MANNY'S CATERING

MMTO/TLC
LIC. ADOLFO LOPEZ MATEOS INTERNATIONAL AIRPORT

Arrival

1. Upon arrival the aircraft must follow ATC instructions to taxi into General Aviation to be assigned an international arrival position.
2. Crew and passenger passports will be asked by one of our staff representatives to take them to Immigration facilities.
3. When all passengers deplane, Customs and Agriculture agents will come onboard to make a quick inspection, personnel from SEDENA and National Guard will make other inspections outside the aircraft.
4. Passengers must walk inside the general aviation building to make the CIQ (Customs, Immigration and quarantine) processes. Luggage cannot be inspected without passenger's presence. Once finished that procedure, passenger will be taken to the FBO in vans, where their luggage will be ready when they arrive there.
5. The whole procedure will take around 20-30 minutes.

Departure

1. Crew and passenger passports will be asked by one of our staff representatives to take them to immigration facilities.
2. Once passengers arrive into the FBO, they will be taken in a van to de General Aviation building, in the meantime the aircraft will be towed to International departure position.
3. Passengers must walk inside the General Aviation building to make the Customs and Immigration procedure.
4. The whole procedure will take around 20-30 minutes.
