C.N.R. STATEMENTS
(Continued from Page 1.)
peg had a deficit last year of \$192,000, the Macdonald Hotel in Edmonton a loss of \$15,000, and the Chateau Laurier a profit of \$48,000.
DINING CARS LOSE
Sir Henry said that probably no railway in North America was making a profit on its dining car system, but it was another practically essential adjunct to passenger traffic.
Asked if more economical operation were admitted at special minimum rates.
The Cape Times describes this as an amazing attitude for the Government and asks on what basis the South African Government is to negotiate strictly quid pro quo arrangements on a hand and highly protective countries on the other.
INCREASE IN TAXATION
Mr. Jagger, in a long criticism of the budget, pointed out that despite the Finance Minister's estimated surplus of £418,000, the Minister proposed imposing increased taxation to a total of \$400,000.
Mr. Jagger said he had learned the Hertzog Government contemplated entering into a tariff treaty with the United States, but the United States constitution prohibited this.
SOMETHING TO SAY
When one part of the British Empire, he continued, gave a preference to another part, the United States looked upon it as a family arrangement, but if Great Britain or South Africa granted a preference to a third nation—the United States would have something to say about it.
The United States had power to retaliate, Mr. Jagger said, and it could even prohibit imports from a country which discriminated against it in its tariff.
He contended that the proposed

LIBERALS HOLD NEARLY HALF B.C. VOTING STRENGTH; ALL INDEPENDENTS BACK BUDGET

Big Drift Away From Tory Party in Pacific Province Revealed by Developments in Commons; Humphrey Joins Neill and McBride in Supporting King's Strong Western Policies; Six Out of Thirteen B.C. Members Behind Administration's Finance Programme.

By Times Staff Representative
Ottawa, April 23.—British Columbia, one of the Conservative Party's few strongholds in the last Federal election, is swinging steadily away from its Tory alignment on account of the present Liberal Government's strong western policies, according to all indications here. Three independent members were elected in British Columbia at the last poll. All have come out in the last few days with flat approval of the Government. L. W. Humphrey, Independent for Kootenay West, is the latest non-party member to throw his weight behind the administration and join A. W. Neill, of Comox-Alberni, and Thomas McBride, of Cariboo, the two other B.C. Independents, in voting for the Robb budget.
As a result of the attitude assumed by these three, six out of thirteen members from British Columbia will vote for the Budget. In other words, British Columbia, which was strongly Conservative after the last election, now is divided almost evenly between the two parties, so far as strength in the House of Commons is concerned.
This growing Liberal power in the Far West is in line with the determination of the Liberal Party to carry a number of British Columbia seats which at present are held by Conservatives. The next election, it is believed, will not only break the solid Conservative phalanx around Vancouver, but will cut into the Tory strength elsewhere.
The steady swing away from the Conservative Party, as indicated in the House lately, is not surprising. The Conservative Party offers nothing worth while to the West whereas

WEMBLEY BRINGING BRITISH INVESTMENT IN BIG WAY TO B.C.'S MINING INDUSTRY

By Times Staff Representative
Ottawa, April 23.—Mining exhibits by Canada and British Columbia in the great Wembley exhibition last year already have produced heavy British investments in the mines of this Province, according to L. W. Humphrey, Independent Member of Parliament for Kootenay-West, and representative of one of the most important mining districts in Canada.
Money spent on the Wembley show and on the visit of Canadian delegates there was by no means wasted, it produced results in dollars and cents, Mr. Humphrey told the House of Commons.

"The visit of our representatives to Wembley," he said, "has been responsible for thousands of pounds of foreign capital being invested, in my own district, for example. As a result of the information which our representatives were able to give over in England regarding our mining resources, we have been favored since last summer with visits from people in Great Britain particularly from England, with authority to invest thousands of pounds of English capital in the district. This has happened within the last year and it has restored confidence among the people; it has opened up our mining resources. And in my opinion it has done more more than this, it has served, if only to a modest degree, to unite the Dominion of Canada closer with Great Britain by interesting the Mother Country in our resources and in this way securing British capital to develop our mining industry. In that way it seems to me, our representatives at Wembley accomplished a good deal. The capital that has come into the district has been the means of opening up many mines that are of great value; it has opened up resources that were lying idle."
Mr. Humphrey's statement, coming as it did from the representative of a coal mining district, offered a convincing reply to assertions of Conservative members from districts without mines, that the Government had wasted money in sending delegates to Wembley last year.—B.H.

B.C.'S REQUESTS

STATEMENT BY VEREGIN
"OUR position with regard to the Doukhobors is misunderstood, I think. I am asking simply that Veregin be stopped when he arrives in Canada and forced to declare his policy. If he is determined to oppose the law, it becomes a question what should be done with him. Any way, power to deport him later if he does not obey the laws remains. If he is an educated and reasonable man he may be of great assistance to us."
Mr. Oliver will interview Hon. H. J. King this afternoon, and he will see Premier King later in the week.
NO SMALLPOX BAN
(Continued from Page 1.)
learning of the removal of the restriction on travel to the United States from Vancouver.
In Victoria to-day Publicity Commissioner George I. Warren received word of the lifting of the United States smallpox ban against Vancouver from Harold Cray of the Publicity Department of the Seattle Chamber of Commerce.
"Quarantine ordered off immediately," said the message.
The Victoria and Island Publicity Bureau and the Chamber of Commerce had been working with Vancouver to secure the lifting of the vaccination regulation as soon as possible in the view of the fact that it was considered there was no danger of an epidemic.
OFFICIAL NOTICE
Official notice in Victoria that the United States quarantine ban against Vancouver had been lifted

MAJOR MARTYN PRAISES EXHIBIT OF LOCAL GOODS

Commissioner Spoke at Home Products Fair on Growth of Local Industries

Major D. B. Martyn, Provincial Industrial Commissioner, was the leading speaker at the Home Products Fair last night, addressing an audience of several hundred citizens on the returns which follow popular support for local industries. Major Martyn was glad to see the large attendance at the Fair. He pointed out to the manufacturers that such interest should spur them on to greater efforts for quality and service. Speaking more particularly to the audience, Major Martyn said that the collection of exhibits showed the wide range of investments made in Victoria, in confidence that good quality and reasonable prices would be accorded a share of patronage and possibly a little favor as a local undertaking.
GAIN CIRCULATES
Major Martyn outlined the sequence of events following constant purchase of locally made products, showing that a vast increase in business and prosperity is possible, from a wide application of favor to home industries, in preference to sending local funds away for foreign goods or to other communities of Western Canada, the official records show that the percentage of failures and cessation of operations here is vastly lower than in any other city. He regarded this fact as assurance to the citizens that Victoria manufacturers put real quality into their goods, that being the only real factor making for permanence.
MANY NEW LINES
Major Martyn stated that no less than seven hundred differing lines of goods are made in British Columbia, this variety being twice as extensive as that produced in 1915. He urged a spirit of optimism as to the future of Victoria and the Pacific Coast, pointing out that much attention is being focused on British Columbia at this time by the financial leaders of Britain, the Eastern United States and the revived nations of Europe.

Relief Work Taken Over by Soviets

Moscow, April 23.—All active United States relief work in Russia, except in the Caucasus area, ceased yesterday with the withdrawal of the American Students' Relief Organization from Moscow.
Foreign relief assistance no longer is needed, the Soviet Government has declared, as the Government now believes itself able to administer to the needs of the special classes formerly aided by the American Students' Organization.
This decision by the Soviet Government does not affect the Near East Relief Organization, which is caring for many thousands of American orphans in the Caucasus. Nor will the decision alter the agricultural and industrial work conducted on a small scale by Quakers and Mennonites.

COMMITTED SUICIDE

Aberdeen, Wash., April 23.—Dependent on the life of Mrs. M. Kauffmann, sixty-six, Gray's Harbor pioneer, committed suicide by gas last night in his home here. He left a note directing the authorities about disposition of his property, which is said to be considerable.

Don't Hide Them With a Veil; Remove Them With Othine—Double Strength

This preparation for the removal of freckles is so successful in removing freckles and giving a clear, beautiful complexion that it is sold by all drug and department stores with a guarantee to refund the money if it fails.

Don't hide your freckles under a veil or waste time on lemon juice or cucumbers; get an ounce of Othine and remove them. Even the first few applications show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask for the double strength Othine. It is this that is so successful in removing freckles.

At all drug or department stores or by mail. Othine, P.O. Box 2816, Montreal, Canada. (Adv.)

GREAT NEW YORK OF FUTURE IS PICTURED

New York, April 22.—New York of fifty years hence will be a titanic city, stretching high, seventy-five miles long, fifty miles wide and with traffic moving through tubes, according to H. W. Corbett, president of the Architectural League of New York, who delivered an address before the Architectural and Allied Arts Exposition yesterday. People will be shot through tubes fifty miles long in thirty minutes, he prophesied.

Soviet Leaders Angry Terrorism Charged to Them

Moscow, April 22.—Much anger and resentment are manifested in the Soviet press and Government circles over statements circulated abroad fixing responsibility for the terrorism in Sofia in Moscow.

WOMEN'S KNITTED SUITS

Seventeen Only Women's Knitted Wool Suits, greatly reduced to clear Friday at the following prices: \$7.90, \$11.75, \$15.00 and \$19.00

The responsibility for the events in Sofia must be borne by Tsankoff's bloody Government itself, the statement adds, and calls upon the workers of the world to be ready to repulse the provocative policy of the Tsankoff Government.

IN WOMAN'S DOMAIN

MANY DELEGATES ATTEND SESSIONS OF PROVINCIAL I.O.D.E.

Mrs. David Miller of Victoria Presents Encouraging Report

Vancouver, April 23.—The twelfth annual session of the Provincial Chapter, I.O.D.E. of this Province, opened here this morning with Mrs. Albert E. Griffiths of Victoria in the chair. Delegates from many parts of British Columbia were present, and the reception committee included Mrs. Griffiths, president, and officers of the chapter, together with Mrs. O. L. Boynton, regent of Vancouver Municipal Chapter, and officers of that chapter.

Commencing with the registration of delegates, there followed the salutation to the flag and the National Anthem, with the I.O.D.E. prayer. Resolutions of loyalty to their Majesties, the King and Queen, were passed, and also to Lord and Lady Blyth. An address of welcome was followed by a reply, committees were appointed and announcements made. Minutes of the last annual meeting were followed by roll call.

SECRETARY'S REPORT

Reports to the various Municipal Chapter of Vancouver, Victoria, Chilliwack, Burnaby and Prince Rupert were followed this afternoon by the annual report of the Provincial Chapter, presented by Mrs. David Miller of Victoria.

This report said in part: "Our Municipal Chapters, of which we have five, and our isolated primaries, which number twenty-seven, have loyally upheld the traditions of the order. The total sum of \$1,525.25 paid in fees, shows a membership of 1,557. The Vancouver Municipal Chapter with twenty-nine primaries and four juniors under its aegis; Victoria with twelve primaries and four juniors; Chilliwack with four primaries; Burnaby with three primaries, and Prince Rupert with five primaries, and the twenty-seven isolated primaries with four junior chapters constitute the Imperial Order Daughters of the Empire in British Columbia to-day."

After recapitulating various matters of internal administration, the report continued: "The activities of the chapters have, to a great extent, concentrated their efforts to reduce our war memorial indebtedness, and we hope we are reaching our last lap in British Columbia, after which we may be allowed to devote our time and abilities to the objects which appeal to individual chapters."

The issue of patriotic calendars from the Education Department has been most favorably received by the Dominion at large, and Miss Gordon, the national education secretary, reports the sale of 900 copies of British Columbia standing fourth on the list, which stands as follows: Ontario, Saskatchewan, Alberta, British Columbia, Quebec, Prince Edward Island, New Brunswick, and Nova Scotia. The calendars are deservedly popular, being clearly printed and with memorial days and national holidays noted thereon, every page being headed by a patriotic imperial sentiment.

"Provincial Chapter reports that the lettering on the statue of H.M. Queen Victoria at Parliament Square, Victoria, has been accomplished, and now the dates specify the years of the reign of Her Most Gracious Majesty Queen Victoria."

Cedar Hill Club—The Cedar Hill Social Club will hold their usual weekly military 500 tournament on Thursday, April 23, in St. Luke's Parish Hall, Cedar Hill, at 8:30 p.m. The prize-winners last week were as follows: First table, twenty-five flags—Mrs. R. Brown, Mrs. H. Lester, Mr. R. Wells, Mr. J. McCormick; second table, twenty-five flags—Mrs. L. Osler, Mrs. Harper, Mr. W. Richardson, Mr. R. Brown, Mr. W. Richardson, Mr. S. Scutt.

SOCIAL AND PERSONAL

Alderman P. C. Gibben of Vancouver is a visitor in Victoria and is a guest at the Empress Hotel.

Lady Outram, who has been visiting in Victoria for some time, is at present a guest at Cherry Bank.

Mrs. Fred Robertson of Vancouver is spending a few days in Victoria and is a guest at Cherry Bank.

After visiting in Victoria for the past few days, Mrs. Coffin left yesterday afternoon for her home in Portland.

Mrs. Rocke Robertson, who was the guest of her aunt, Miss Elsie Brown, who has been visiting in Victoria, has returned to her home in Seattle.

Mrs. C. R. Mathews and Miss Marguerite Mathews of Lethbridge are visiting in Victoria and are guests at Cherry Bank.

Mr. Fred Forster of Vancouver was a visitor for the week-end at the home of his parents, 3433 Cook Street.

Mrs. Brown and Miss Kathleen Brown, who have been visiting in Victoria for the past few days, left yesterday for their home in Portland, Ore.

The members of the Sewing Circle of the Woman's Auxiliary of St. Joseph's Hospital were the guests of Mrs. M. A. Goward, St. James Street, yesterday afternoon.

Capt. and Mrs. Sutherland of Vancouver, accompanied by their daughter, Mrs. R. G. Edwards Leckie of Vancouver, are leaving shortly on an extended visit to England.

Mrs. R. E. Burnes of Victoria, who has been spending a few days in Victoria on business of the Grand Post of Native Daughters of British Columbia, of which she is secretary, returned to the city this morning.

Mr. and Mrs. Edward Cokingham, who were visitors in Victoria for the Easter-Cookingham wedding, left yesterday for Seattle, where they will spend a few days prior to returning by motor to their home in Portland.

Mr. Arthur S. Denny of Victoria was among the guests at the wedding in Vancouver on Tuesday evening of Miss Ida Logan Grant and Mr. Ernest Orval Coulter. Mr. and Mrs. Coulter are spending their honeymoon on Vancouver Island.

Miss Marjorie Leeming, who has been attending the University of B.C., Victoria, with twelve other students, returned to her home to-day for the Summer vacation. Miss Flora Musgrave, Royal Oak and Miss Betty Fuller, who are also students at the U.M.A., returned home yesterday afternoon, and Miss Nora Keay returned yesterday afternoon.

Colonel and Mrs. Charles Milne, who are visiting here from Los Angeles, will be at home on Helmecken Street for the final gathering of the season. Those present included Mrs. Carl Pendray, Mrs. Carol Jamieson, Mrs. T. M. McKinnon, Mrs. J. H. Taylor, Mrs. Savannah, Mrs. Emery, Mrs. Henry Humber, Mrs. J. F. Hall, Mrs. Stephen Jones, Mrs. J. E. B. Dickson and Mrs. J. Wood.

Mr. Allen S. Walker, accompanied by Mrs. Walker, who has been the guest of the Hon. the Lieutenant-Governor and Mrs. Nichol during their brief stay in Victoria, left last night for the mainland. To-day Mr. Walker will give an address at the Chapter, I.O.D.E. in honor of the delegates and officers of the Provincial Chapter, now in session in Vancouver.

Mr. and Mrs. H. F. Hewitt of Oak Bay, accompanied by the following members of St. Mary's parish, who recently put on the successful concert and sketch, "The Romance of a Slave Girl" at St. Mary's Hall went to James Island yesterday afternoon, where last evening they repeated the performance by request of the residents of the island: Mrs. Ashley Sparks, the Misses McDonald, Lorna Lewin, Rhona Gilmer, Dolly Spencer and Billy Mann.

Musical Club Show—At the music show, which the Ladies' Musical Club will hold at the home of Professor Russell, 45 Boyd Street, on Saturday afternoon in aid of the Y.W.C.A. library, a delightful programme will be given by the following: Mrs. Leonard James, Miss Dorothy Morton, Miss Kathleen Davis, Miss Elma Halpin, Mrs. Hargreaves and Capt. Crompton. Afternoon tea will be served, and admission will be by the contribution of a piece of music, or a small admission charge.

WOMEN PROTEST AT LATE DANCING HOURS

Want Them to Start and End Earlier in Nanaimo

Special to The Times

Nanaimo, April 23.—The late hour of closing dances in Nanaimo was the subject of a protest by Mrs. Barnard, chairman of the equal moral standing committee of the Local Council of Women in the course of an address at the regular meeting Monday. It appeared to be the general custom to close dances at a late hour, she complained, and she made a plea for the Local Council of Women to make an effort to obtain the assistance of service clubs and other organizations interested in the welfare of the community to have dances start and end earlier. A motion, which she presented at the meeting was carried, giving her committee consisting of Mrs. Irvine, Mrs. J. Wilson, Mrs. Jenson and Mrs. R. T. Wilson the power to take the matter up with the service clubs.

The sum of \$5 was voted towards the expense of Judge Helen McGill who will represent the West at the Quinquennial at Washington.

Resolutions of welcome followed the reading of the names of five delegates from the Orange Lily Lodge and the W.A. of the G.W.V.A. The meeting decided to hold a liac tea and home baking sale some time in May.

TAG DAY TO EQUIP PLAYGROUND TO PASTOR'S MEMORY

Appeal Saturday For Funds For Memorial to Rev. Wm. Stevenson

With the object of raising funds to create a memorial playground for children to perpetuate the memory of the late Rev. William Stevenson, a tag day will be held in the city on Saturday when it is hoped the public will respond generously.

For some time the question of a memorial to Mr. Stevenson has been under consideration and after many meetings it was finally decided that nothing would be more to the liking of the late pastor of the Emmanuel Baptist Church or would be more in keeping with the tenets of his life than the provision of a suitable playground for the children of the neighborhood in which he lived for so long. Throughout the whole of his life, Mr. Stevenson made the cause of the children his first thought, making many sacrifices in order to help any and all who were sick or suffering or in need, and he worked long and earnestly in the endeavor to supply proper recreational facilities for the young people.

Saturday's proceeds will be devoted to the preparation and equipment of the recently cleared space at Spring Ridge as a memorial playground.

With the object of enlisting taggers, the promoters will hold a meeting at the City Hall to-morrow night at 7:30 o'clock. Any boys or girls willing to serve in that capacity should attend the meeting. Five hundred taggers are wanted.

Refreshments will be served during the day to all taking part in the tagging.

Anyone willing to assist with this cause is requested to communicate with Mrs. H. W. Graves, 4241 B. or Alderman E. S. Woodward at the Community Church or City Hall.

Concert at Sun Room—A delightful and highly appreciated concert was given in the sun room, Jubilee Hospital on Tuesday, April 21, the occasion being the usual monthly visit of the Victoria Women's Institute to the patients in the Tubercular Ward. The following artists took part in the programme: Vocal soloist, Mrs. Wm. Grant, Mrs. C. Kahley, Mr. J. Pettie and Master Douglas Hodgson; pianoforte duet, Miss A. Anderson and Miss W. Cathcart. Mr. G. N. Hodgson acted as accompanist and the recitations given by Mr. J. Walker were greatly enjoyed.

The Gordon Head Women's Institute will hold a musical tea at the Gordon Head Hall on Wednesday afternoon from 3 to 5:30, April 29, the proceeds to be given in aid of the Y.W.C.A. building fund. A cordial invitation is extended to all interested.

POPULAR COUPLE WEDDED YESTERDAY

Cathedral Ceremony Unites Miss Marjorie Tripp and Thos. Jacklin

At Christ Church Cathedral yesterday at 1:45 a pretty ceremony united in marriage Marjorie Alfreda, youngest daughter of Mr. and Mrs. Alfred Tripp of Niagara Street, and granddaughter of the late Capt. Robertson and Mrs. Robertson of Vancouver, and Thomas Alfred Jacklin, eldest son of Mr. and Mrs. Thomas Jacklin of Oak Bay. The Dean of Columbia performed the ceremony in the presence of a number of friends and relatives of the young couple.

The bride was given in marriage by her father and looked radiant in her Paris model gown of lustrous ivory satin with overtones of georgette embroidered in pearls. She wore the conventional tulle veil and carried a bouquet of carantons and lilies. Her only ornament was a string of pearls, the gift of the bridegroom. Miss Margaret Cave, who acted as bridesmaid, was prettily gowned in orchid taffeta, and becoming hat of the same shade, and carried a bouquet of palest pink carantons and snapdragons. Mr. George Ford supported the bridegroom.

After the ceremony a reception was held at the home of the bride's parents. The rooms, together with the daintily-appointed buffet, were prettily arranged with masses of Spring flowers—in yellow and white. Mrs. Tripp, mother of the bride, was assisted in receiving the guests by her sister, Mrs. Douglas Robertson, and her cousin, Mrs. Alex. Monteith. The many beautiful wedding presents received by the young couple included a handsome silver tea service from the long distance staff of the B.C. Telephone Company, of which the bride was a popular member, also a beautiful mahogany clock and silver-tee service from the bridegroom's associates in the Lands and Public Works Department of the Provincial Civil Service.

Mr. and Mrs. Jacklin left for a honeymoon in Portland, the bride traveling in an ensemble suit of midnight blue trimmed with Oriental colorings, and a hat to tone. On their return they will make their home in Oak Bay.

Burnside Bowling Club Aided by Sale of Work

"A bowling green is a community improvement worth the effort to establish, and we are co-operating with the men to that end. The Burnside ladies are anxious to see the Men's Club reach the position where it will be warranted in erecting a club house that will be of service, not only to bowlers, but to all other organizations in the district," said Mrs. George Vallance, who in the absence of Mrs. Robert Macdonald yesterday declared the sale of work open to visitors.

The ladies assisting at the sale of work yesterday afternoon were: Mrs. F. J. Byng and Mrs. J. M. Boyd, afternoon teas; Mrs. A. Hallam and Mrs. P. Hale, home-cooking; Mrs. R. Huddleston and Mrs. A. Pass, apron

SAANICH

A meeting of the South Saanich Ladies' Guild was held at the home of Mrs. A. Guy, Clark Avenue, Brentwood Bay, on Wednesday, April 22. Twelve members were present. Final arrangements were made for the forthcoming dance to be held at the Institute Hall on May 1. Tickets are for sale by a number of the ladies. The hall will be decorated on Thursday afternoon with Spring flowers, etc. Tables for cards will be placed upon the stage. A committee was appointed to take charge of the refreshments, also a booth for home-made candy and lemonade. At the close of the meeting Mrs. Guy entertained the ladies to tea. The next meeting will be held at the vicarage on Wednesday, May 6.

Beauty

A Gleamy Mass of Hair

35c "Danderine" does Wonders for Any Girl's Hair

Girls! Try this! When combing and dressing your hair, just moisten your hair-brush with a little "Danderine" and brush it through your hair. The effect is startling! You can do your hair up immediately and it will appear twice as thick and sparkling with life and possessing that incomparable softness, freshness and luxuriance. "Danderine" is also toning and stimulating—each single hair to grow thick, long and strong. Hair stops falling out and dandruff disappears. Get a bottle of "Danderine" at any drug or toilet counter and just see how healthy and youthful your hair appears after this delightful, refreshing dressing. (Adv.)

CHARGES FOR PRINCESS TO OPERATE MAY 1 STARBUCK BELLINGHAM SERVICE TO VANCOUVER ISLAND

Delegation From Vancouver to Ottawa Met With Scant Success; Get Promise

Vancouver, April 22.—A. M. Dollar, a member of the Vancouver Board of Trade delegation which waited upon the authorities at Ottawa recently, addressing a meeting here Tuesday night, reported on the mission regarding revision of port warden's charges along the lines set forth by a special committee of the board some time ago, and which had met with refusal in Ottawa.

Mr. Johnson had also stated that owing to lack of an appropriation for funds it would be impossible for his department to make a hydrographic survey of the coast of Vancouver Island or undertake any more survey work than was at present being done on inside channels.

Little success was obtained in the requests for support to have sick mariners' dues reduced in British Columbia. The subject was discussed with Mr. Robb, manager of the Shipping Federation of Canada, who favored complete abolition of the charge, with Hon. H. S. Beland, who stated that if the charges were increased, there might be an increase in the number of assessments per year on each ship.

Free State Outlay Last Year Irish Revenue Was \$23,303,500, Finance Minister States

Army Cost For Year Cut From £10,500,000 to £3,000,000; Income Tax Cut

Dublin, April 22.—The introduction in the Daily Express of Government's budget statement created exceptional interest on the part of the public.

Finance Minister Blythe announced that the estimated expenditures of the Government during next year would be £30,128,990, while the yield of last year's tax revenue was £23,303,500.

Mr. Blythe said a shilling reduction in the income tax would bring the Free State tax expenditure under the British level, but that Winston Churchill, however, the Exchequer, expected to reduce the British tax sixpence, which would leave the British and Irish income tax rates equal.

The Minister, during his address, announced that beginning next Autumn, a factory would be established in the Free State for the manufacture of best sugar.

Among the interesting points in the Minister's statement which were received with unanimous favor by the House were that the army this year would cost approximately £2,000,000, as against £10,500,000 last year, and that army expenditures eventually would fall to about £2,000,000.

Dr. Blythe explained that, although fighting had ceased, arms had not yet been surrendered, and this fact necessitated the maintenance of a force above normal strength.

San Francisco, April 22.—Battalion Chief John P. Kearny was severely injured and six other firemen slightly hurt in a fire here today. Two logging houses and an automobile supply store were burned, with a loss of \$30,000 to \$40,000.

Queen's First Game Kingston, Ont., April 22.—It is announced by Queen's Athletic Board that the first rugby game of the season will be played on September 25, when Queen's senior team play Montreal A.A.A. in Montreal.

Firemen Hurt Oakland, Cal., April 22.—Tod Morgan of Vallejo, claimant of the Pacific Coast featherweight championship, and Stewart McLean of St. Paul, fought a fast ten-round draw here last night. The St. Paul boxer was dropped for a no-count in the fourth.

Snow in Oregon Klamath Falls, Ore., April 22.—A driving snowstorm, far more severe than the others which have descended upon Klamath since the close of the winter, blew in from the Northwest early today and was still raging this morning.

Stomach Gas Don't waste time taking pills or tablets for gas on the stomach when simple stomachic herbs, made from ginger, cardamom, etc., as mixed in Adierka, removes gas in TEN minutes.

FOR PRINCESS TO OPERATE MAY 1 STARBUCK BELLINGHAM SERVICE TO VANCOUVER ISLAND

Another Link With Mainland to Bring Tourist Travel Here; Sidney, Nanaimo and Victoria Soon to Receive First of Swarming Motorists; Schedule for C. P. R. Ships Made Public To-day

On May 1 the Motor Princess will transport her first automobiles from Bellingham to Sidney, and the tourist season will then be under way in earnest. The Canadian Pacific boat will operate during May and June on a single trip schedule daily, but from June 30 to September 8 will give a double daily service.

On May 1 the Motor Princess will leave Sidney on her inaugural run at 10:30 o'clock in the morning. She will arrive at Bellingham at 1:45 p.m., where she will be given the usual welcome which heralds the opening of the Summer tourist season and an era of brisk business and added prosperity for the cities and towns of the Pacific Northwest.

When the rush commences, and space is crowded on the Motor Princess she will start upon her double schedule on June 30. At 7 a.m. she will leave Bellingham. At 10:30 she will arrive at Sidney, switching to Bellingham as a part of first daily sailing.

Between Nanaimo and Vancouver a double daily service will be maintained by the Princess Patricia, except that on Sunday this ship will have a double daily service. She, too, operates between Nanaimo and Vancouver.

With the heavy influx of cars anticipated through Nanaimo from Vancouver, the main stream of automobile traffic will be southbound on the Island Highway. From Port Angeles on the ferry boat Olympic and the Canadian Pacific steamship from Vancouver and Seattle, another stream will be started through Victoria northbound.

SURVEYOR CHOSEN FOR PORT DUTIES

Robert E. Webb of the Dominion Customs Department has been appointed Measuring Surveyor of Shipping for the port of Victoria, according to an official announcement made this morning.

GOVERNMENT AGREES ON WATERWAY ISSUE

Washington, April 22.—Final agreement between the United States and Canadian Governments on matters to be given the joint engineering board charged with responsibility for developing the Lawrence River waterway project, was announced yesterday.

Pacific Mail May Continue Attempt To Block Selling

Washington, April 22.—The final order dismissing the Pacific Mail Steamship Company for an injunction against the Shipping Board was signed today in the Supreme Court of the District of Columbia.

BRITISH YOUTHS COME TO CANADA

London, April 22 (Canadian Press Cable).—Twenty-four boys, the majority of whom belong to London, sailed on the steamship Minnedosa for Canada to take up farm work in the Western provinces.

They are receiving free passage to the Dominion from the Colonization Association, and they have promised to remain in the situations which have been found for them until they are eighteen years old.

WOMAN OF CALGARY CLAIMS BIG ESTATE

Mrs. Saunders, Eighty-five, Asks Much of \$800,000,000 New York Property

Calgary, April 22.—Mrs. Annie Saunders of Winnipeg, aged eighty-five, claims to be the chief heir to the estate left by Robert Edwards, former New York City and said to be worth \$800,000,000, it became known here today.

Late Robert Edwards Owned Land in Heart of Great United States City

Calgary, April 22.—Mrs. Annie Saunders of Winnipeg, aged eighty-five, claims to be the chief heir to the estate left by Robert Edwards, former New York City and said to be worth \$800,000,000, it became known here today.

FRENCH LEADERS ARE TO VISIT LONDON

Paris, April 22.—The Matin says Foreign Minister Briand, and perhaps also Premier Poincaré, will go to London on an early date in consultation with the British Government as to the best way of continuing the negotiations.

Threat Was Poor Attempt at Joke, Says B.C. Premier

Ottawa, April 22.—"Simply a practical joke by someone who imagines he is a humorist," Premier Oliver replied today when newspaper correspondents asked him about that threat against his life which he received apparently from Doukhobors before leaving Victoria for the East.

PARIS MARU TAKES WHEN TRIP HERE

New Vessel Was Previously in European Service; Her Arrival Marks New Policy

At 1 o'clock this afternoon the Paris Maru, newest of the steamships on the Osaka Shosen Kaisha's Pacific fleet, completed her maiden voyage to this port when she reached quarantine station at William Head, prior to berthing at the Rithet piers.

The Paris Maru had 102 tons for Victoria and a valuable milk cargo for discharge at Seattle. There is also Vancouver and Tacoma freight aboard her.

RAIFUKU TRAGEDY

HAD LIFEBOAT READY

"A lifeboat was made ready for lower than the Homerick, but there was not a chance to launch it, as heavy waves kept following each other in rapid succession."

DAUGHTER OF BROTHER

Mrs. Saunders bases her claim to the major portion of the vast estate on the fact that her father, Thomas Edwards of Watford, Ontario, was a brother of Robert Edwards, her late husband.

STATEMENT BY CAPTAIN

Captain Roberts made the following statement to reporters who gathered in his cabin on the liner when he was asked to give a statement.

ON BEAM ENDS

"At 1:35 a.m. we sighted the Raifuku Maru, our course was altered toward the position given in the message, 111 miles distant. Speed was increased to the maximum, 15 knots in the prevailing weather. The wind was north-northeast, with a strong gale and high sea.

COULD SEE KEEL

"As the Homerick got abreast of the Raifuku Maru's stern, efforts were made to turn so as to approach the Raifuku Maru's bow, in accordance with the hearing of the Japanese steamer found by wireless direction finders.

WIND INCREASED

"The Homerick again closed on the floating wreckage, but no raft or anything to support life in that territory was seen. The gale increased in force, and the Homerick's crew and passengers were ordered to take shelter in their quarters.

ALL EAGER TO TALK

All the Homerick's passengers were eager to tell of the disaster. Some expressed anger, while others highly commended the manner of the captain in handling the situation.

2,000,000 BUSHELS OF GRAIN DESTROYED

Man and Woman Missing After Chicago Fire; Loss Put at \$2,250,000

Chicago, April 22.—More than 2,000,000 bushels of corn and oats belonging to the Grain Marketing Corporation were destroyed in a fire here which started shortly before midnight, burning two wooden elevators and threatening an industrial section on the South Side before it was subdued early today.

Chicago, April 22.—Possible incendiaries in the fire which destroyed two grain elevators under lease to the Grain Marketing Corporation, with an estimated loss at \$2,250,000, and a blaze which caused damage of \$160,000 or more to the Hibbard, Spencer, Bartlett & Company building, was under investigation today.

Walter Johnson Turns Yanks Back Without Trouble

Veteran Hurler Performs Before Home Fans in Great Style; Shocker Hopeless

Giants Lucky to Beat Phillies; Collins' White Sox Win Over Detroit

New York, April 23.—The New York Yankees are in trouble because they ventured out upon the base paths in Washington.

Walter Johnson, world series hero, allowed seven of them to hit safely yesterday, but only one managed to score and the Senators won easily 10-1.

Urban Shocker, starting his second contest for his new mates, fell victim to a barrage in the fifth and crawled out from under it in distress.

Meanwhile Joe Bush, who replaced Shocker in the Yankee-Browns deal of the past winter, won his first game in three starts for St. Louis by outlasting Sherrod Smith of Cleveland.

Bush's double had much to do with the Browns' three to two victory.

Eddie Collins, introducing himself to the home fans, as manager of the Chicago White Sox, stepped on the Detroit Tigers for a 3-1 victory.

Philadelphia's contest with the Red Sox, six to five in eleven innings, was featured by the relief hurling of Rube Walberg.

Three errors in the ninth inning gave the Giants a six to five victory over Boston at the Polo Grounds.

Manager Bancroft allowing the winning run by missing a ground ball with a double play is sight.

Johnny Morrison pitched brilliantly and Pittsburgh beat the Chicago Cubs.

By amassing eleven runs in the first inning, in a weird display the St. Louis Cardinals beat Cincinnati with ease.

Grimes, of Brooklyn, almost beat Philadelphia, but the Phillies by numerous double plays won 8-7.

Washington, April 23.—President Coolidge tossed out the first ball to open the Washington season yesterday.

Philadelphia's contest with the Red Sox, six to five in eleven innings, was featured by the relief hurling of Rube Walberg.

Three errors in the ninth inning gave the Giants a six to five victory over Boston at the Polo Grounds.

Loses His First Flight In States

EDOUARD MASCART

Cleveland, Ohio, April 23.—Edouard Mascart, European featherweight champion, making his American debut here last night, lost to Al Corbett.

Mascart had taken only one round, the third, when he forced Corbett to the ninth of a scheduled twelve-round bout on a foul.

Mascart rushed from his corner in the ninth and planted lefts and rights to the body and head, his best offensive effort up to this time.

He then hit the local boxer low three times during infighting and before the referee could intervene Corbett was on his right knee.

Both boxers weighed in under the featherweight limit of 125 pounds.

Mascart was outboxed and outpunched by Corbett in almost every round but the third.

It was the first foul awarded by Hinkel in his forty years experience as a referee.

Cleveland, Ohio, April 23.—Al Corbett, Cleveland, to-day claimed the European featherweight championship.

His claims are based on his having been declared a winner over Edouard Mascart of France, in the ninth round of their scheduled twelve-round bout here last night.

Mascart had hit Corbett low three times in rapid succession and Referee Matt Hinkel awarded Corbett the decision on a foul.

Mascart was outboxed and outpunched by Corbett in almost every round but the third.

It was the first foul awarded by Hinkel in his forty years experience as a referee.

Duncan Golf Special to The Times

Duncan, April 23.—The semi-finals in the Robinson Cup competition, played on the Duncan Golf Links, have been reached.

FAMOUS TENNIS COMBINE SUBDUED

Bill Johnston

Tennis's triumphant tyranny—the Tilden-Johnston combine—has at last been subdued.

BETTER THAN WILDING, BROOKES

The tennis fraternity has never known a pair of racketeers who could compare with Tilden and Johnston, all things considered.

GREATEST PAIR IN GAME

The Tilden-Johnston duo has long been the outstanding one in the pastime.

Victoria May See English Net Stars Play Here in August

Vancouver, B.C., April 23.—Vancouver's tennis fraternity are keen to see the British women's team which is coming to this continent to take part in the Wightman cup competition against the United States.

COAST LEAGUE BALL

Los Angeles, April 23.—Salt Lake evened the series with Los Angeles here yesterday, winning 4-2 when Singleton held the Angels to five scattered hits.

SEATTLE WINS OPENER

Seattle, April 23.—Seattle, champions of the Pacific Coast League, opened their 1925 home season here yesterday by slugging three Vernon pitchers for two home runs, five doubles and eleven singles, winning 15 to 1.

Pigeon Fanciers Are Preparing For Busy Season

Season's Races Drafted and Birds Start Flying From Tacoma Saturday

Victoria Birdmen to Make Big Effort to Win Provincial Derby From Sissons

Pigeon fanciers are fussing over their birds once more getting them ready for the opening race of the season, which is to be held on April 25 from Tacoma, Wash.

The bird men are looking forward to a great year. They held their annual meeting recently and elected T. Crossman as president.

OFFICERS ELECTED

The officers of the Victoria Racing Pigeon Club are as follows: Honorary president, Mayor Carl Fenwick; honorary vice-president, Reeve Anacombe of Oak Bay; Reeve McNichol of Saanich, J. L. Tait, W. Fedan, D. Spender and Maxnard, W. R. Tall, of 2439 Belmont Avenue, is the secretary and J. W. Bland the treasurer.

MUST GET ENTRIES

Fanciers are reminded that entries for the Provincial Derby close on May 1 and they are advised to check out their birds and send in their entries immediately.

Macaulay Golfers To Start Play For Club Championship

Play for the club championship of the Macaulay Club Golf Club will open on Sunday when the qualifying round will be played.

Narmi Agrees to Run Against Indian Team of Undeclared Stars

Albuquerque, N.M., April 23.—Paavo Narmi, the Finnish runner who will match his skill against six picked runners of the Hopi and Zuni Indian tribes, in Albuquerque on May 7, it was announced yesterday.

John Caven is New Secretary of Golf Club at Uplands

At a meeting of the directors of the Uplands Golf Club this week the position of secretary was filled by appointing John Caven.

AN EARLY KNOCKOUT

Woodstock, N.B., April 23.—Billy Groff, Winnipeg lightweight, knocked out Billy Roy, of Woodstock, in the first part of the second round of their bout here last night.

Baseball Meeting

A special meeting of the Victoria Amateur Baseball League will be held to-night at 8 o'clock in Room 602, Belmont Building.

AT THE THEATRES

"NEVER SAY DIE" HILARIOUS COMEDY NOW AT COLUMBIA

Douglas MacLean is at the Columbia Theatre in the greatest comedy triumph of his career. "Never Say Die," his latest screen triumph, is an adaptation of one of Willie Collier's greatest stage successes, a piece which kept Broadway laughing for a year and also played for three successive seasons on the road.

AT THE THEATRES

Columbia—"Never Say Die." Capitol—"Gerald Cranston's Lady." Coliseum—"Locked Doors." Dominion—"Seven Chances." Playhouse—"And This is London."

This killer and a host of other difficulties form the basis of the plot. His final attempt to escape his pursuers in a dilapidated hackney-cab is said to be about the funniest scene ever woven into a motion picture comedy.

SYNCOPIATORS GIVE SPECIAL MUSIC AT DOMINION THEATRE

Wall Street

TO-DAY

Last Minute News on Stocks and Financial Affairs
New York, April 23 (By R. P. Clark and Company).—After a fairly irregular, quiet confidence characterizing the behavior of the general stock list, while many new highs were recorded by several specialties in the afternoon session.

The rail department gave a good account of itself, though as a group were influenced by the general price trend. Featured in the news affecting this group was the Southern Pacific March earnings figures, which were of a favorable interpretation.

Oil shares showed an advancing tendency early in the face of more unfavorable figures from the Smack-over field, though this group is showing increasing oil consumption.

Loss activity in the industrial group, with an early sagging tendency which was recovered in good part in the afternoon indicated a desire to await the Bethlehem Steel first quarter report, which is due for publication after close of market.

Morning showed a generally improved tone with Mack Truck in demand in heavy sales. We believe that a quiet accumulation of stocks had been going on during recent setbacks and the market is now an inflexible factor shortly.

New York, April 23 (By R. C. Bond Corporation's Direct Wall Street Wire).—The Wall Street Journal's stock market edition to-day says: Stocks were fairly firm during the early hours of dealings with representative leaders displaying uniform strength.

In the late afternoon, however, indications that the general list was on firmer ground was afforded in the action of pivots whose advance tendencies demonstrated that the bearish element had to bid up prices.

America Sumatra broke badly, the preferred dropping from 24 to 23 between sales and the common from 10 1/2 to 7 on light trades. This weakness reflected the announcement that no satisfactory arrangement had been evolved by the company which has been working several months in an effort to take care of the \$2,750,000 7 1/2 per cent. gold notes which mature June 1.

Coppers were strengthened by the announcement that Anaconda would shortly put into effect a curtailment in production. Anaconda has been producing around 25,000,000 pounds monthly.

Table of retail market prices for various commodities like flour, sugar, and other goods.

WHEAT MARKETS LOWER ON RAINS

Winnipeg, April 23.—Despite stubborn opposition wheat prices to-day were forced to lower levels, due principally to the lack of foreign demand although improved weather conditions throughout the drought-stricken area in the winter wheat belt, influenced the downturn.

Liberal offerings during the early part of the session imparted decided weakness and while the market rallied from time to time, bear traders forced the market near the finish.

Winnipeg, April 23 (By R. P. Clark and Company).—Wheat: Disappointing cables, little or no export business with perhaps improved conditions in winter wheat territory and scattered rains, combined to give our market a rather heavy appearance to-day, and although the market rallied around the noon hour due to strength being shown at Chicago, the bulge was difficult to hold, and final figures showed a loss of 2 1/2 cents.

Course grain: There was a fair class of buying in oats against overnight export acceptance, and prices receded a big advance of nearly three cents due to switching of hedges, shorts who had hedged the lower grades, buying the May and selling the June.

Winnipeg, April 23 (By R. C. Bond Corporation's direct pit wire).—Heavy rains in the winter wheat belt brought lower opening, but local market met with good support on scale down and acted fairly firm at all times.

Flour, all standard grades, 40c to 41c. Flour, best, 42c to 43c. Flour, extra, 44c to 45c.

WHEAT EXPORT TOTALS BULLISH

Chicago, April 23 (By R. P. Clark and Company).—Wheat traders were friendly to the buying side, especially to the crop deliveries, as export reports are too spotted and uncertain in the southwest unless rain comes at once.

Exports of wheat and flour for nine months from the United States are about equal to forecasts made early in the season by the bull leaders.

Reports of a cereal famine in Russia, with that country inquiring for wheat created a belief that Russia will make liberal purchases of wheat and eye wheat is in more favorable and is likely to be an important factor in the market.

New investment buying of wheat was better and there was improvement in foreign purchases. Eastern millers were good buyers of wheat in Duluth. There was fair commission house buying of corn at times, on mail to strong decided snip.

WHEAT EXPORT TOTALS BULLISH

Chicago, April 23 (By R. P. Clark and Company).—Wheat traders were friendly to the buying side, especially to the crop deliveries, as export reports are too spotted and uncertain in the southwest unless rain comes at once.

Dated this 5th day of April, 1925.
STONEY MORTIMER, Applicant.

28,000 WORKERS IN KRUPP PLANT NOW

Locomotives, Farm Implements and Surgical Instruments Made at Essen

INTELLIGENT—This monkey is 18 months old and is said to have the intelligence of a five-year-old human. Here you see him sping man. And that proves that he is possessed of no extraordinary intelligence. Note the patent leather shoes which burn his feet, the outlandish white spats, the collar that chokes him and the hat that acts as an oven on the head. This anthropoid is Joe Mendt, a chimpanzee, now on his way to London where a noted doctor will point to him as proof that man is descended from monkey. If he is then wearing these togs, the word "descended" will take on a double meaning.

BUSINESS DRIVES FAR-FAMED DIANA FROM LOFTY PERCH

New York, April 23.—Madison Square Garden, scene of the last Democratic National Convention, a landmark since 1878, will pass out of the picture early in May. Wreckers then will lay jack, adze and crowbar to what is probably New York's most widely known institution to make way for the new twenty-eight-story home of the New York Life Insurance Company.

The towered arena, surmounted by forlorn Diana drawing strings bow against the north wind, will be reduced to rubble in a few months.

Madison Square Garden—there have been two buildings—was originally the abandoned passenger station of the old Harlem Railroad. Harlem trains from Albany in the late '40s were towed there, down Fourth Avenue from Forty-second Street, because steam-power in the heart of the city was deemed unsafe.

Commodore Vanderbilt captured the Harlem line and subordinated it to his own Hudson River Railroad. The Harlem station was closed when he opened the Grand Central Station farther north.

BARNUM HAD LEASE
 P. T. Barnum, with a showman's eye, saw the possibilities of the deserted trainshed. It covered thirty-two city lots, the largest enclosure in Manhattan, and he leased it for his circus, opening its long career as a concourse for athletic meets, monster concerts and horseshows. It was also known under its present name from then on, save for four years as "Gilmore's Garden" during a tenancy of the bandmaster.

The trainshed was replaced by the present structure in 1889. The new building was designed by Stanford White, who more than a decade later was shot there by Harry K. Thaw. It was financed by a syndicate comprising J. Pierpont Morgan, D. O. Mills and other leading spirits in the Horse Show Association. It was formally opened before 17,000 people on June 16, 1890, with Edward Strunas

Wife Spends Enough For Herself and Her Husband

New Haven, Conn., April 23.—"Idle-ness is the worst of all sins," declared the Very Rev. William Ralph Inge, Dean of St. Paul's Cathedral, London, to an assemblage of clergymen and divinity students at his second lecture of the day before the sixteenth annual convocation of the Yale Divinity School here yesterday.

Dean Inge made several references in his second lecture of the day of modern problems and to business men that evoked laughter from his distinguished audience.

"If the American millionaire," he said, "generally stunts in spending, you will pardon me if I observe that his wife spends enough for the two of them."

QUEER COMBINATION
 He defined the twentieth century financier during a discussion of Calvinism as follows:

"The modern business man is a queer combination of a man who spends his time working for money and is prevented from enjoying it by his conscientious scruples."

GAILLAUX TOOK SEAT IN FRENCH SENATE

Paris, April 23.—On the fifth anniversary of the day the Senate sitting as a high court, deprived him of his civil rights and banished him from Paris for war-time commerce with the enemy, Joseph Gaillaux made his re-entry into the Senate chamber to-day as Minister of Finance.

The Senators present when the session opened did not appear to see him enter.

The expected hostile demonstration from the Conservative and Moderate benches failed to materialize. The Senate went on with the debate on the articles of the budget, while M. Gaillaux scratched his bald head, exchanged a few words with Foreign Minister Briand, who sat beside him and from time to time gave indications that he was very much bored.

Prince's Warship Crosses Equator

On Board the Battleship Repulse, April 23.—The Repulse, bearing the Prince of Wales on his South African and South American cruises, was halted last night beneath an almost starless sky to receive Neptune's protests against her crossing the Equator.

Neptune's part was taken by a lieutenant-commander, attired in robes reminiscent of those worn by the African chieftains received by the Prince during his stay in Nigeria, and he was accompanied by a green-clad "Daughter of the Sea," who is being presented to the Prince to-day.

Nine hundred noivies (those who have never crossed the Equator before) are to be received into Neptune's realm.

Reports Denied by Yugoslav Officials

Belgrade, April 23.—The Yugoslav Government has issued a note vehemently protesting against reports regarding Yugoslavia, which it claims have been disseminated from Bulgarian centres. The note says these reports are to the effect that a campaign of terror is being carried on in Bulgaria with a view to provoking disorders and civil war so as to permit the army of our western neighbors, that is to say, Yugoslavia, to pass the frontier and occupy Bulgaria.

The note affirms that Yugoslavia always has maintained the best relations with Bulgaria, "notwithstanding raids of brigands from Bulgaria, prepared for under the eyes of officials of Bulgaria."

Railroad Grouping Plan in the U.S.

New York, April 23.—Tentative plans for a fifth trunk line railroad in the Eastern United States to be built around the Delaware and Hudson, have been outlined by L. F. Loree, president of the company, to the Interstate Commerce Commission, it was learned to-day. As a counter-proposal to the regrouping plans originally drafted by the "Big Four" Mr. Loree suggests that a supplementary system be formed to include, in addition to the Delaware and Hudson, the Lehigh Valley, Lackawanna, Henry Ford's railroad, the Detroit, Toledo and Ironton, the Wabash, Bessemer and Lake Erie; Buffalo, Rochester and Pittsburg; and the Western Maryland and Virginian, which has just entered into a lease arrangement with the Norfolk and Western.

YPRES CELEBRATION
 Ottawa, April 23.—Survivors of the "First Thirty Thousand," the Red Chevron Association, celebrated the tenth anniversary of the Second Battle of Ypres at a banquet here last night.

A doctor engaged a boy from a Canadian school for service in his house, and the boy began his career by announcing a patient as "Johnson," repeating the name as the owner had given it.

When the doctor sharply ordered his boy to use the prefix "Mr.," he said, "Please, sir, I didn't know he was married."

ESSEN, GERMANY, APRIL 23.—Quantity production three years ago of battleship turrets and rapid-fire guns was a feature of the work here of the firm of Friedrich Krupp, once the symbol throughout the world of armament manufacture.

To-day this organization is making artificial teeth and surgical instruments. Swords, or their more hideous modern successors, the "Big Bertha" cannon, have literally been beaten into ploughshares. The Krupps now turn out agricultural machinery, railway engines, automobile trucks, merchant ships, steel bridges, and a thousand and one smaller things. Artificial teeth and surgical instruments are but two of the many minor articles manufactured in what was once a formidable armament plant.

SAME ENGINEERS

A striking feature of the transformation is the fact that the changes have come about without change of technical engineers or skilled workers. In fact, one reason for turning into such activities as watch and clock making, moving picture manufacturing, and the construction of delicate mechanisms for optical and microscopical instruments was the consideration that a large staff of skilled workers and engineers used to be engaged in perfecting the delicate mechanisms of rapid-firing guns and the like. These men, after the war, were compelled to turn from inventing and constructing engines of death to devising machinery for the advancement of civilization. Thus new types of turbine engines are being evolved. Diesel motors are being used in the construction of steel are being experimented with.

GREAT AREA
 The area covered by the various buildings of the Krupp plant is almost 300 acres. The private railway which connects the various sections with each other extends five miles from one end of the plant to the other. The largest of the buildings devoted to locomotive construction, covers an area of 800,000 square feet and has a frontage of 1,440 feet. The four hydraulic presses for compressing blocks of steel exert a pressure of 4,000 tons each. Some of the smelters employed for bringing high grade steel to the melting point have a capacity up to ninety tons each.

The plant is equipped to employ 115,000 men. That was the figure reached during the peak of war-time production, and applies to Essen alone. If one adds other plants at Kiel and in the Ruhr valley, the Krupps can furnish employment to 150,000 men.

READJUSTMENT PERIOD
 As a matter of fact, however, only 25,000 workers are now on the payroll. The Krupps are going through the same readjustment which great numbers of firms in Germany and elsewhere had to face when the war was over. Before the war they were doing a thriving business with 28,000 men employed. If they can get back to the pre-war footing they will probably consider themselves lucky.

The impression made by the Krupp works to-day is a rather desolate one. Only in the department devoted to the construction of agricultural machinery does the place seem really busy. The railway locomotive construction department, for instance, is equipped to turn out one locomotive each working day, or about 300 a year. At present it has orders for only twenty German locomotives, and a small number of wood-burning engines intended for Brazil. Ship construction is at a low ebb, as the world generally is overstocked with ships.

FARM MACHINERY

As far as the agricultural machinery department is concerned, its present orders are largely of Russian origin. It will be remembered that in 1921 the Krupp concern signed an agreement with the Russian Soviet Government by which 67,500 acres of rich soil in the Don region of Russia are to be cultivated under the auspices of the Krupps. The Krupps have undertaken to put into the venture all the most modern agricultural machinery necessary, and to develop the region into one vast model farm.

It is understood this Russian venture lies outside of the usual activities of the Krupps, which have strictly limited themselves thus far to production within the German Reich, and have only exported articles that could be manufactured on German soil in their own plants.

If the Krupps nevertheless embarked upon a new policy, this was obviously done in the hope that Russia may yet prove the richest export field for German industry. Whether the hope will be justified, remains to be seen.

BRINGING UP FATHER

New York, April 23.—Frank R. Noyes of The Washington Star was re-elected president of the Associated Press at the board of directors' meeting yesterday. Melville E. Stone is again secretary.

After Crash Two Went to Hospital

Vancouver, April 23.—Charged with driving his automobile to the common danger, Flight Lieut. A. L. Morfee, of the Royal Canadian Air Force station, a pilot at Jericho Beach, was arrested last night, following a collision at a West End street corner. Morfee and W. E. Mouldy, Port Coquitlam, driver of the other car, both suffered injuries in the crash, Mouldy being taken to a hospital for treatment of injuries to his left arm. After being booked at police head-

Boy Put a Snake In Man's House

Vancouver, April 23.—When a Grandview resident heard his letter box click last night he went to the door and was confronted by a writhing snake which had been thrust through the aperture. Hurrying out, he caught a boy, who had inserted the snake, and handed him over to the police for admonishment.

SAANICH STRAWBERRY GROWERS ADHERE TO CONTRACT WITH MUTUAL

Full Confidence in Management Voted by Big Association Meeting at Keating After Stormy Debate.

The Saanich Fruitgrowers' Association last night finally closed discussion of their marketing problem for this year and ended discussions as to the management.

A crowded meeting, at the Keating Temperance Hall, overwhelmingly decided to adhere to the contract with the Mutual (Vancouver) Limited for the sale of crate strawberries and cherries in prairie markets, and gave a vote of confidence to Manager H. E. Tanner and the directorate with only H. H. Grist rising in opposition.

LEGALITY DOUBTED

President H. Buckle opened the meeting by stating that a validating vote was necessary, the meeting having been called on shorter notice than technically legal. Endorsement was unanimously accorded, after H. H. Grist had expressed doubts whether decisions could be maintained if contested before the courts.

GORDON HEAD REFUSES

President Buckle announced that the Gordon Head Fruitgrowers' Association had refused to agree to abrogation of the contract with the Mutual Brokers. He pointed out that the mandate given the Saanich Association directors had been contingent upon agreement and support by Gordon Head. No action towards cancellation had therefore been taken. Personal inquiries in Gordon Head had brought him information that the Gordon Head Association directors had refused to call any meeting for discussion of contract cancellation, being convinced they knew the opinions of the growers of the district.

WHAT REALLY HAPPENED

Manager Tanner stated that no such meeting took place. A conference did occur in a field in a rainstorm, C. McCarthy and himself having refused to do more than denounce Mr. Snow for the advertisements. "We sat on a rail fence in the rain, and were pretty mad with them. We had left a message for Mr. Buckle at the store near his home. I refused to meet Mr. Snow without a witness," said Mr. Tanner.

MUTUAL'S END SEEN

Mr. Stewart forecasted the elimination of the Mutual Brokers as a marketing organization this year, through legal action by the Provincial Attorney-General, falling prior action by Ottawa.

MONEY IS FACTOR

Manager Tanner pointed out that marketing is an imminent problem, he warned the members that the financial aspect is the most important matter to consider. "If the directors are weak enough, under these circumstances, to surrender to a popular clamor, we will have to face justified criticism later in the year," he asserted.

CLANDESTINE MEETINGS

Mr. Grist asserted clandestine meetings had been taking place between some of the directors and the local representatives of the Mutual Brokers. Manager Tanner interjected a denial, which was emphatically contradicted by President Buckle.

DODD'S KIDNEY PILLS

1087 THE PHARMACY

WRATHFUL REPLY

P. Holloway declared: "We directors are not in office to be insulted. I have been associated with Mr. Tanner for fifteen years; the business of the association has been aboveboard, honest, and we can show good results, this to my own knowledge. Men who have made these rumors of underground methods should think things over and prepare to apologize."

BATTLE WON BY ONTARIO CONSTABLE

Elk Lake, Ont., April 23.—Attempting to arrest five members of a motor party showing signs of intoxication near here, Provincial Constable Butler, was severely beaten, but succeeded in making three arrests. Two men named Lyatt and Johnson, have been sent to Cobalt for trial on a charge of having assaulted an officer, while the driver, James Hodgins, is held on a charge of refusing to aid an officer. Two other men got away, but search is now being made for them. The men look the officer's billy away from him, and booted him about the head and body, but he knocked out one man with a pair of handcuffs and managed to subdue the others.

VERDICT OF SUICIDE

Montreal, April 23.—A verdict of suicide while temporarily insane was returned yesterday in the case of James Burnett, twenty-five, who was found dead in a room in a local hotel yesterday morning shot with a revolver. Burnett was well-known in financial circles. He had been suffering from nervous trouble for several weeks.

IS NO QUITTER

Mr. Tanner interrupted to point out that such times were not the occasion for quitting, in view of the general confidence of the members, for that reason he was carrying on. H. E. Thornton supported Mr. Duncan: "If Mr. Tanner does not resign there will be only one faction in this association, that being opposed to Mr. Tanner."

DIRECTORS' DUTIES

Chairman Buckle aroused applause when he terminated discussion by asserting "Mr. Tanner is not under any cloud, as far as this association is concerned. The manager is responsible to the directors, who in turn are responsible to you. Mr. Tanner should not be criticized at this meeting." Mr. Buckle then stated that the hasty signing of the criticized contract was effected on the advice of the manager, and aroused much noise by stating that, therefore, Mr. Tanner was responsible.

FIGHT CANCELLATION

Manager Tanner informed the meeting that Messrs. Snow and Dilworth to-day called on him at his office, and obtained the real facts of the agreement, but pledged service of complete sales data of all shipments handled this year.

ADVOCATES OF AGREEMENT

H. C. Oldfield objected to cancellation of the contract at this time, being confident the Mutual Brokers will, this year, make special efforts to give good service, with the attention of all Canada focussed on their operations.
