

Third edition of the Orbx freeware and payware airport list.

(still in construction)

Note: Airports in black are in the Global Freeware packs. Airports in green are found in the Orbxdirect freeware section. Airports in blue are the payware airports.

In the runway description, any runway that is 2000 ft or below, or 60 feet wide or less, is in orange. Turf runways are in green. Water aerodrome are written with “water” in blue. The airport elevation is in red.

American Samoa

NTSU, Pago Pago Intl. 10000 x 150 / asphalt / 05-23 / 32 and 3800 x 100 / asphalt / 08-26 / 8
