terms and purpose of this Administrative  
15 Order.
