20172349	9/5/2017	The main problem caused after a whole bunch of trying even in front of the B.P.D.'S that same day too was right-then a certain non-comment that Secret Service Agents cannot and never try themself earlier equipment from emergency vehicles will not contain another from agents originally or the terms that are against you already U.S. history. That doesn't get you out of a level of court feins anyhow in homeland operativity and no F.B.I. can try being straight gansta' at an innocent bystander. The Secret Service then lied to the C.I.A. even more so and suchs goner as a complete buell face lie we have more torture than that of the third-reich way back secret cops!!!!!!!!!!!!!!!!!!!!!!
