The information for the rankings in this 13th edition of the U.S. Masters T&F Rankings Book was taken primarily from outdoor meets published in the National Masters News in 2001. Marks from unpublished results and documented submissions by individuals are also included.

The compilers of the rankings are volunteers who donate their time and materials. The 2001 rankers were Larry Patz, N.H.; Ruth BreMiller, Ore.; Erich Reed, Ore.; David Ortman, Wash.; Joy MacDonald, Fla.; James Gerhardt, Texas; Tom Allison, Ore.; Alan Russell, Iowa; and Michelle Kirk, who did the Racewalking Ladders, courtesy of the North American Racewalking Association. Some of these volunteers also compile the indoor rankings to be published in the NMN in July.

Funds to help compile and publish these rankings and the 2001 indoor rankings were provided by the USA Track & Field Masters Committee.

A question mark after a name indicates a problem with the correctness of the athlete's name or age division; a question mark after the time or distance indicates uncertainty about its accuracy.

Decathlon marks are indicated with a "d." When not noted with an "h," times without a 10th-and/or-100th-of-a-second digit are assumed to be hand times.

Athletes are urged to send corrections and additions to me at P.O. Box 50098, Eugene, OR 97405, or e-mail: JerryWoj@aol.com
