# LETTER FROM THE CHAIR

I would like to welcome and thank you for joining us this Labor Day weekend for Kumoricon 2013. Ten years ago, a group of friends, brought together by their mutual respect and passion for Japanese animation, organized the first Kumoricon in Springfield, Oregon where they attracted over 400 like-minded fans. Flash forward to the present, where we find ourselves in two far larger hotels, with at least twelve times that many attendees expected to join us this weekend, and trust that I feel nothing less than humbled by your belief and enthusiasm in what Kumoricon has become.

The staff and I have been hard at work all year to ensure your experience this weekend is memorable. Whether you are here to meet a guest, seek access to superior products from our exhibitors and artists, participate in cosplay photoshoots, attend informative panels, get in some serious tournament gaming, or perhaps simply take up a friend's offer for a fun and exciting weekend, we hope to deliver above and beyond your expectations.

The city of Vancouver has graciously opened its doors to us again for a fourth year and we sincerely thank you for respectfully sharing public spaces. If you have any questions look for one of our Info Booths in the lobbies of each hotel, or flag down a staff member, easily identifiable by their large rectangular vertical badge.

Always remember, Kumoricon was created by fans, is presented by fans, and is here in the end because of you, the fans.

Enjoy your weekend!

**T.J. Stinson**  
Chairman

Two of their members also represented the United States in World Cosplay Summit (2010). Now they are here to share their cosplay knowledge as well as entertain! Make sure not to miss their panels as well as their halftime show at the cosplay competition!

## FUNIMATION®

Some of us still remember the "dark ages" of anime in the US. You were lucky if you could get a hold of a copy of a copy of a VHS tape. Some of the younger crowd was introduced to anime through those few series that made it onto TV in the mid to late 1990s. Today, all you have to do is look online and you can stream the latest stuff, sometimes less than 24 hours after an episode premiered in Japan! **FUNimation** has been around since 1994 and is always looking into the future of anime in America. And it's paid off, with FUNimation being one of the leading companies in English dubbed anime. From starting with the goal of bringing **Dragon Ball** to an American audience, to having over 8,500 episodes available on their website alone, FUNimation is here to stay.

Armed with a newly redesigned website, FUNimation is continuing to impress new and old fans with the attention and care with which they treat each release. The staff and voice actors that work with FUNimation are dedicated to putting out the best product possible. They haven't forgotten their sub fans either. With FUNimation's Simulcast and a subscription to their Elite Video Subscribers program, you can see the new Attack on Titan episode the day after it airs in Japan. The dark ages are over, and "you should be watching!"

We're glad to welcome back FUNimation to Kumoricon 2013! Please check out their industry panel, and their **Sneak Peeks** panel to find out what's new, what's coming, and get hooked on new series!

## Dark Horse

When it comes to comics, Kumoricon is lucky to be in the Northwest and have **Dark Horse Comics** right in our backyard. This year, Dark Horse is celebrating its 25th year of publishing manga. In 1988, without a translator willing to work on the project, Dark Horse founder Mike Richardson and editor Randy Stradley put together a translation for their first manga, Kazuhisa Iwata's **Godzilla**. Today, Dark Horse has the two longest running manga series in America, and has been publishing manga continuously for longer than any other publisher in the US.

And with titles ranging from **Trigun** to **Cardcaptor Sakura**, and **Astro Boy** to **Lone Wolf and Cub**, Dark Horse has something for everyone's tastes. So next time you're looking at the manga section of your local bookstore, look for the black knight chess piece logo on the binding.

Kumoricon is excited to have the folks from Dark Horse Comics with us again for 2013!

Please make sure to check out their panels: **Dark Horse: Celebrating 25 Years of Manga**, **Dark Horse Presents: The Changing Faces Of Evangelion**, and **"It's What You're Into": All Things Oreimo**.

# SATURDAY DJ PROFILE

## Pete Ellison

***Disko Warp, SEA/PDX***

Pete Ellison (a.k.a. Initial P) is a DJ and visual artist currently living in Seattle, WA, and can frequently be found performing crazy dance-party DJ sets at anime conventions around North America. Pete is known for throwing a wide variety of party-friendly tracks in his DJ sets, frequently spanning multiple genres, BPMs and languages. Best known for running cult favorite dance label *Disko Warp* (2005-2013) and producing the hits "Less Than Three" and "Oh Oh Oh Sexy Vampire", Pete has also produced music tracks for voice talent including Cristina Vee, Diana Garnett, Ani Rock! and Reni Mimura. If you ask nicely, he might let you touch his beard.

## DJ Hojo

***JKPOP! / City Hunter, SEA***

Allen's foray into J-pop/K-pop DJing was inevitable. As a child he spent many a summer in Taiwan, watching Chinese-dubbed broadcast anime and singing along with the infectious opening and ending songs. Allen also moonlights as a writer for SSGMusic, as well as a karaoke DJ at Bush Garden, one of the most storied and revered places for karaoke in all of Seattle. His love for everything Yasutaka Nakata's done, and pop culture in general, is well documented. He's pleased as punch that the worlds of mainstream music and Asian pop are colliding, and wishes to only further the cause and foster an environment where people can continue to fall in love with Asian pop music.

## DJ Bishie

***JKPOP! / Noddy, SEA***

1/5 of Seattle's electro-pop group *Noddy*, Reese holds down the keyboards, synthesizers, and enjoys pushing his not-so-secret J/K-pop agenda on his bandmates. Preferring the ladies of J/K-pop over the gentlemen, he has been known to spend 8 hours non-stop learning dance moves from the likes of groups such as 2NE1 and T-ara by very carefully studying their YouTube videos. If you come to this, there's a good 99% chance that he will bust out a choreographed dance, so beware. Reese is also a writer for the KEXP Blog, *hellokpop*, and *BicoastalBitchin'*. His *Girls' Generation* collection is something to be rivaled. Fun facts: he owns several adult-size Pokémon costumes, is known to become completely hypnotized by *Dragon Ball Z*, and welcomes those who dare challenge him in a game of *Super Smash Bros*.

# SUNDAY DJ PROFILE

## DJ Gino Mari

DJ Gino Mari, notorious frontman for Portland Electronic Rock Outfit The Gentry, likes to say he DJs “Eclectica” (meaning everything from synthpop to punk rock to crunk and \_\_\_\_\_). He does this all over the world in his spare time. From coast to coast he gets the kids sweating. He’s taken his records across the pond to Nebula (Lima, Peru’s largest nightclub) as well as parties in Florence, Italy and Vancouver, BC. In other words... dude gets around. Gino got his feet wet in Portland, Oregon’s industrial goth scene

in 1997, DJing everywhere from the infamous Paris Theater to the goth room at The Escape. From there he started his own DJ night at the now defunct PDX staple La Luna. This propelled Mari into the world of party promotion and events like “Continuum”, “Sound & Vision” and “Oscillate” (Portland’s premier Electroclash Party). During this time Gino was also the resident DJ for Kumoricon Anime Festival/Dance Party. In the years that followed Gino redirected his focus and obsession with music to form his own recording studio (The Country Club) and tour with his band The Gentry (with whom he is currently in the studio with finishing a new record).

## DJ DiscoSnake

DJ DiscoSnake triumphantly returns to Kumoricon! With assistance from the elusive Electric Jungle Pig, and teaming up with Gino, our hero armed with catchy tunes, nifty CD players, samplers, and Internet memes will bring his love for anime to the dance floor. Don’t miss out on this caffeine fueled set as the DiscoSnake bounces through anime soundtracks, gaming remixes, pop, electronica, swing, house, industrial, one hit wonders, memes and everything awesome. Join the experience, control the dance and tweet your requests to @DJDiscoSnake.

# PROGRAMMING

## Age 18+ Events

In order to attend age 18+ events you'll need a hand stamp. You need to bring your badge and photo ID to the Programming Booth in the East-facing lobby of the Hilton and you can get this stamp. If the Programming Booth has closed for the day, you can get the stamp at the Programming Office on the 3rd floor of the Hilton.

## Event Passes Required for Certain Events

Some events require "event passes", which means that, to guarantee seating, you need to pick up a pass earlier in the day to attend. Due to popular demand, all passes may be given away sometime prior to the event. These passes are free and can be picked up at the Programming Booth on the same day as the event. When the event starts, if there is extra space, non-pass-holders will then be allowed to enter.

## Line Restriction

Please do not line up for any event more than 30 minutes before the event starts or seating begins. Specific events may have different line requirements, subject to change without advance notice.

## Days in the schedule

Days listed in the schedule "switch over" at midnight. For example, an event that starts at 11pm on Sunday and runs for two hours will read: Sun 11:00pm-Mon 1am.

**Beware of this for events that start at or after midnight.** Even though con-goers think of convention days as being from "dawn to dawn", for purposes of dates in this schedule days are "midnight to midnight". For example, an event that takes place "Sunday night, after midnight, from 1am to 2am" will read: Mon 1am-Mon 2am.

Hello Kumorigon friends (current and future),

The On The Spott PhotoBooth is back for year #5 here at Kumorigon. We will again be in the Birch room at the Hilton 2nd floor. Everything is pretty much the same this year as it was last year. We will have a full professional grade photo studio, staffed by our volunteer photographer "Spott" and his team of volunteers. We do this for free and for fun, however we do request (but do not require) a donation to help cover costs and aging equipment. Please bring your friends and your best cosplay to show off in PhotoBooth. With an emphasis on building personal relationships with such writers and artists as Kazuo Koike, Yoshitaka Amano, Katsuya Terada, and CLAMP, Dark Horse has applied its ideals as a creator-oriented comics publisher to assert a unique and long-lasting place for itself in the U.S. manga publishing scene. As a note to the long-time fans who might attend, we're going to enforce a "no shipping" policy to avoid getting too far off topic—our apologies to all the Becky Rosens in the audience, but we just don't have the time to delve into fanon!

Sacrifices of chocolate to the Norse God Loki are requested but by no means required for entry. Please check all Angel Blades, hex bags, Hellhounds, shotguns, ancient demon-killing Khurdish knives, etc. at the door.

## Midnight Munchkin: Fantasy Munchkin

Sun 10:00pm - Mon 12:00am – **CCGs** (Centennial Center – Red Lion)

Go down in the dungeon. Kill everything you meet. Backstab your friends and steal their stuff. Grab the treasure and run. Admit it. You love it.

*Munchkin* is the mega-hit card game about dungeon adventure... with none of that stupid roleplaying stuff. You and your friends compete to kill monsters and grab magic items. And what magic items! Don the Horny Helmet and the Boots of Butt-Kicking. Wield the Staff of Napalm... or maybe the Chainsaw of Bloody Dismemberment. Start by slaughtering the Potted Plant and the Drooling Slime, and work your way up to the Plutonium Dragon!

## Midnight Munchkin: Munchkin Zombies

Sat 10:00pm - Sun 12:00am – **CCGs** (Centennial Center – Red Lion)

It's the sickest, silliest *Munchkin* yet! You are zombies, kicking down doors and eating brains. The "monsters" you're attacking are people, some helpless and some hazardous, with a few rogue zombies thrown in. The armor is whatever you've blundered across during your lurching search for brains. So bravely you'll go forth, with mousetraps on your feet and a bowling trophy protecting your poor rotting head... to level up, or to die. Again.

## Munchkin Tournament

## Munchkin: Axe Cop

Sat 1:00pm - Sat 3:00pm – **CCGs** (Centennial Center – Red Lion)

*Axe Cop* is the hit webcomic written by Malachai Nicolle (age 5) and drawn by his brother Ethan (age 29). With his friends Dinosaur Soldier and Sockarang, *Axe Cop* fights crime! He hunts down the bad guys, such as Giant Robot Zombie, Vampire Man Baby Kid, and Dr. Stinky Head, and CHOPS THEIR HEADS OFF! Just don't get blood on you, or you might turn into something totally different, like Bat Warthog Man or Avocado Soldier.

There's only one game that can match the anything-goes action of *Axe Cop*—and it's *Munchkin*. Using original art from the series *Munchkin: Axe Cop* drops you into the Nicolle brothers' world.

# KUMORICON POLICIES

These are the policies for the Kumoricon anime convention. If you have any questions, the staff will be happy to address your concerns.

## Badges and Access

Your badge is your pass to event space. Be careful not to leave it in your room, at home, or anywhere other than on your person while you are at the convention. **If you don't have your badge, you may have to pay up to the current purchase price to replace it.**

When you check in, you will receive a holder for your badge. This is proof that you've checked in and the best way to keep your badge on your person. Keep your badge in its holder and visible at all times. This is the easiest way for the staff to know that you are allowed inside the Convention Space.

The badge you are assigned will vary based on your age. Here are the age breakdown and attendance restrictions:

**Child:** 12 and under – Can attend the convention except during convention curfew between midnight and 6:00 AM and must be accompanied at all times by a parent or legal guardian paid attendee.

**Minor:** 13-17 – Can attend the convention except during convention curfew between midnight and 6:00 AM and must have a Parent Permission Form or proof of legal emancipation on file by check-in.

**Adult:** 18 and over – Can attend the convention without curfew restrictions or permission requirements.

If you lose your badge, visit the Lost and Found (location designated in the program book) to see if anyone has turned in your badge. If not, you can arrange to print a replacement. If you find a badge, please help out a fellow attendee, and bring that badge to Lost and Found.

## Event Restrictions

Some individual convention events may have restricted admission as described in the event descriptions in the program book, including but not limited to the following:

Events limited to ages 18 and over require a hand stamp for entry. To get a hand stamp, you must bring both your badge and photo ID to the Programming Booth.

Some events require "event passes", which means that, to guarantee seating, you need to pick up a pass earlier in the day to attend. Due to popular demand, all passes may be given away sometime prior to the event. These passes are free and can be picked up at the Programming Booth on the same day as the event. When the event starts, if there is extra space, non-pass-holders will then be allowed to enter.

Some events may require additional payment for admittance.

Please do not line up for any event more than 30 minutes before the event starts or seating begins. Specific events may have different line requirements, subject to change without advance notice.

## Cosplay and Outfits

Costumes and outfits are one of the best parts of anime conventions. Before you put long hours and hard work into your cosplay, be aware that all outfits must cover areas of the body to comply with decency requirements. You will be asked to leave Convention Space if your outfit covers too little of your body or is otherwise deemed inappropriate. Outfits that are tight or sheer enough to expose those parts which should be covered are also prohibited.

In addition to properly covering the body, costumes must comply with venue policies and requirements.

## Masks

Masks or parts of a costume that cover the face may not be worn in the hotel lobbies.

## Footwear

Footwear covering the bottom of the feet must be worn in Convention Space.

## Props, Weapons, and Replicas

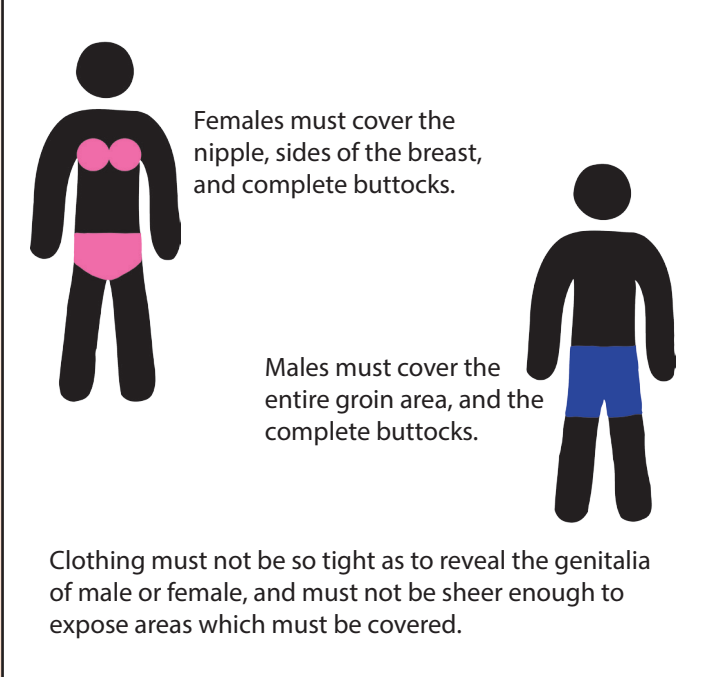

### Disallowed Items

The following items are not allowed in Convention Space, even if concealed:

- Any firearm or ammunition (no exception is made for concealed carry)
- Any functioning projectile weapon, device, or toy; including items meant to be thrown
- Any firearm or projectile item that **looks** like it could be functioning from 10 feet away, even if it is non-functioning or a replica
- Paddles (all varieties—including "yaoi" or "yuri" paddles)
- Live steel (sharp enough to cut)
- Props wide or long enough to inhibit traffic
- Any illegal weapon or illegal replica

### Peace-Bonding

Any item or prop that **could** be used as a weapon, used in a dangerous manner, or may appear to be dangerous, must be peace-bonded before being carried in Convention Space, even if the dangerous use is not the intended function of the item. For example, a toy sword made out of foam must be peace-bonded as it could be dangerous if swung around, and it may not be clear from a distance how dangerous it is. As another example, a teddy bear does not need to be peace-bonded as it is obviously harmless.

Females must cover the nipple, sides of the breast, and complete buttocks.

Males must cover the entire groin area, and the complete buttocks.

Clothing must not be so tight as to reveal the genitalia of male or female, and must not be sheer enough to expose areas which must be covered.

Peace-bonding is an agreement to carry your prop safely. You will be required to sign an acknowledgement of the requirements of safe carry. When your item is peace-bonded, a staff member will attach a peace-tie to your item. The peace-tie signals to all staff that your item has been reviewed.

Peace-bonding will be conducted at the peace-bonding table next to the registration area, or in the Kumoricon Operations Office after registration closes.

If you purchase a prop in the Exhibitors Hall or Artists Alley, then after purchase you must immediately either bring the item to be peace-bonded, or remove it from Convention Space. Any projectile item or live steel item purchased in the Exhibitors Hall cannot be peace-bonded and must be immediately removed from Convention Space. For such a disallowed item, you must take it offsite or bring it directly to your hotel room and keep it there for the duration of the convention.

### Prop Requirements

In addition to peace-bonding requirements, the following requirements hold:

- Potentially dangerous props may only be carried as part of a bona fide costume.
- Weapon replicas or props must not be brandished or waved around.
- Replica firearms or replica projectile weapons must have a highly visible orange tip.
- Replica firearms or replica projectile weapons must never be pointed at anyone.
- Replica pistols must remain in a holster, replica rifles must remain slung, and bladed items must be kept in their sheaths, except while posing for a photo.
- Projectile items or replica firearms are allowed **only** if they are, or have been made, permanently non-functional. "Permanently" means it is not possible to repair or restore the item to functionality. In most cases this means the item must be filled with glue and all moving parts rendered immobile.

### Harassment, Solicitation, and Offensive Behavior

All attendees are expected to treat others in a courteous and respectful manner. Harassment and solicitation are prohibited. Please let the staff know if you are witness to any of the following:

#### Harassment

- Offensive or rude behavior toward **anyone**
- Someone doing or saying things with the willful intent to harm another person
- Heckling

#### Solicitation

- Displaying of signs with profanity, explicit or graphic language, insults, threats, solicitations, or room party advertisements (i.e. "Will hug for Pocky", "Room Party Info")
- Distribution of flyers around the Convention Space or attaching them to walls or surfaces is prohibited. Some flyers can be left at the Info Booth for distribution. Flyers at the Info Booth may be removed at the discretion of Executive Staff.
- Selling of items or favors outside of convention sanctioned events and areas.

### Other Offensive and/or Illegal Behavior

- Indecent exposure (see above)
- Impeding the flow of traffic in hallways and especially in fire lanes
- Overly loud or disruptive behavior
- Line jumping or cutting
- Consumption of alcohol in the Convention Space, unless it is within an event officially sanctioned by Kumoricon with permission to serve alcohol from Kumoricon Executive Staff or the hotel
- Fighting (play or real)
- Lewd sexual contact or behavior (groping of the breast or genitalia)
- Any unsafe behavior
- Shoplifting of any kind
- Any costume or prop containing any iteration of pedobear

Anyone who engages in any of these activities will be given a warning. If an attendee continues the behavior, or engages in similarly offensive behavior, their badge will be removed, and they will be asked to leave the Convention Space. Egregious or extreme cases may result in a badge removal without a prior warning.

### Consent to Photography

Any photographs or videos of attendees taken by Kumoricon staff in an official capacity may be used or published by Kumoricon without further consent of the attendees being recorded.

### Photography by Attendees

Taking photographs and videos is allowed in most public areas of the convention. However, specific events, panels, or areas may restrict photography or video-recording. Please respect the wishes of anybody who asks not to be photographed or video-recorded.

### Hotel Rules

Convention Space is any area that the convention is using for any official events.

The area of the hotel rooms is outside of official Convention Space. However, the way our attendees treat the property and the staff of the hotel reflects on the convention as a whole. Please be sure to take care of the room you are in. Be aware that there may be guests who are not attendees and persons who may be sleeping in surrounding rooms. Be respectful to the hotel staff and guests.

### Appeals

If you feel that you have been given an unfair warning on attire, conduct, or policy infringement, you may submit an appeal in the Operations Office. Any decision then reached by at least two Kumoricon Executive Staff and the staff member who made the original decision will then be final.

### Liability

Kumoricon, its personnel, and its affiliates are not responsible for any damage, theft, injury, or loss. Attendees of the convention are responsible for their own actions as individuals as well as for any resulting repercussions. Staff are on hand for assistance in most situations. However, any civil or medical emergencies that may occur must be handled directly by the appropriate authorities.

### Changes

Policies are subject to change. Updates will be available at [www.kumoricon.org/policies](http://www.kumoricon.org/policies). The most current version will be available in the convention bags on your arrival.
