SUPPLEMENTAL MATERIAL TO

ROCK ISLAND COUNTY ILLINOIS MARRIAGE BOOK THREE

JANUARY 1885 THROUGH 3 JANUARY 1900

License #13058 through #19142

This work is a compilation from the records at the Rock Island County, Illinois, Courthouse. In most cases alternate spellings are shown when names were in question. However, the user should be aware that these handwriting and spelling inconsistencies may have created unavoidable errors.

Standard abbreviations for the states have been used. The asterisk \* refers to Rock Island County. Many towns listed in these old records no longer exist or have been renamed. For example, Stephenson is now Rock Island and Watertown is now part of East Moline. Old maps may be of assistance.

The numbers given in these pages refer to the license number in Book 3 of Rock Island County Marriages. Brides and grooms are listed in alphabetical order in that book. Use the license number to find the additional information in this supplement. In the Marriage Record books, the M/L column refers to whether there was a marriage, or only a license issued and not returned. Beginning 11 December 1877, license #10215, the place of residence and age next birthday of bride and groom were asked. Starting with license #12217, the form of the Illinois State Board of Health was used. Please see sample in this book. We are listing only the residence, number of the marriage (when given), age, and parents of the bridal couple from this information. The remainder may be obtained by requesting a copy of both sides of the marriage license from the Rock Island County Clerk, 1504 Third Ave., Rock Island, IL 61201. The present charge is \$7.00.

The surname listed in the brides' column may refer to her previous spouse. The book lists the surnames of the parents of the brides and grooms. Sometimes the names of the fathers are different, as when the bride has been married before, and sometimes the names of the grooms' fathers are different, as in the Swedish naming pattern, in which Andrew Carlson's father is Carl Larson and Ben Swanson's father is Swan Johnson.

We suggest you read the surnames you are researching in the bride and groom book, find the additional information in this book under the license number, then look for more of that surname in the index of this book.
