PRESIDENT'S PAGE

Urshan College is making history as the first undergraduate Christian college owned by the United Pentecostal Church International that is seeking accreditation. Until we obtain our own accreditation, we are working with a local college to enable students to receive an accredited degree through a blended program. Urshan College operates under the guidance of Urshan Graduate School of Theology, which has already made history as the only Apostolic graduate school in North America and the first institution of higher learning in the UPCI to become accredited.

The mission of Urshan College is to educate, empower, and equip Apostolic men and women for life and servant leadership in the church and the world. At this time we offer programs in Organizational Leadership, Christian Ministries, and Music. We are working to establish partnerships with other colleges to offer students a pathway to additional degrees. The Urshan experience features academic excellence, spiritual development, and Christian fellowship in the context of UPCI identity. All students adhere to the Apostolic faith, attend chapel on campus, and participate in a local church. Urshan's curriculum is based on an Apostolic worldview, with all students taking some required courses in Bible and theology.

The college has a beautiful campus in Florissant, Missouri, a suburb of St. Louis. We are located just minutes from World Evangelism Center, the headquarters of the UPCI, and our proximity to the St. Louis airport is convenient for students. Due to our location and reputation, students have plenty of opportunities to secure employment. A number of United Pentecostal churches in the area provide opportunities for worship and involvement.

Urshan College is a unique educational opportunity. Let's make history together!

HISTORICAL SKETCH

On May 5, 1966, Harry W. Branding, superintendent of the Missouri District of the United Pentecostal Church International, appointed a committee to explore the possibility of a Bible college in the St. Louis area. This committee consisted of Guy E. Roam, W. C. Parkey, W. I. Black, Roy E. Gerald, and Oliver Spencer. On July 13, 1966, this committee recommended to the Missouri District that a college be started, and the Missouri District passed a resolution creating the college.

The General Conference of the UPCI endorsed the college on October 24, 1966. In January 1967, bylaws and guidelines for the college were chosen and the name “Gateway College of Evangelism” was accepted by the Missouri District. W. C. Parkey was chosen as the first president, and a site for the college was purchased at 3155 Charbonier Road near Florissant, Missouri. Gateway College of Evangelism formally opened on September 13, 1968. In 1971, a new campus was purchased at 700 Howdershell Road in Florissant. These facilities had formerly been the St. Stanislaus Seminary, the oldest college campus west of the Mississippi River.

After forty years on the Howdershell Road campus, the college underwent another significant change as President Darrell Johns led it through a transition to UPCI ownership. On October 11, 2011, the UPCI General Board approved a plan for Urshan Graduate School of Theology to acquire Gateway College and start a new undergraduate Christian college offering a variety of majors with the goal of achieving accreditation. After many months of collaboration between the boards, administration, faculty, and staff of both institutions, the transition from Gateway College to Urshan College was completed on July 1, 2012. Urshan College is operated jointly with Urshan Graduate School of Theology under the governance of the Urshan Board of Trustees and President David K. Bernard.

THE URSHAN MISSION

The mission of Urshan is to prepare Apostolic men and women through higher education for service in the church and to the world.

THE MISSION OF URSHAN COLLEGE

The mission of Urshan College is to educate, empower, and equip Apostolics for life and servant leadership in the church and the world.

URSHAN COLLEGE CORE VALUES

Urshan College is United Pentecostal in teaching and practice, serving the global Apostolic community. As a college, we are committed to the following:

A Biblical Foundation

UC academic programs work to cultivate a deep and enduring faith that affirms the practical teaching of Scripture as it is applied in daily life.

Academic Excellence

Our curriculum seeks to integrate faith and learning in a scholarly environment that fosters critical and creative thinking, academic excellence, and professional competence.

Spirit-Filled Community

UC aspires to be an interdependent community of students, faculty, and staff who honor and obey Jesus Christ by living Spirit-filled lives.

The Pursuit of Purpose

The UC community encourages each individual to discover God's unique purpose and to develop personal potential as a celebration of that holy purpose.

Servant Leadership

UC works to educate students to experience and engage the world in ways that empowers them as leaders to serve and transform their professions, churches, and communities.

URSHAN COLLEGE STATEMENT OF FAITH

The Statement of Faith of Urshan College provides a summary of biblical doctrine that is consonant with the Oneness Pentecostal (Apostolic) community. The statement is not intended as a full expression of the doctrinal position of the College or of the United Pentecostal Church International. A more detailed summary is available upon request.

Urshan College is Bible based in that we seek to base all of our beliefs and our lifestyle on explicit passages of the Bible or on biblical principles. Based on Scripture, we believe the following:

About God

There is one God, who has revealed Himself as our Father, in His Son Jesus Christ, and as the Holy Spirit. Jesus Christ is God manifested in flesh. He is both God and man. (See Deuteronomy 6:4; Ephesians 4:4-6; Colossians 2:9; I Timothy 3:16.)

About the Bible

The Bible is the infallible Word of God and the authority for salvation and Christian living. (See II Timothy 3:15-17.)

About Sin and Salvation

Everyone has sinned and needs salvation. Salvation comes by grace through faith based on the atoning sacrifice of Jesus Christ. (See Romans 3:23-25; 6:23; Ephesians 2:8-9.)

About the Gospel

The saving gospel is the good news that Jesus died for our sins, was buried, and rose again. We obey the gospel (II Thessalonians 1:8; I Peter 4:17) by repentance (death to sin), water baptism in the name of Jesus Christ (burial), and receiving the gift of the Holy Spirit (resurrection). (See I Corinthians 15:1-4; Acts 2:4, 37-39; Romans 6:3-4.)

About Our Fundamental Doctrine

The basic and fundamental doctrine of this College is the Bible standard of full salvation, which is repentance, baptism in water by immersion in the name of the Lord Jesus Christ for the remission of sins, and the baptism of the Holy Ghost with the initial sign of speaking with other tongues as the Spirit gives utterance.

About Christian Living

As Christians we are to love God and others. We should live a holy life inwardly and outwardly, and worship God joyfully. The supernatural gifts of the Spirit, including healing, are for the church today. (See Mark 12:28-31; II Corinthians 7:1; Hebrews 12:14; I Corinthians 12:8-10.)

About the Future

Jesus Christ is coming again to catch away His church. In the end will be the final resurrection and the final judgment. The righteous will inherit eternal life, and the unrighteous eternal death. (See I Thessalonians 4:16-17; Revelation 20:11-15.)

URSHAN HONOR CODE

The Urshan Honor Code is rooted in specific character values from Scripture and reflects the message of Micah 6:8 “He has shown you, O man, what is good; and what does the Lord require of you but to do justly, to love mercy, and to walk humbly with your God?”

The Urshan Honor Code is the highest obligation of the entire Urshan Community. Every member of the Urshan Community is Honor Bound:

To do what is good:

Promote and uphold the Christ-like values of honesty, honor, integrity, and love for others.

To do justly:

Uphold academic integrity regarding cheating and plagiarism.

Embrace honesty and the pursuit of truth in communication.

Embrace sexual purity.

To love mercy:

Model behavior that fosters a safe and peaceful environment.

Compassionately confront any person you believe to be in violation of the Honor Code.

Inform the appropriate community authority if unresolved (Matthew 18:15-20).

To walk humbly with your God:

Display selfless service and Christ-like humility.

(NOTE: The Honor Code includes the promoting of Urshan values, following the guidelines within the Student Handbooks and protecting the Residential Student Bill of Rights.)

ENDORSEMENTS, CERTIFICATIONS, APPROVALS, AND RECOGNITIONS

Pursuant to 6 CSR 10-5.010 of the Missouri Code of State Regulations, the Missouri Department of Higher Education has certified Urshan College to operate in the state of Missouri (RSMo 173.005). The Missouri Department of Higher Education may be reached at info@dhe.mo.gov or by calling (573) 751-2361.

Urshan is endorsed by the Division of Education of the United Pentecostal Church International (Article IX, Section 3(b) of the General Constitution of the United Pentecostal Church International). The Division of Education may be reached at 8855 Dunn Road, Hazelwood, MO 63042; phone: (314) 837-7300, ext. 274.

Urshan College is approved by the U.S. Department of Veteran Affairs to accept students receiving benefits under the GI Bill and is recognized by the Student and Exchange Visitor Program (U.S. Immigration and Customs Enforcement) to accept international students.

ACCREDITATION

Urshan College is an endorsed educational institution of the United Pentecostal Church International. It is not accredited by any accrediting association. The Board of Trustees has directed the college to begin the process of seeking accreditation as soon as possible, but it is not possible to guarantee a time when accreditation will be achieved. In the meantime, students may earn an accredited degree from St. Louis Christian College through the cooperative agreement Urshan College has negotiated with that institution.

CAMPUS

Location

In addition to being near the population center of the United States, Urshan College is located near the population center of the United Pentecostal Church International. The St. Louis region is home to numerous United Pentecostal and other Apostolic churches of various sizes. These afford involvement in virtually any type of church situation for students from diverse Apostolic backgrounds. The World Evangelism Center (WEC), the general headquarters of the United Pentecostal Church International, is less than ten minutes from the Urshan campus. Urshan includes both the undergraduate school (Urshan College) and Urshan Graduate School of Theology, the nation's only accredited Apostolic seminary.

The Urshan campus is located in Florissant, Missouri, in the northwestern part of the Saint Louis metropolitan area. Florissant is one of the oldest settlements in the state of Missouri. Its first village government was established in 1786. "Fleurissant" was a typical French village with a village commons surrounded by shared fields. French was still the predominant language as late as 1889. Today, Florissant is a thriving community of over 50,000 people with a reputation for being "warm and friendly."

The Greater St. Louis Statistical Area population of over 2.8-million makes it the 16th largest region in the nation and the fourth-largest in the Midwest. It is rated 2nd in the lowest cost of living among the largest twenty metropolitan areas. Home to over 72,000 business establishments, it hosts the headquarters of ten Fortune 500 Companies and seven Forbes Largest Private Companies. Major St. Louis employers include Boeing, AT&T,

the National Geospace-Intelligence Agency, MasterCard Worldwide, and numerous healthcare and educational institutions.

St. Louis was ranked 11th by *Parenting Magazine* on the list of “Best Cities for Families,” and in the last five years St. Louis suburban communities have consistently ranked in the top 10 of best places to live by *BusinessWeek*, *Family Circle*, *Money*, and *Forbes* magazines. The St. Louis metropolitan region also ranks number two in the country for best library services and is the 8th most literate city in America according to a study by Central Connecticut State University. Award winning attractions include the St. Louis Science Center, the St. Louis Zoo, the Verizon Wireless Amphitheater, the St. Louis City Museum, Busch Stadium, and the Delmar Loop. Foods unique to or invented in St. Louis include: toasted ravioli; gooey butter cake; Provel[™] cheese; pork steaks; the Concrete (Ted Drewes Frozen Custard); peanut butter (invented in 1890 by George A. Bayle, Jr.); iced tea, the ice cream cone, and hamburgers on a bun (all from the 1904 St. Louis World’s Fair); 7-Up[™] (originally called “Bib-Label Lithiated Lemon-Lime Soda”); the slinger; St. Louis style pizza; and let’s not forget, TUMS[®] antacid.

Campus Facilities

Located at 700 Howdershell Road in Florissant, Missouri, the Urshan campus is one of the oldest college campuses west of the Mississippi. In 1823 St. Stanislaus Seminary was founded in a few log cabins on the site and continued in operation for more than a century. Currently there are six buildings on almost 26 acres of maintained lawn with numerous large trees, paved paths, a baseball diamond, a volley ball court, and a basketball court, and paved parking for more than 180 vehicles. On the north, the campus fronts on Howdershell Road. It is surrounded on the other three sides by residential subdivisions with no public access to the campus. The five main buildings provide more than 170,000 square feet of floor space for the College and seminary. There is also a 12,000 square-foot maintenance building.

The **Library Building**, the oldest building on campus was completed in 1840. It has limestone walls three feet thick quarried from the banks of the nearby Missouri River. It was also constructed from bricks fired on the premises and walnut logged on campus. The library currently houses over 53,000 holdings and 21 electronic databases, including the ATLA Religious Database with ATLA Serials (ATLAS). It is an affiliate member of the American Theological Library Association (ATLA), the Missouri Resources Network (MOREnet), the Missouri Library Network Corporation (MLNC), and the St. Louis Regional Library Network (SLRLN). Library computers are available to access electronic databases and the internet, or to do out-of-class work. Access to the library materials is open to students, staff, faculty, alumni, friends of the library, and members of SLRLN during regular library operating hours.

The **Classroom Building** is the newest building on campus. Its 50,000 square feet contains classrooms and faculty offices on the first and second floors. The third and fourth floors are men’s dormitories. A student mail room and coin-operated laundry are on the first floor. The Urshan College front office and Urshan administrative offices are also located on the first floor.

The **Writing Center** is located on the second floor of the Classroom Building and is available to help students develop writing skills. Services are available to all students regardless of classification or degree program.

The **music practice/classrooms** in the Classroom Building are equipped with keyboards or music workstations, including disk drives, rhythm sections, and sequencers. The music department also owns Presonus Digimax recording studio equipment with professional-quality microphones. For courses involving music technology, composing, orchestration, and arranging the music department uses Macintosh computers and Digital Audio Workstations equipped with various music software packages including Sibelius, Finale, Reason, and Pro Tools. Depending on the music enrollment, Urshan leases or rents additional keyboards and audio equipment to enhance music instruction and practice.

The **Chapel Building** houses the chapel on the second floor and campus dining hall on the first. Chapel services, special worship services, and other special events are hosted in the chapel auditorium. The dining hall, located on the first floor of the Chapel Building, provides food service for resident and commuter students, faculty, and guests during regular dining hours and on weekends. The dining hall also provides space for student fellowship and recreation.

The Hammond B-3 organ located in the chapel is available to music students for practice when the chapel is not in use. In the side rooms off of the chapel are additional music practice rooms. There are also two complete drum sets available for practice.

The **Multi-Purpose Building** is adjacent to the Chapel Building and entered by way of the Chapel Building main staircase. The 15,000 square foot building houses faculty and administrative offices, a graduate student lounge and the graduate student chapel. The building is currently undergoing renovation of the first floor, which will house additional offices, music classrooms and additional music classrooms.

The 49,000 square-foot **Seminary Building** houses the Urshan Graduate School of Theology on the first floor. The second, third, and fourth floors are the ladies' dormitories. Several faculty offices and some Urshan administrative offices, including the office of the President, are also located on the first floor of the Seminary Building.

ADMISSIONS

Admissions Philosophy

Urshan College seeks to expand access and opportunity to Apostolic men and women of diverse backgrounds, interests and experiences seeking a vibrant foundation in academic excellence and Christian character and service. The admissions program at Urshan College is designed to identify and select a student body Apostolic in belief and practice that shares this distinct dedication. Urshan College seeks students who thrive in the academic, spiritual and community life at Urshan. Successful applicants will demonstrate qualities and proven skills necessary for academic success, intellectual and spiritual engagement at Urshan College.

Admissions Procedure

Urshan College adheres to a policy of selective admissions based on the following criteria. Applicants who do not meet the minimum academic requirements may be admitted conditionally on a case-by-case basis.

Academic Requirements

- Applicants must have earned a high school diploma, GED, or equivalent.
- Applicants must hold a Cumulative Grade Point Average (CGPA) of 2.7 or higher on a 4.0 scale. Motivated applicants with a CGPA of 2.3-2.69 are encouraged to apply, but must address in their essay why they feel they would be able to handle the academic rigors of Urshan College.

- Applicants must have attained a minimum combined Math and Critical Reading SAT score of 1000, or a minimum ACT composite score of 22. Motivated students with a combined SAT score of 850-999 or a composite ACT score of 17-21 are encouraged to apply but must address in their essay why they feel they would be able to handle the academic rigors of Urshan College.
- International students must have a minimum TOEFL score of 550 on the paper version or 213 on the computer version of the test.
- Applicants must complete an essay that demonstrates an acceptable college-entrance level ability in written communication, motivation to achieve academically in a college setting, and a desire to develop spiritually in an Apostolic setting.
- At the discretion of the admissions committee, applicants may be required to offset a shortfall in any one of these academic requirements by above-required achievement in at least one other requirement.

Recommendations

All applicants must obtain their pastor's recommendation, a recommendation from a teacher or school guidance counselor, and a personal recommendation from one other person of their choice (such as an employer, mentor, or coach). Forms for these recommendations are provided in the application packet and are available online at the College website. The completed forms must be sent directly to the College by the individuals making the recommendations.

Determination of Financial Ability

To be accepted for enrollment applicants must demonstrate the ability to meet the financial costs of attending Urshan College.

Church Affiliation

An applicant must be an active member of an Apostolic Pentecostal church.

Application Checklist

The complete application must be received in the Urshan College office by August 1 for the Fall Semester or December 15 for the Spring Semester. Late applications may be accepted, but an additional \$25 late application fee will be assessed. Applicants are encouraged to submit an Early Decision application by January 15 for the upcoming academic year. In order to be considered for financial aid from Urshan College the application process must be completed by May 1 for the upcoming academic year. Financial aid from outside sources may have earlier deadlines. For more information on financial aid see the Financial Aid section of this catalog.

Application for admission to Urshan College is not complete until all of the following items have been received:

- Completed application form
- \$25.00 application fee (nonrefundable after cancellation period)
- \$25.00 late application fee, if applicable (nonrefundable after cancellation period)
- Health History Form
- Pastor's Recommendation Form
- Teacher or School Guidance Counselor Recommendation Form
- Personal Recommendation Form
- Official transcripts from high school and all postsecondary schools the applicant has attended
- Official SAT or ACT transcript
- Official TOEFL score, if the applicant is not a native English speaker
- A written commitment to the Urshan College Statement of Faith

- Documentation of the ability to meet the financial costs of attending Urshan College
- Personal essay (see directions on the application form)
- Letter of transfer and Transfer Clearance Form, if transferring from a UPCI Bible college

Cancellation Period

Students have a period of three days, exclusive of Saturdays, Sundays and holidays, from the date of matriculation during which they may cancel enrollment or admission agreements with refund of all monies paid.

Nondiscrimination Statement

Urshan College does not illegally discriminate on the basis of race, gender, color, national or ethnic origin, age, disability, or military service in admission or in the administration of its education policies, programs, and activities. Inquiries or complaints should be directed to the administrative officer. Urshan College is in compliance with relevant provisions of Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973. However, at this time some parts of the Urshan campus are not handicap accessible.

Provisional Admission

Applicants not meeting the requirements for unconditional admission but showing other indications of ability to handle the academic rigors of Urshan College may be admitted provisionally at the discretion of the admissions committee. Such admission will place the applicant on provisional status for the first 13 credit hours of study. Provisionally admitted students may be subject to requirements and limitations determined by the admissions committee. If the student has met all requirements and limitations and has maintained at least a 2.0 CGPA by the end of the first semester, provisional status will be removed. Failure to remove the provisional status may result in academic dismissal from the College.

Transfer of Credits

A grade of "C" or above from an accredited institution is needed to transfer credit. Courses will be evaluated on the basis of quality, comparability, appropriateness, and applicability. Only credits that are applicable to the student's degree program will be eligible for transfer. Courses graded "Pass" or "Satisfactory" will be eligible for transfer only if the transcript identifies the grade as equivalent to a "C" or higher. Remedial, developmental or "099" level classes will not be eligible for transfer. Official transcripts must be sent directly to Urshan College for evaluation.

Credits earned from unaccredited and international colleges will be evaluated on a case-by-case basis. In addition to the four criteria given above, particular attention will be given to the instructor's qualifications and instructional rigor of the course as demonstrated in course syllabi and student evidences of learning.

Urshan College accepts up to 30 credits from College Level Examination Program (CLEP) and Advanced Placement (AP) sources. The college accepts minimum CLEP scores of 50 and minimum AP scores of 3 for courses that match program requirements.

Requests for transfer credit based on military service will be evaluated by the guidelines provided by the American Council on Education.

All transfer credit decisions will be made by the registrar. Students may appeal a transfer of credit decision to the academic dean if they feel that their request for transfer credit was denied unfairly. The decision of the academic dean is final.

Leave of Absence

Students who wish to withdraw from the current semester or who do not wish to attend a future semester may remain enrolled by obtaining an approved leave of absence. Students returning from an approved leave of absence while in good standing, and who do not have any other restrictions or conditions of enrollment may enroll in the College for a subsequent semester with the privileges of a returning student. Students on an approved leave of absence retain their admitted student status; however, they are not registered and therefore do not have the rights and privileges of registered students. Students on leave may complete course work for which an 'Incomplete' grade was reported in a prior term and are expected to comply with the maximum time limit for resolving incompletes. Dormitory housing is not available to students while on a leave of absence.

Leaves will not be granted for more than two consecutive semesters. Leaves may not exceed a cumulative total of two academic years. The deadline for obtaining a leave of absence corresponds to the course withdrawal deadline, which is the last day to withdraw from a course and receive a "W." The standard withdrawal and refund policies apply to students who withdraw with a leave of absence. Students are responsible for completing the Leave of Absence Request Form and obtaining the required signatures from their academic advisor, the financial office, the dean of students, and the academic dean. A leave of absence submitted after that deadline is granted only for extraordinary health and emergency reasons or activation of active duty status.

Students who do not return to the College after a leave of absence has expired or do not apply for an additional Leave of Absence must reapply to the College.

Student Right-To-Know Act

Urshan College does not participate in federal Title IV programs and is therefore exempt from reporting requirements under Public Law 101-542, the federal Student Right-to-Know Act of 1990. However, current and prospective students who wish to know the completion or graduation rate of degree-seeking, full-time students entering Urshan College may request this information from the office of the academic dean.

Student's Right to Privacy of Records

The Family Educational Rights and Privacy Act (FERPA), 34 CFR Part 99 provides certain specific rights to students concerning the privacy of information obtained or generated by an educational institution. Although Urshan College is exempt from these regulations because the College does not receive federal funds administered by the federal Department of Education, student right to privacy of information is an important moral issue that the College takes seriously. As a result, the college voluntarily complies with the intent and major regulatory provisions of FERPA.

As an institution of higher education, all students enrolled in Urshan College regardless of age are considered adults for the purpose of information privacy. College students are considered by law to be responsible adults who may determine who will receive information about them. This means that, with the exception of directory information, no educational records may be disclosed without written permission of the student, except to:

- College administrators, faculty, and staff with a legitimate educational interest;
- Other schools to which a student is transferring;
- Appropriate parties in connection with financial aid to a student;
- Any contractor, consultant, volunteer, or other party to whom the College has outsourced College services;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;

- Appropriate officials in cases of health and safety emergencies; and
- Federal, state and local authorities, pursuant to specific law.

Educational information includes, but is not limited to student academic and disciplinary information such as grades, GPA, transcripts, warnings, probations, and suspensions. College administrators, faculty, and staff are prohibited from discussing such information with parents, pastors, or other interested parties without the written permission of the student. This makes the sharing of student information with parents or pastors a family or church issue rather than a College issue, providing important opportunities for meaningful dialogue with the student.

If a student signs a privacy waiver, it allows the College to release academic information only if that information is requested. That is, parents or pastors must actually request specific information, it will not be sent automatically. Students may withdraw a privacy waiver at any time simply by filing a written request with the College office. However, the College is not liable for disclosure of private information if it has acted in good faith under a previously filed privacy waiver.

Students may inspect and review their educational records maintained by the College during regular office hours, but may not copy the records or remove them from the College office. Students may request that the College correct records which they believe to be inaccurate or misleading. If the College decides not to amend the record, the student has the right to a formal hearing. After the hearing, if the College still decides not to amend the record, the student may place a statement with the record setting forth his or her view about the contested information.

Urshan College may disclose, without consent, directory information including the student's name, spouse's name, address, telephone number, email, photo, denomination, home church, date and place of birth, Urshan College honors and awards, dates of attendance, program of enrollment and concentration, enrollment type (full time, part time, less than half time), degree earned, and date of graduation.

This privacy policy does not apply to aggregate data or anonymous data that reasonably protects personally identifiable information.

Fees (2 semesters)	\$450
TOTAL	\$9,090

The following items are not included in the Estimated Annual Costs:

- Textbooks and supplies -- The College Board estimates the average cost of college textbooks and school supplies at a 4-year college was \$1,244 for the 2012-2013 academic year.
- Music Course Fees – Depending upon the specific courses taken, music students may pay course fees of over \$650 per year.

Payment of Accounts

Urshan College offers three payment options:

1. Pay by year (due at registration)
2. Pay by semester (due at registration)
3. Deferred payment plan via automatic withdrawal/debit from credit or debit card

Urshan College offers a tuition management plan. No interest charges are assessed, and there is no credit check. The only cost to budget monthly payments is a one-time \$25.00 deferred payment fee per semester enrollment or a one-time \$45.00 deferred payment fee per annual enrollment. The deferred payment fee and a down payment of \$1,000 are due in full at the beginning of each semester.

Additional Financial Policies

Nonpayment of Fees

Nonpayment of tuition or other charges due the College or otherwise affecting the College will prohibit the student from receiving certain services. Students with outstanding financial obligations to the College will not be allowed to register or to obtain transcripts or official verification of enrollment. Students who participate in the deferred payment plan and whose monthly payment is more than two weeks in arrears may be asked to withdraw from the College.

Enrollment Status Change

Students who fall below full-time status or move from part-time to full-time status as a result of adding or dropping courses will be subject to all College policies related to their new status beginning at the time the Drop/Add Form has been received in the College Office.

Release of Student Transcript and/or Diploma

There is a charge of \$5.00 for each transcript (unofficial or official), except for the first request, which is complimentary. The student's account must be paid in full and all financial, academic, or disciplinary holds cleared before any transcript or diploma can be issued. All requests for transcripts must be made in writing to the registrar with the student's written signature on the request as mandated by federal law. An official transcript will not be sent directly to the student. Transcript Release Forms are available online at www.UrshanCollege.org.

End-of-Year Touring Groups

To participate in end-of-year touring groups a student must have a zero balance on his or her account.

Refund Policy

Cancellation of Enrollment Agreement

The enrollment agreement may be cancelled by the student within three business days with a full refund of all monies paid. After three business days, the student must file an official withdrawal form and any refunds are calculated based on the standard refund schedule.

Canceled Courses

The College may cancel any course because of insufficient enrollment or if the instructor becomes unexpectedly unavailable. Full refunds of applicable tuition are granted when the College cancels a course.

Audit Fees

Refunds for dropping Audit courses are issued in accordance with the standard refund schedule.

Lab and Course Fees

Lab and course fees are refunded only if the course is dropped before the first day of the semester, if the course is canceled, or if the student cancels the enrollment agreement within the cancellation period.

Students Called to Active Military Duty

Full refunds are granted to reserve military students who must withdraw from College due to being called to active duty, provided that those students qualify for and obtain an approved leave of absence from the College.

Room and Board

Unused room and board payments will be refunded at the time of official withdrawal from the College with the following guidelines:

1. A resident who withdraws or is suspended for academic reasons by the College at the end of a semester or term is entitled to a prorated refund of prepaid room and board.
2. A resident who is suspended or expelled by the College or removed from a residence hall for reasons of improper conduct or violation of College policy or regulations is not entitled to any refund of deposit or room and board.
3. The student's bill must be current. If tuition is owed, the College will not refund room and board.

Room and board refunds are calculated based on the last day of the week following the date the student officially withdraws from the College. No refunds shall be provided in case of an unauthorized withdrawal. Failure to file the signed Withdrawal Form in the College office within two weeks of the last attendance in class constitutes an unauthorized withdrawal.

Repayment of Forfeited Scholarships and Grants

Students who receive a scholarship or grant from Urshan College, but withdraw from College before the end of the academic year for which the financial aid was applied will have any tuition refund reduced by the full amount of the financial aid.

Change in Tuition as a Result of Adding or Dropping a Course

Students who add classes must pay any additional tuition charges and course fees incurred as a result of the change at the time they submit the Drop/Add Form. The account of students who drop classes during a regular semester and do not withdraw from the College will be credited 90% of any difference in tuition costs if the drop occurs during the first week of the semester and 55% of the difference if the drop occurs during the second or third week of the semester. There will be no credit of the difference in tuition if the drop occurs after the third week of the semester. Students may drop a course even if the course has not yet met.

Credits of any difference in tuition that occurs as the result of dropping a short-term course (meeting for less than a standard semester) will be determined based on the total number of class hours the course is scheduled to meet. If the drop occurs before the short-term course has met 13% of its total scheduled hours the student will be credited 90% of any difference in tuition. If the short-term course has met 13% through 25% of scheduled hours, the student's account shall be credited 55% of any difference in tuition. There will be no credit of any difference in tuition if the drop occurs after the class has met more than 25% of its scheduled class hours.

Refunds of Tuition and Refundable Fees

It is understood that any terms extended to any student are for convenience in paying the tuition and fees and are not in any way to be considered as payment(s) for periods of time. By accepting applications, the College has assumed the obligation of furnishing a complete program, instructors, equipment, classrooms and other facilities necessary for teaching those programs at the stated offered tuition cost and with the understanding that refunds will be made per academic term only.

Non-Veterans

Students who officially withdraw and have cleared all other financial obligations to the College are eligible for a refund according to the following schedule:

Time of Withdrawal	Refund Amount
First week	90% refund
Second or third week	55% refund
Fourth through seventh week	25% refund
After seventh week	No refund

Refunds are calculated based on the date the student officially withdraws from the College. No refunds shall be provided in case of an unauthorized withdrawal. Failure to file the signed withdrawal form in the College office within two weeks of the last attendance in class constitutes an unauthorized withdrawal. Refunds will be made to the student within 30 days of official withdrawal. Refunds will not be paid to any person other than the student.

Short-Term Courses

Refunds of tuition for short-term courses (those meeting for less than a standard semester) will be determined based on the total number of class hours the course is scheduled to meet. Students who withdraw from the College and have cleared all other financial obligations to the College are eligible for a refund according to the following schedule:

Time of Withdrawal	Refund Amount
After class has met less than 13% of scheduled class hours	100% refund
After class has met 13% through 20% of scheduled hours	90 % refund
After class has met more than 20% but less than 33% of hours	55% refund
After class has met 33% through 50% of scheduled class hours	25% refund
After class has met more than 50% of scheduled class hours	No refund

Refunds are calculated based on the date the student officially withdraws from the College. No refunds shall be provided in case of an unauthorized withdrawal. Failure to file the signed withdrawal form in the College office

within 48 hours of the last attendance in class constitutes an unauthorized withdrawal. Refunds will be made to the student within 30 days of official withdrawal. Refunds will not be paid to any person other than the student.

Those Attending Using Veterans Benefits

Students withdrawing from the College and receiving benefits administered by the Department Of Veterans Affairs shall be entitled to a refund of 90% of the exact pro rata amount of tuition and fees. The exact proration will be determined by dividing the number of class days remaining in the semester at the time of official withdrawal by the total number of class days in the semester. Where the amount of refund is less than that which would be applied under the standard refund policy, the standard policy shall apply. Refunds will be paid to the student within 40 days of official withdrawal. (38 CFR 21.4255)

Financial Aid

Scholarship, grant, and loan opportunities are listed online at www.UrshanCollege.org. Additional financial aid may be available from numerous sources including the student's home church or district, benevolent associations, private and public charitable funds, and various governmental bodies.

- Students who are applying for Urshan College scholarships or grants must have the complete Financial Aid Application to the admissions office by May 1st for the Fall Semester. If the applicant is also applying for enrollment as a new student, **the entire enrollment application** must be received by the College office by May 1st for the Fall Semester. Students meeting the May 1st deadline will be notified by June 1st of the result of their grant or scholarship application.
- New students are encouraged to meet the Early Decision deadline. Early Decision applicants must have **the entire enrollment application** and Grant/Scholarship application in by January 15th. Early Decision applicants will be notified by January 31st of the result of their grant or scholarship application.
- Successful applicants will receive an award letter with an enclosed acceptance form. The acceptance form must be signed and returned, along with the \$500 deposit, to the Registrar's office by the deadline stated in the letter.

Offers of Grants or Scholarships to Prospective Students

Any offer of a scholarship or grant to a prospective student by an officer of Urshan College is to be construed as an invitation to apply for the grant or scholarship the officer reasonably believes to be available given the facts

known at the time. Such an offer cannot be construed as a guarantee or warranty of funding. Proffered financial incentives are voided if the prospective student fails to meet any eligibility or application requirements.

All scholarships and grants are subject to availability and the criteria are subject to change without prior notice.

STUDENT LIFE

Campus Life

Social, athletic, cultural, and religious activities are planned by the College and by student organizations to encourage the growth of the total person. A variety of informative and entertaining programs are presented in scheduled convocations, lectures, concerts, recitals, drama productions, and exhibitions.

Socials

Periodic student socials sponsored by the Student Senate provide an opportunity to come together for a time of food and relaxation. These socials include a variety of events such as the Christmas and end-of-the year banquets. All students are encouraged to attend.

The College holds a number of all-school socials through the school year. These include beginning of semester activities, preview weekend events, and an all-school trip. College-wide social events are mandatory unless permission is obtained from the dean of students.

Active Ministerial Participation

The Active Ministerial Participation (AMP) program of Urshan College is an integral part of the total educational experience. While academic courses are, of course, central to college, we realize that much development happens outside the classroom. AMP is an extension of your classroom experience through active ministerial participation in local churches, the community, campus activities, and beyond. Urshan College includes AMP as part of its overall educational structure. Details on AMP requirements and AMP forms are in the AMP Manual available on the student portal of the Urshan website.

Spiritual Life

Church Attendance

Students of Urshan are blessed to have a number of UPCI and other Apostolic churches in the St. Louis metropolitan area. Students must choose a local Apostolic church and faithfully attend all of the services that their schedules will permit. All students who are attending a United Pentecostal Church at the time of enrollment are to attend a local church in fellowship with the UPCI. For the purpose of building faithfulness, visiting other St. Louis area churches is discouraged with the exception of revivals or other special services that do not conflict with students' regular church schedules. However, Urshan-sponsored function takes precedence over the local church activities.

Chapel Services

Chapel services provide a time to sing, pray, and reflect upon one's relationship with God. These services involve both students and faculty and offer training in spiritual leadership. All students are required to attend.

Special Emphasis Services

In addition to the regular chapel services, several special services are conducted at various times throughout the year. Periodically chapel revivals with guest speakers are conducted.

Evangelism

Students are encouraged to participate in Urshan sponsored evangelistic outreach activities and each student is urged to conduct Bible studies and be a soul winner while enrolled at Urshan College.

Student Leadership

Urshan College believes that its students are the future Apostolic leaders in church, business, and society. As such they should be provided ample opportunities to develop their leadership abilities through hand-on experience.

To qualify for and maintain a student leadership position at Urshan College, a student must be full-time and meet any specific eligibility requirements of the office. Student leaders must hold a cumulative grade point average of at least 2.7 at the time of election to office. No student shall hold more than one elected office. Student leaders who have been found guilty of an ethical conduct violation or have been placed on academic or disciplinary probation must immediately vacate their office.

Class Officers

Each year the respective freshmen, sophomore, junior, and senior classes elect officers to guide their activities for that school year. A president or secretary may preside over class meetings and initiate and direct various programs of each class throughout the year with the assistance of a faculty advisor. These student officers serve as spokesmen for their classes.

Student Senate

The Student Senate is the governing organization for the community of student organizations. It is responsible for the planning and administration of the Organization Fair during the first month of the fall term, to introduce all students to opportunities for involvement at Urshan. In addition, each student organization is accountable to the Student Senate for its function.

Student Senate membership includes a President and Secretary elected by the Student Body, the class officers, and the presidents and secretaries of officially recognized student clubs and organizations. The term of membership is one-year. The Senate serves as a voice for the student body to College administration and trustees, and cooperates with the faculty and administration in the daily function of the College. The Senate seeks to advance the welfare of the College and to promote an awareness and interest in the vital issues affecting the College community.

Urshan College Clubs and Organizations

Student clubs and organizations are designed to appeal to a broad scope of interests and to encourage participation by every student. Students are encouraged to find organizations that will be particularly interesting or helpful to them. Each club and organization maintains its own officers and faculty advisor(s), schedules its programs through the office of the dean of students, and maintains its schedule in coordination with the Urshan College master calendar.

Official Recognition of Campus Organizations

All campus clubs and organizations must meet the requirements listed in the current Student Handbook to be recognized as an official campus organization. Student organizations are expected to function, plan activities,

and conduct themselves in keeping with organizational and College policy as stated in the Urshan College Student Handbook. Failure of organizations to abide by established policies may result in sanctions by the Student Senate. An official campus organization shall be eligible for Student Senate funds, and organization presidents and secretaries shall serve on the Student Senate.

Please note that clubs and organizations may change from year to year. Currently, Urshan College recognizes the following Clubs and Organizations:

- Community Outreach Club
- Urshan Ministerial Alliance
- Music Club
- Missions Club
- Student Christian Education Association

Community Outreach Club

This organization affords an outlet for the spiritual life of students. It is designed to impart to students a vision of the need for evangelism and to equip them with the necessary training and experience to implement that vision. We encourage all students to be actively involved with the outreach club each semester they attend Urshan College. Some of the activities include:

- Participating in street meetings
- Teaching home Bible studies
- Distributing tracts and witnessing from house to house
- Visiting and ministering in local nursing homes
- Serving in soup kitchens, homeless shelters, etc.
- Mentoring in local public schools

Urshan Ministerial Alliance

The Urshan Ministerial Alliance offers opportunities for sophomores, juniors and seniors to gain experience in active pulpit ministry. Preaching opportunities include chapel and weekend ministry trips to churches in the region.

Urshan Missions Club

The Missions Club at Urshan exists primarily to provide opportunities for involvement in global missions through prayer, fundraising, dissemination of information, and involvement in ministry trips outside of North America.

Urshan Music Association

This organization serves Urshan ministry endeavors by providing music ministry for other clubs and organization as needed. It offers members various opportunities for developing their talents, enjoying the company of other musicians, and gaining practical music experience.

Student Education Association

The Student Education Association provides Christian Ministry majors and other students opportunities to gain practical experience in children and youth ministries. Students may conduct children's and youth rallies and revivals during the school year in the Midwest region.

STUDENT SERVICES

Administration and Business Offices

The classroom building houses the Administrative and Business Offices on the first floor. These offices will be open Monday through Friday from 8:00 a.m. until 4:00 p.m. except scheduled holidays. All business with these offices must be conducted during these hours. No business may be conducted during chapel service.

Cafeteria/Food Services

To ensure that the meal program will operate in an effective and efficient manner, meals will be served according to the schedule below when the College is in operation:

	Breakfast	Lunch	Dinner
Monday-Friday	7:00-7:45	12:10-1:15	5:30-6:30
Saturday	None	11:30-1:15	None
Sunday	None	12:30-1:15	None

Should a student's work schedule be such that the student will not be on campus for the evening meal, a sack lunch will be prepared upon request. For students living in the dormitories, a meal check-off list will be provided each Thursday for weekend meals.

Meal prices for non-residents are:

	Breakfast	Lunch	Dinner
Monday-Friday	\$3.00	\$4.00	\$3.00
Saturday	N/A	\$3.50	N/A
Sunday	N/A	\$3.25	N/A

(Children under 12 are half price)

Copy Machine

There is a coin-operated copy machine available for student use in the library. Urshan College copy machines are not available for student use.

Crime Statistics

The Urshan College administration publishes an annual campus report on personal safety and crime statistics. The report is available upon request from the dean of students.

ID Cards

All students are required to have a current Urshan College Student ID card. Student ID cards serve as the library card and may be required for other services and events. Students should obtain their IDs when registering for class. There will be a replacement charge of \$10 for each lost, stolen or damaged ID. All IDs expire at the end of each school year.

Inclement Weather

As a residential college Urshan College will usually remain open even during periods of inclement weather. In the case of inclement weather that poses a significant safety risk, the administration will make decisions concerning the closing of the College. The decision will be made by 7:00 a.m. for any given day so that arrangements can be made for early classes. News about closures will be available through the local KMOX website (www.kmox.com) so that all students and employees can receive the latest information in one central

media outlet. Any individual class cancellations will be communicated to students by the course instructor or the academic dean.

Laundry Facilities

The laundry rooms are for the use of the resident students and faculty only. Males and females are not to do each other's laundry. The laundry room is not to be used after curfew.

Leisure Time

To make it possible for students to have social contact, public areas are available for student gathering. While students are expected to feel at home, they should refrain from loud or boisterous behavior that might be offensive to others and injurious to the campus and its furnishings. It is expected that persons using the campus facilities will be respectful of others.

Campus Visitors

Students are welcome to invite their parents and guests into public areas on campus. However, we discourage students from bringing visitors on campus on a regular basis. Dormitories are off limits to visitors except with prior permission of the dean of students. Campus visitors may sit in on a class only after obtaining permission of the instructor before the class session begins.

With permission of the dean of students, visitors may rent a dorm space to stay overnight. The charge for this service is \$10.00 per night payable in advance and will be collected by the resident assistant on duty if the office is closed. This fee does not include meals. A \$20 fine and the possible loss of visitation privileges will result from failure to properly register a guest.

All visitors to the campus are to register with the office during business hours or with the resident assistant after business hours. Visitors are expected to abide by all rules and regulations of the college while on campus. The student who invited the visitor on campus is responsible to inform the visitor of the rules and to see that they are observed. Uninvited visitors who have no legitimate business on campus should be respectfully asked to leave. Report trespassers to the resident assistant without delay, or if the resident assistant is not immediately available, to the police. Former students who have been dismissed from school or who have withdrawn for any reason must have permission from the dean of students before coming on campus.

Off-Limit Areas

No student or visitor is allowed in areas that are designated as off-limits. These include, but are not limited to, roof tops, unoccupied dorms rooms, classrooms during non-class hours, basements, and attics.

Lost and Found

Students may turn in lost or found items to the Business Office. Lost items are kept for 30 days and may be claimed by contacting the Business Office. Items left over 30 days will be removed.

Mail Service

Mail is distributed to student mailboxes Monday through Friday. No mail is delivered on Saturdays, Sundays or holidays. Mail addressed to students should be addressed in the following manner:

STUDENT NAME
700 Howdershell
Florissant, MO 63031-7526

Keys for the mailboxes are issued by the office of the dean of students.

Stamps for outgoing mail are available in the Business Office. Outgoing mail is picked up on regular business days between the hours of 10:00 a.m. and 1:00 p.m. at the Business Office in the Classroom Building. Packages must be picked up and signed for at the Business Office during the regular business hours.

Notary Public

Documents may be notarized in the Business Office.

Voter Registration

Urshan College provides voter registration forms and information for all enrolled students. Students are encouraged to avail themselves of their constitutional right to vote and to participate, if eligible, in the United States political structure. Information is available in the Urshan Library.

Personal and Spiritual Advisement

The College is designed to provide the best quality education with a personal interest in each student. The Office of the Dean of Students holds the primary responsibility for spiritual and personal advisement of students. Faculty members at Urshan College are also readily available for conferences with students. Members of the faculty are concerned with helping each student develop a lifestyle that is committed to Christ.

Textbooks

All textbook requirements will be posted on the College's website. It is recommended that students order textbooks in time to ensure delivery before the first day of classes. Be careful to order the correct textbook edition. The College Board estimates that the average cost of college textbooks and school supplies at a private non-profit 4-year college was \$1,244 for the 2012-2013 school year.

Library

The following rules have been established for the benefit of all library patrons:

- Students are responsible for all materials checked out on their ID cards.
- Library items may be checked out for a 14-day period, except for items placed on reserve by an instructor. Patrons may check out up to seven items with no more than four per subject matter. All items are renewable unless a hold has been placed on the item or it is on reserve.
- Patrons will be charged 25¢ per book per day for overdue items. Patrons having overdue items or outstanding fines will not be allowed to check out materials until their account is cleared.
- The student is responsible for any damage to an item that has not been previously noted. The maximum charge for lost or damaged materials will be replacement cost of the book plus any late fines and a \$5.00 replacement fee.
- Library items that are marked Reference may not be checked out.
- Patrons will maintain a respectful, quiet, orderly atmosphere in the library or they will be asked to leave. Cell phones should be set on vibrate. Headphones should be used for all audio or audio/visual materials.
- Food and drink are allowed in designated areas only.
- Operating hours during the regular semester are Monday, Tuesday, and Thursday from 8:00 a.m. to 12:00 a.m.; Wednesday and Friday from 8:00 a.m. to 6:00 p.m. and from 9:00 p.m. to 12:00 a.m.; Saturday from 9:00 a.m. to 5:00 p.m.; and Sunday from 9:00 p.m. to 12:00 a.m. Changes and additions to these hours will be posted on library door.

STUDENT CONDUCT

College Citizenship

All students of the College are expected to maintain the highest standard of moral conduct and concern for the well-being and rights of their fellow students. Urshan College students are expected to be responsible citizens of the community with behavior appropriate to the philosophy and purposes of the College and respect for the privacy and property of others.

Policies relating to student life are designed to give each student opportunities within the context of a Christian community to develop their potential to the fullest. Students are encouraged to make choices that will help them grow. The standard of moral conduct to which Urshan College calls every student is guided by United Pentecostal Church International beliefs.

Student Conduct Code

Urshan College is a United Pentecostal Church-related institution, and it is expected that employees and students will conduct themselves in accordance with Christian principles both on and off the campus. Personal misconduct by anyone connected with Urshan detracts from the Christian witness the College strives to present to the world and hinders full accomplishment of the College program. Students are expected to obey federal, state, and local laws. The College and its employees will cooperate with law enforcement agencies during an investigation of possible criminal misconduct; however Urshan College reserves the right to proceed with its own investigation and disciplinary action independent of governmental action. The College does not await the outcome of governmental prosecution.

Each student is expected to maintain the highest standard of conduct in accordance with Christian teaching and biblical ethics and to obey all applicable rules and regulations established by Urshan College. The College reserves the right to request withdrawal of any student at any time for causes deemed by the administration to justify suspension or exclusion. Any conduct disruptive of the orderly process of the College educational program, may be grounds for disciplinary action. All resident students are immediately responsible to the resident assistant of their dormitory.

Urshan College Student Handbook

The policies and procedures governing student conduct are published in the current Urshan College Student Handbook. While the College will attempt to ensure that all students know the rules through orientation sessions, it is ultimately the responsibility of the student to become familiar with these policies and rules. If there occurs any apparent discrepancy between student conduct policies or procedures as presented in this Academic Catalog and those listed in the Student Handbook, the Student Handbook shall be authoritative.

Jurisdiction

Jurisdiction of Urshan College generally shall be limited to conduct which occurs anywhere on the Urshan College premises or at College-sponsored or supervised functions. However, nothing herein limits the administration of the College from taking appropriate action, including, but not limited to, the imposition of sanctions against students for conduct off College premises while a student at the College.

Personal Growth Initiative

To encourage and promote personal responsibility for one's behavior, the college will not seek formal institutional disciplinary action against students who have violated community standards if they voluntarily seek assistance. Voluntarily means, that the student makes his/her desire for help known to the dean of students prior to the beginning of formal proceedings. However, formal disciplinary actions may be initiated if the behavior is found to be repetitive, self-destructive, potentially harmful to others, or is a significant civil or legal issue.

To initiate the Personal Growth Initiative, the student must approach the dean of students expressing a desire to repent and change. A collaborative plan shall be established which specifies one's intent to change including action steps and accountability procedures. Formal disciplinary procedures shall be suspended as long as the student adheres to the plan. If, however, the student does not carry out the plan or demonstrates a lack of desire to change, the student shall be subject to formal disciplinary action through established institutional disciplinary procedures.

Peer Accountability

When self-discipline is not effective, peer accountability becomes necessary. This type of accountability is explained as a biblical responsibility for individuals to demonstrate concern for others' growth and, when necessary, to confront another lovingly (Matthew 18:15). On one hand, members of the Urshan community should show active concern for members of the community and the community as a whole by encouraging them to adhere to Urshan's community standards. On the other hand, those who encourage others to violate Urshan's community standards are subject to disciplinary action.

The principle of peer (student to student) accountability, based on Matthew 18:15, works out practically as follows:

A student who observes (or has firsthand knowledge about) another student violating Urshan's community standards is obligated to take one of the following two steps:

- Confront privately the offending student. If the student is repentant, makes restitution (as necessary) and does not repeat the offense, then the matter is considered resolved.
- Submit a Disciplinary Report to the dean of students.

If a student observes a violation that is: (1) known to be illegal, (2) harmful to oneself or others, (3) a repeated offense by the offender after previously being confronted on the matter, or (4) denied by the offender upon confrontation; then the student must submit a Disciplinary Report.

Sexual Harassment

The College believes that sexual intercourse and other forms of intensely personal sexual behavior are properly manifest within the setting of the male-female marriage relationship. For this reason the College condemns sexually exploitive or abusive behavior and any form of sexual harassment. Since pornographic material is considered degrading to human dignity and violates biblical standards of decency, the College prohibits the possession and use of such material.

Urshan College is committed to excellence in education that is based on Christian values and standards. The College believes this goal can only be achieved in an environment free of sexual harassment. Sexual harassment undermines the mission of the College and will not be permitted or condoned. The intent of Urshan College is to provide an environment for students, employees and faculty that is free from sexual harassment.

Definition

Sexual harassment is the use of personal power or authority to intimidate or attempt to intimidate or coerce a person of the opposite sex (or same sex) into unwanted sexual activity or to create a hostile or offensive academic or work environment. Sexual harassment is distinguished from consensual relationships by the introduction of the element of coercion, threat, unwelcome sexual advances, request for sexual favors, sexually explicit or suggestive advances, sexually explicit or suggestive material in written, verbal, or visual form, or other unwelcome verbal or physical conduct of a sexual nature where:

- Submission to such conduct is made either explicitly or implicitly a term or condition of the employment or academic performance of the individual.
- Submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting the individual, or
- Such conduct has the purpose or effect of substantially interfering with the academic or work performance of a student or employee, or creating an intimidating, hostile, or offensive academic or work environment.

Examples of Prohibited Behavior

Prohibited behavior may take various forms. Examples of conduct that may constitute sexual harassment include, but are not limited to:

- Unwelcome sexual advances or requests for sexual favors;
- Sexually explicit language, jokes, and/or innuendoes;
- Repeated sexual propositions, date invitations, solicitations and flirtations, known to be unwelcome;
- Inappropriate and/or offensive touching, fondling, or bodily contact;
- Sexually suggestive objects, pictures, video or audio recordings, or literature presented or displayed in the classroom, faculty office, staff office, athletic area, residence hall, or other common areas;
- Threats or insinuations that may affect a person's employment, wages, promotional opportunities, grades, evaluations, and other academic or employment performance; and,
- Sexual assault or attempted sexual assault.

Policy and Procedures

The entire Sexual Harassment Policy, including complaint, investigation, and disciplinary procedures can be found in the Student Handbook.

Student Grievance Policy

Fair and prompt resolution of legitimate student grievances is a vital part of Urshan College's professional and ethical commitment to its students. The grievance procedure is as follows:

1. Informal discussions to resolve the perceived grievance should first be undertaken with the dean of students; or with the academic dean, faculty member, or faculty advisor if it is an academic issue.
2. All parties in the grievance process shall be guided by Christian principles as specified in Matthew 18:15-18 and shall conduct themselves in both verbal and written expression in the highest tradition of Christian love and mutual respect.
3. Grade appeals should follow the policy stated in the Academic Life (Academic Due Process) section of the current Urshan College Student Handbook.
4. Grievances not informally resolved should be placed in written form and directed to the dean of students or academic dean if it is an academic issue.
5. Receipt of grievance will be acknowledged in writing in not more than 10 days.
6. Depending upon the nature and severity of the grievance the dean or his/her representative may affect any or all of the following procedures:

- a) Personally investigate and arbitrate the grievance
 - b) Establish an ad hoc committee of uninvolved parties to investigate and recommend an appropriate action.
 - c) Refer the matter to the Urshan College Administrative Committee (president or designated representative, academic dean and dean of students) for final determination at any stage of the investigation.
7. A final written response to the student grievance will be made within 30 days of the receipt of a written grievance (60 days during summer).
 8. Final written responses may be appealed to the president who may choose any one of the following:
 - a) To affirm or alter previous decisions.
 - b) To resubmit to the Administrative Committee with a personal recommendation or new evidence.
 - c) To submit to the Board of Trustees in those cases with broad implications for the entire College community
- The right to review of written grievances by uninvolved parties is guaranteed.
 - Retaliation by College personnel against students initiating grievance procedures will not be tolerated and will be subject to disciplinary action. If the student feels that retaliation has occurred, a written report should be filed with the dean of students or the academic dean if it is an academic issue.
 - This grievance procedure is intended to accommodate issues of serious merit and may not be abused by frivolous claims.

ACADEMICS

Academic Life

As expressed in its mission statement, Urshan College exists “to educate, equip, and empower Apostolics for life and servant leadership in the church and in the world.” The college believes its academic programs and practices contribute significantly to this holistic mission. Every member of the Urshan community is called to this collaborative effort. The board members, administration, faculty, staff, and students work together to achieve this “life and servant leadership” curriculum. If there occurs any apparent discrepancy between academic policies or procedures as presented in this Academic Catalog and those listed in the Student Handbook, the Academic Catalog shall be authoritative.

Unit of Credit

One unit of credit is assigned for successfully completing the work represented by one hour of direct instruction with the professor and two hours out of class work for approximately fifteen weeks per semester. Courses offered in shorter semesters provide the equivalent number of direct instruction and out of class work.

Dual Enrollment

Urshan College has established a cooperative agreement with St. Louis Christian College which allow students to take courses from this institution that may be combined with Urshan credits to determine full-time status for the purpose of living in campus housing. A student must carry an academic load of at least 12 credit hours to live on campus unless given special permission. At least 6 of those hours must be taken at Urshan College. Students will be charged all applicable tuition and fees.

Students desiring to transfer credits earned at another institution while enrolled at Urshan are to obtain approval through the academic dean’s office before beginning the course work.

Technology Recommendations

All courses will be made available through the web-based software Canvas by Instructure. Canvas is the only Learning Management Software native to the cloud. Access to courses is achieved using your own web browser. We recommend a fast computer running Windows 7 or higher or Mac OS X 10.5 or higher, a broadband internet connection, the latest edition of Mozilla Firefox, Google Chrome, or Microsoft Internet Explorer (preferably two different browsers), Adobe Acrobat Reader, and word processing software (MS Office Word, preferred).. Advances in technology may necessitate changes in these requirements. Please contact the distance learning department or IT support for current requirements.

Independent Study Policy

Independent study is designed as an educational enrichment for students who are able to direct their own learning. The subjects covered in the independent studies must be specialized areas of study not reflected in offered courses. No required General Education course or course required by the student's major or concentration area may be completed by Independent Study. The total credit hours of Independent Study may not exceed one-fourth of all elective credits earned by the student. However, at the discretion of the academic dean, exceptions may be made in the case of scheduling conflicts caused by the College where the graduation in the planned major is in jeopardy. To be eligible for Independent Study, the student must be either a junior or senior with at least a 3.25 CGPA. A supervising faculty member will provide guidance in all phases of the process: development of objectives, design of learning experiences, and evaluation of learning outcomes.

Requirements for Independent Study

- Recommended workload:
 - Required reading - 500 pages of reading per credit
 - Required writing - 5 pages of reflection and 5 pages of research (not book reports) per credit
- Work must be completed prior to the last day of final exams if taken during the semester. Independent studies attempted during the summer must be completed by September 15.
- The student will submit a proposal for independent study to the academic dean. The proposal, already signed by the student and the instructor, will include a course description, course objectives, a reading schedule, and project assignments. The initial proposal submission is due by the first class of the semester. The final draft and approval is needed by the end of the drop/add period. If a student does not have a completed proposal on file with the registrar by the end of the drop/add period, then registration for the course will be cancelled. The academic dean will approve, make recommendations, or reject the proposal. Then the independent study can begin when approved.
- Copies of the approved independent study will be given to the student, instructor, advisor, academic dean, and registrar (for the permanent file).
- Tuition for Independent study credits is the same as classroom credits. See the tuition schedule in this Academic Catalog.

Advisement and Registration

Academic Advisement

After admission to Urshan College, students are assigned to a member of the faculty who acts as their academic advisor throughout their college career. The advisor is to play a vital role in helping the student to develop long-range academic and career plans and to select semester class schedules. The advisor must also give approval for all schedule adjustments, credit overloads, and independent studies.

Advisement is a continuous process that begins with matriculation and continues throughout the student's college career. Each student is assigned an academic advisor in accordance with his or her major. The advisor is to play a vital role in helping the student develop long-range academic and career goals and to select semester class schedules. However, it remains the responsibility of the student to know and fulfill the requirements necessary for obtaining a degree at Urshan College. Students should maintain their own records with copies of all official correspondence with the College. Students should check academic advice against the official policy of the College as it is found in published documents.

Academic Load

Students are expected to give first priority to the preparation of assignments, to class attendance, and to class participation. Outside study time will vary with each class. Generally, two hours of outside study time are required for each hour of in-class time. For the college experience to be fulfilling, students must strive to grow through the knowledge offered in class and outside study. True intellectual growth results from an individual forming opinions under the rigors of intellectual discipline.

All students should adjust their semester course load according to their academic ability, extent of extracurricular activity, and the amount of outside employment so as to maintain a high academic standard. The academic load of any student is subject to reduction or limitation by the administration for low scholarship, excessive outside employment, and other influences that may adversely affect a student's academic progress in college. A student carrying more than 18 hours may do so only by permission of the academic dean.

Registration

When applicants have been admitted to the College, they are eligible to register for courses. The specific time for registration each semester is given on the College calendar. A late registration fee is imposed upon those students who do not register during these periods. Music majors must audition and take entrance exams as part of their initial registration process.

Adding or Withdrawing from Courses

Students' choices of classes, once made and filed, are expected to be in effect for the semester. If course changes are necessary, students must request the change on the proper form (obtained from the Business Office or the College website). The drop/add fee must be paid at the time the form is filed in the business office. The College calendar lists the deadlines related to dropping or adding courses. No exceptions will be made to these deadlines. Students who stop attending a course without officially withdrawing are automatically given a failing grade for that course.

Change in Tuition as a Result of Adding or Dropping a Course

Students who add classes must pay any additional tuition charges and course fees incurred as a result of the change at the time they submit the Drop/Add Form. The account of students who drop classes during a regular semester and do not withdraw from the College will be credited 90% of any difference in tuition costs if the drop occurs during the first week of the semester and 55% of the difference if the drop occurs during the second or third week of the semester. There will be no credit of the difference in tuition if the drop occurs after the third week of the semester. Students may drop a course even if the course has not yet met.

Credits of any difference in tuition that occur as the result of dropping a short-term course (one meeting for less than a standard semester) will be determined based on the total number of class hours the course is scheduled to meet. If the drop occurs before the short-term course has met 13% of its total scheduled hours the student will be credited 90% of any difference in tuition. If the short-term course has met 13% through 25% of scheduled hours, the student's account shall be credited 55% of any difference in tuition. There will be no credit of any difference in tuition if the drop occurs after the class has met more than 25% of its scheduled class hours.

Withdrawal from College

Withdrawal during the semester is inadvisable. When unavoidable circumstances make it necessary for a student to withdraw the matter should be discussed with the student's advisor, the dean of students, and the president or his/her designated representative. The student may obtain a Withdrawal Form from the College office. Carefully follow the steps as instructed on this form. Students who wish to withdraw from the current semester or who do not wish to attend a future semester may remain enrolled by obtaining an approved Leave of Absence.

Failure to file the signed Withdrawal Form in the College office within two weeks of the last attendance in class constitutes an unauthorized withdrawal. No refunds shall be provided in case of an unauthorized withdrawal. In addition, unauthorized withdrawal will result in a failing grade being entered for all courses in which the student is registered. Except in the case of unauthorized withdrawal, students are considered to be enrolled until they complete all withdrawal procedures.

Students who withdraw from the College have 48 hours to vacate the premises. All student conduct regulations remain binding on withdrawing students until they have left the campus.

Change of Major

Change of major requires approval of the academic advisor and the academic dean. Changes of Major forms are available from the registrar.

Course Cancellation

The College may cancel any course because of insufficient enrollment or if the instructor unexpectedly becomes unavailable. Full refunds of applicable tuition are granted when the College cancels a course.

Academic Evaluation

To record the level of student achievement and to stimulate quality work, the College's system of evaluating work performed is expressed in terms of letter grades with plus and minus and numerical grade points.

Grade	Significance	Grade Points	Percentage
A	Outstanding	4.0	93-100%
A-		3.7	90-92%
B+		3.3	87-89%
B	Above Average	3.0	83-86%
B-		2.7	80-82%
C+		2.3	77-79%
C	Average	2.0	73-76%
C-		1.7	70-72%
D	Below Average	1.0	65-69%
F	Fail	0.0	Below 65%
P	Pass	N/A	
WP	Withdraw Passing	No Credit	
WF	Withdraw Failing	0.0	
W	Withdraw	No Credit	
I	Incomplete	0.0	
AU	Audit	No Credit	

Incomplete Grade

An incomplete is allowed only upon approval of the academic dean for work that is incomplete at the end of the semester due to factors beyond a student's control. Students may obtain the Incomplete Grade Form from the registrar or the College website. The form must be completed with student, faculty member, and academic dean's signatures before being submitted to the registrar. The form must be completed before the class's final exam begins. This mark is temporary and may be changed to any other mark upon completion of the course requirements. This mark automatically becomes an "F" if it has not been cleared within 3 weeks after the end of the semester for which it has been given.

Grade Point Average

The student grade point average (GPA) is a measure of academic achievement. The grade point average is computed by taking the sum of credits for each course multiplied by the grade point equivalent of the grade for the course and dividing by the total credits attempted. Courses that earn a "P", "WP", or "W" are excluded from the calculation. The cumulative grade point average (CGPA) is calculated in the same manner, but for all courses attempted while a student at Urshan College. Transfer credits and dual enrollment credits earned at other institutions are not considered when computing the GPA or CGPA.

Satisfactory Academic Progress

A minimum cumulative grade point average (CGPA) of 2.0 and class attendance within the required range is considered satisfactory academic progress. Students are placed on academic probation when their CGPA drops below a 2.0 and/or their class attendance falls below the required range. The CGPA must be above the required 2.0 and attendance must meet the minimum required level for probationary status to be removed. If a student fails to achieve a 2.0 CGPA for two consecutive semesters, the student will enter academic suspension.

Academic Probation

If a student is placed on academic probation, the following restrictions shall apply until the CGPA has met the required level for probationary status to be removed:

- The student must resign from any office he/she may hold with the College.
- The student can enroll in no more than 13 credits per semester.
- The student will be required to meet weekly with his or her academic advisor.
- Students who are on academic probation due to a writing deficiency may be required to attend regular Writing Center appointments.
- Students who are on academic probation due to an academic deficiency unrelated to writing are strongly advised to engage the services of a tutor.

Academic Suspension

If a student fails to achieve a 2.0 CGPA after two consecutive semesters on academic probation, the student will enter academic suspension and will not be allowed to enroll in any Urshan College courses for a semester, after which they may return to the College on academic probation and enroll in courses. If at the end of that probationary semester, the student has still failed to achieve a 2.0 CGPA, they will be returned to suspension status until such time as they can present compelling evidence in writing to the Academic Affairs Committee that their chances of academic success have dramatically improved.

After a student has been on suspension for four semesters the student will be withdrawn from the college. Students seeking to return after withdrawal for academic suspension will need to complete the admissions process.

Scholastic Honors

Urshan College strives to create an atmosphere conducive to scholarship and to provide incentive for academic growth. Maximum achievement is encouraged by giving recognition to those who excel. Students of Urshan College are eligible to receive honors as outlined below:

The Dean's List

The Dean's List is published at the end of each semester. To qualify, students must be enrolled in a degree program and must have taken 12 credits or more from Urshan College during the semester. The Dean's List consists of students earning a grade point average of 3.5 or more.

Dual enrollment students with full-time status may qualify for the Dean's List by requesting that the other institution send an official grade report (not a transcript) to the Registrar's office. The two sets of grades will be combined and calculated to determine the GPA. If the GPA is sufficient, students will be placed on the Dean's List. An asterisk will indicate inclusion by this calculation. Requesting grades from other institutions is the responsibility of the student. If the other institution fails to respond to the request in sufficient time, students will not be considered for the Urshan College Dean's List.

Academic Graduate Honors

To qualify for academic honors, students must have a minimum 3.5 cumulative grade point average and have completed all graduation requirements for a bachelor degree. Students who are participating in commencement exercises but have not completed all graduation requirements are not eligible for graduate honors. The academic honors include:

Cum Laude ("with honor")	3.5-3.59 Cumulative GPA
Magna Cum Laude ("with great honor")	3.6-3.79 CGPA
Summa Cum Laude ("with highest honor")	3.8-4.0 CGPA

Student Classification

For the purpose of determining student classification, the following categories are used:

Freshman	Satisfaction of entrance requirements; less than 30 credits earned
Sophomore	30-59 earned credits
Junior	60-89 earned credits
Senior	90 earned credits or more

Classroom Policies

Attendance Policy

Students are expected to attend each class session, but the following minimum attendance is required:

- 1 Credit hour course of 15 class sessions: minimum attendance is 13 class sessions
- 2 credit hour course of 30 class sessions: minimum attendance is 26 class sessions
- 3 credit hour course of 45 class sessions: minimum attendance is 39 class sessions

Faculty members shall state the attendance policy for their courses in the course syllabi.

Class Visitors

Students who wish to bring visitors to class must obtain permission from their individual instructor before the class session.

Examinations

Examinations, tests, and quizzes are to be taken on the dates scheduled unless prior arrangements have been made with the course instructor. Make-up exams are only allowed at the discretion of the individual instructor. Final exams are to be taken at their scheduled time only unless special permission is granted in advance and in writing by the academic dean.

Laptop and Tablet Usage in the Classroom

Students may use laptops and tablet computers during class with the consent of the instructor. Wireless access to the Internet may not be available during class time. When Internet access is available, any improper use of a computer during class including composing, sending, or reading emails; instant messaging; searching or browsing the Internet; playing games; and/or viewing movies is prohibited. Further, any use of a computer on campus, whether during class or at other times, that interferes with the orderly conduct of the educational or administrative functions of Urshan College is prohibited. Students who violate computer use policies are subject to disciplinary actions.

Cell Phones and Other Personal Electronic Devices

The carrying and use of cell phones and other personal electronic devices are allowed on the Urshan College campus. Users of these devices, however, must be attentive to the needs, sensibilities, and rights of other members of the College community. Furthermore, the use of these devices must not disrupt the functions of the College overall and of its classes. Students participating in off-campus course-related activities must follow the electronic devices policies of the agency or organization where they are visiting or working. Cell phones, pagers, and other personal electronic devices should be off and out of sight in classrooms and other academic settings and during such events as chapel, lectures, and College ceremonies. In addition, cell phones and other personal electronic devices incorporating a camera must be turned off and out of sight in any area in which an individual has a reasonable expectation of privacy such as restrooms, dorm rooms, showers, and other locations. The use of cell phones, pagers, calculators, recorders, digital cameras, PDA's, MP3 players, or other personal electronic devices for the purpose of academic dishonesty will be handled under the Academic Honesty policy of Urshan College.

Faculty Right to Establish Additional Classroom Policies

Faculty members, at their discretion, may establish additional policies in the course syllabi related to classroom decorum, the use of electronic devices in class, and other rules designed to maintain a classroom environment that is conducive to learning and the respect of others. These rules and policies may include reasonable penalties for violation.

Academic Honesty

Plagiarism, cheating, and dishonesty are in direct opposition to a Christian life and the goals of Urshan College. It is assumed that all students enrolled at Urshan College have done so for the primary purpose of learning. Students are expected to refrain from those actions that contradict this purpose and which would jeopardize their Christian character and testimony.

Cheating is considered a serious offense against a student's Christian character and testimony. Cheating includes copying from another person's test paper, using concealed information during examinations, falsifying reports, giving reports and papers to other students, giving information to another person during examinations, obtaining information from a student who has already taken the examination, using another student's work, and submitting the same assignment in more than one course.

Plagiarism is defined as copying, paraphrasing, or closely imitating any part of a published or unpublished book, paper, or web source without properly identifying the author. This also includes the use of the language and thoughts of another person while representing them as one's own. Students are urged to take advantage of online plagiarism checkers to help avoid unintentional plagiarism. Plagiarism is a violation of the intellectual property rights of another person and a failure to give honor to whom honor is due.

Students who believe another student is cheating or plagiarizing should handle the situation according to the Peer Accountability policy. Concealing such dishonorable practices is detrimental to the spiritual atmosphere among the College family.

Faculty members shall exercise proper diligence to prevent academic dishonesty. Any suspected incident of academic dishonesty will be submitted by the faculty member to the academic dean for review by the Academic Affairs Committee (AAC). The final decision on the nature of the offense (unintentional or flagrant) will rest with the committee. All offenses ruled flagrant will be recorded in official student records. A letter of disciplinary action from the AAC will be given to the student, and copies of the letter and pertinent documentation will be placed in the student's file.

The first incident of flagrant academic dishonesty will result in a zero on the assignment; the second, in failure of the course in which the second offense takes place; the third, in suspension from the College for one semester. If there is another incident of academic dishonesty after re-enrollment, the student will be permanently expelled.

Academic Due Process

Students dissatisfied with classroom or academic procedures or decisions should use the following due process procedure:

1. Students will attempt to settle differences with an instructor within two weeks of the disputed issue, or in the case of a disputed course grade, within 6 weeks after the end of the semester.
2. Students who are dissatisfied with the outcome of the instructor conference may file a written complaint with the academic dean within one week after the conference. The written document should fully describe the issue in dispute and steps taken to resolve the conflict. The academic dean will consult with the instructor before any decision is made. The academic dean will make a decision within two weeks.
3. Students who are dissatisfied with the academic dean's decision may file a written complaint with the Academic Affairs Committee via the academic dean within one week of the academic dean's decision. The Academic Affairs Committee will review the steps taken by the student, instructor, and academic dean prior to making a decision. The Academic Affairs Committee will make its decision within two weeks. The decision of the Academic Affairs Committee is final.

GRADUATION REQUIREMENTS

Application for Degree

In order to graduate and participate in Commencement exercises, an Application for Degree is to be filed with the Registrar's Office no later than the last day of registration of the last semester in which the student will be completing his/her degree requirements at Urshan.

Catalog Requirement

Students are to meet graduation requirements from the catalog that is in effect at the time of their initial enrollment at Urshan. Students wishing to change to a more recent catalog may do so, provided they are enrolled when the catalog is in effect and they submit a written request to do so to the Registrar. Students who have not maintained continuous enrollment must meet the graduation requirements from the catalog in effect at the time they reenroll. Students who wish to withdraw from the current semester or who do not wish to attend a future semester may remain enrolled by obtaining an approved Leave of Absence.

Degree Concentrations

A degree concentration is only awarded in relation to a major. See the degree programs for concentration options and requirements.

GENERAL EDUCATION REQUIREMENTS

Assistant Professor M. Jean Bland, General Education Director

General education is the curricular foundation of Urshan College. All bachelor degree programs require the completion of the general education requirements.

Philosophy

Urshan College believes Christians should engage culture through revitalizing the Christian intellectual tradition of quality scholarship, passionate spirituality, and renewal of the mind. In part, this starts with a foundational breadth of knowledge concerning the physical universe, diverse human societies, the Bible, the church, and self. Each of these elements must be in place and functioning under the influence of the Holy Spirit in order to achieve that excellence to which enlightened Christian leaders aspire, and for which our world deeply hungers. Christian learning is a holy quest to see the world as God sees it, and to better it as He enables us. Our faculty and students share a high calling in Christ Jesus to make a significant difference in our world. To this end, the General Education requirements of Urshan College are designed to encourage students to pursue a lifetime of continual learning and to develop knowledge, compassion, and intellectual and spiritual tools. Students across all degree programs take general education course offerings inculcated with the values of the College and the broader Apostolic community.

Objectives

Upon completion of the general education requirements, students will have acquired skills in analytical thinking, understanding nature and society, and communicating with a global audience. This helps equip students with a foundation for and success beyond their particular areas of study and for enriched lives as educated persons, active citizens, and effective contributors in society.

The general education core of Urshan College will educate, equip, and empower the graduate for life and servant leadership by aiding in:

- Demonstrating a biblical worldview and analytical thinking skills.
- Communicating effectively in written and oral forms.
- Appreciating and interacting with the diversity of the world by integrating and applying social sciences, quantitative skills, qualitative skills, and scientific inquiry.
- Understanding self and others for effective conflict resolution and collaborative team work in order to translate critical thought into action through shared leadership.
- Demonstrating comprehension of general education concepts and skills by integrating them with biblical concepts and applying them in personal life and professional settings

Student Learning Outcomes

After completing the general education core, the student will be able to:

- Communicate effectively in written form.
- Communicate effectively in oral form.
- Demonstrate interdisciplinary competence.
- Demonstrate cultural competence.
- Demonstrate servant leadership.
- Integrate biblical competence into daily life.
- Collaborate effectively.

BACHELOR OF ARTS IN ORGANIZATIONAL LEADERSHIP

Professor Tom O'Daniel, Program Director

Philosophy

Scripture teaches that God gave leaders to His church and gifts them for leadership. This accentuates the importance of leaders and leadership. Moses mentoring Joshua and Paul mentoring Timothy indicate that leadership skills and competencies must be cultivated and developed. Scholarship supports the truth of these principles in the organizational environment. The success of organizations in the diverse and changing world of the twenty-first century hinges on the development of leaders capable of leading teams in assessing and addressing the complex issues of a global marketplace.

The Organizational Leadership degree at Urshan College is designed to assist in fulfilling the need of supplying trained leaders dedicated to positively impacting their organization, community, and world. The program commits to offering students courses and experiences that formally and informally educate, equip, and empower them as servant leaders to contribute to the success and development of their organization, church, and community.

Program Objectives

The Organizational Leadership degree will contribute to educating, equipping, and empowering the graduate for life and servant leadership by aiding in:

- Developing the student's appreciation of how trained leadership of human resources contributes to organizational success.
- Analyzing the interrelationship between leadership and management and how they complement each other in organizational success.
- Equipping the student to synthesize the components of values, mission, vision, strategic planning, ethics and diversity into a framework for organizational success.
- Enhancing knowledge, skills and competencies applicable to organizational leadership.
- Cultivating a commitment to personal development, relationship development, and the development of others within the organization for the furtherance of organizational development.

Student Learning Outcomes

After successfully completing the BA in Organizational Leadership, students will be able to:

BACHELOR OF ARTS DEGREE IN MUSIC MINISTRY

Associate Professor Ann Ahrens, Program Director

Music Ministry Philosophy

The Music Ministry degree is designed primarily for those students who have minimal previous music training upon entering the program or those wishing to preparing themselves to be a full-time or bi-vocational director of music at a local church or para-church organization. The Bachelor of Arts degree in Music includes preparation for working with children and ensembles, and music administration in a church setting.

Program Objectives

The Music Ministry degree will contribute to educating, equipping, and empowering the graduate for life and servant leadership by aiding in:

- Articulating and adhering to a biblical philosophy of music ministry.
- Communicating sound Oneness Pentecostal theology and doctrine through music.
- Planning, leading and assessing music ministry for effective discipleship in the church and in the world.
- Ministering to a diverse audience by incorporating various musical styles.

Student Learning Outcomes

After successfully completing the Music Ministry Degree, students should be able to:

- Articulate an appropriate biblical philosophy of music ministry.
- Demonstrate a biblical philosophy of music ministry.

PMN302 Children's Ministry **3 credits**

This course analyzes the development and educational approaches, birth through age 12, with an emphasis on spiritual development and the church's role in meeting their developmental needs. Included are issues of salvation, worship, moral development, teaching the Bible, family life, and specialized age-level programming and ministries.

PMN351 Family Life Ministry **3 credits**

This course is designed to give students a survey of the church's ministry to families. Special attention is given to theological foundations, family life themes, family life education, and ministry to the family unit.

PMN422 Marriage & Family Counseling**3 credits**

This class provides an understanding of various models and techniques for working with couples, including premarital counseling. Topics explored include systems theory, family life development, communication processes, and conflict resolution from a Scriptural perspective. Students will learn and apply a family assessment tool. Prerequisite: GPY201 General Psychology.

PSP211N Foundations of Teaching & Preaching**3 credits**

This course is a "cross-training" module that introduces the principles and skills necessary to effectively communicate Scripture through teaching and preaching delivery. Practical application assignments will be made and reports or presentations will be given.
