

Upon arrival, register at the first building, ESS's Visitor Entrance.

ESS is close to two airports, one on the outskirts of Malmö and the international airport south of Copenhagen.

From Malmö airport

By taxi

- Taxis are available directly outside the terminal.
- Prebooked taxis pick up customers by the domestic baggage claim.
- Always ask for fixed prices - this should then be entered and visible in the taxi meter before your journey starts.

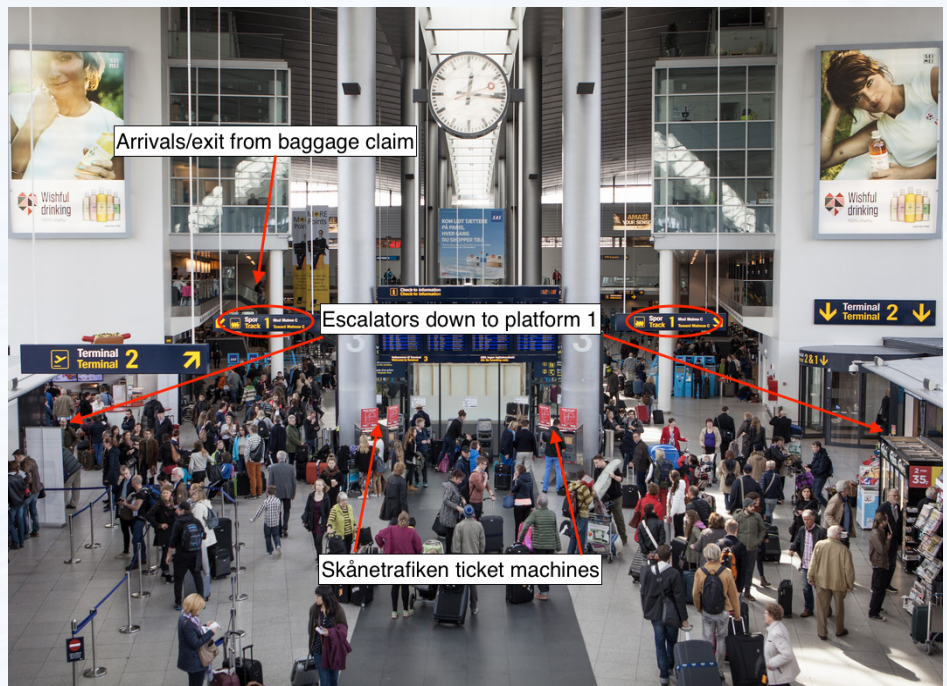

The destination address is ESS, Partikelgatan 2, Lund.

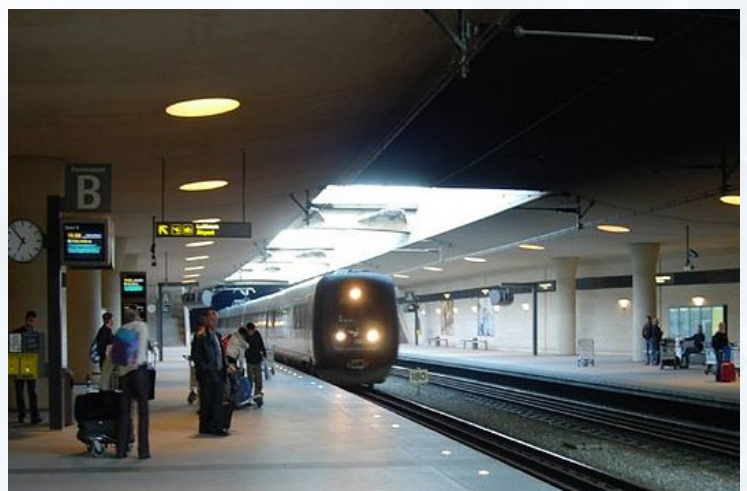

From Copenhagen airport

By train

- Tickets **MUST** be purchased before boarding the train.
- Tickets are bought from the Skånetrafiken ticket machines in the Baggage Claim area or in Terminal 3 at the top of the escalators.
- Skånetrafiken tickets are only valid for Öresundståg, but also cover your further transport to ESS via the tram once you get to Lund.

- The station is located below the airport; take the lift or escalators in the main arrivals hall in Terminal 3 down to platform 1.
- Only board an Öresundståg train (grey/blue) heading to Helsingborg/ Göteborg, Kalmar or Karlskrona - these generally leave every 20 minutes.
- The journey to Lund C (central station) takes approx. 40 mins.

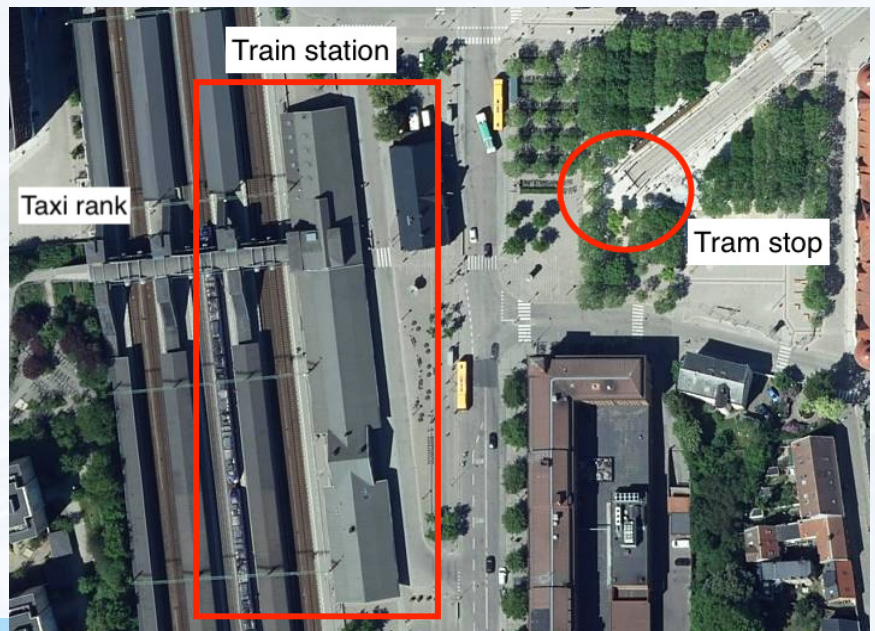

From Lund train station

By tram

- Exit the central train station, cross to the square (Clemenstorget) - the tram stop is on the corner.
- If you bought a Skånetrafikenn train ticket at the airport, then this covers your onward journey to ESS.
- If you don't have a ticket, you can buy one using the machine inside the tram with a bank card, or using the Skånetrafiken app.

- ESS is the final stop for all trams, regardless of which track.
- The journey takes approx. 15 minutes.

- ESS is located directly ahead once you disembark.
- Please use caution crossing the road to the car park.

By taxi

- The taxi rank is at the rear of the central train station.
- Please note the 'floating' taxis at the front of the station are unregistered and operate without price control, so we do not recommend using them.
- Exact pick up points for prebooked taxis are discussed when booking.
- The destination address is **ESS, Partikelgatan 2.**
